

A collection of various books scattered on a light-colored surface. The books are of different sizes and colors, including yellow, pink, white, blue, and green. Some titles are clearly visible, such as 'Happy Place', 'Taylor Jenkins Reid', 'The Culture to Leave', 'The Copperhead', 'Dumplings for', 'The Fourth Wing', 'Killers of the Flower Moon', 'Maybe You Should Talk to Someone', 'Memphis', 'The Last Devil to Die', 'Family Man', 'Nathan Knows', and 'The Summer of Us'. The books are arranged in a casual, overlapping manner, suggesting a display or a collection of new arrivals.

Speakers' Corner, Falvey Library

Join us to celebrate the launch of our new Popular Reading selection! Over 400 new fiction and non-fiction titles are available for you to borrow, including new releases, literary fiction, romance, fantasy, mysteries, cookbooks, essay collections, and much more!

After a few opening remarks and a huge thank you to our committee of student volunteers who helped select the titles on the shelves, please feel free to enjoy some refreshments as you browse for new books!

Reading Popular Romance in Early Modern England Lori Humphrey Newcomb, 2002 This volume examines the proliferation of popular romances their vilification by elite writers and the ultimate opposition of popular and literary fiction Using Robert Greene's Pandosto 1585 an Elizabethan prose romance that inspired Shakespeare's late play The Winter's Tale as a case study Newcomb demonstrates that versions of the two texts repeatedly converge resisting simple high low division Because Shakespeare's works are considered timeless literary achievements critics have distanced his plays from their romance sources a separation that until now has gone largely unquestioned Newcomb challenges this assumption providing a fascinating account of an early best seller's incarnations over 250 years of literary history

Reading Popular Culture in Victorian Print A. Gabriele, 2009-10-26 Reading Popular Culture in Victorian Print Belgravia and Sensationalism is a comprehensive study of the whole run of the monthly periodical Belgravia under the direction of Mary Elizabeth Braddon It traces the material history of the magazine its production and global distribution while at the same time placing its history and content in the context of Victorian popular culture and Victorian discursive formations Among the questions Reading Popular Culture in Victorian Print investigates are the status of authors in the marketplace the innovative place Belgravia holds in the history of print culture the rhetoric of sensationalism in fiction journalism and pre cinema the representation of trade with India and the use of urban space as a branding strategy It makes the claim that the periodical is the sensation novel of the 1860s

Popular Literature Rupayan Mukherjee, Jaydip Sarkar, 2022 This volume offers a selection of critical essays on texts that can be broadly categorized as popular literature In addition to critical readings of popular texts such as The Jungle Book and The Hound of the Baskervilles the book considers populist tendencies in literary classics like Jane Eyre and Frankenstein

Reading Postcolonial Literature Hayley G. Toth, 2025-03-10 An Open Access edition is available thanks to the kind sponsorship of the libraries participating in the Jisc Open Access Community Framework OpenUP initiative Debates about reading in postcolonial studies rarely discuss non professional readers except to secure the authority of professional reading practices In Reading Postcolonial Literature Hayley G Toth places non professional reading practices in dialogue with received academic wisdom to debunk common sense assumptions about non professional readers as Western or neocolonial consumers Drawing on reading practices

recorded in academic books journal articles and on online book reviewing platforms like Amazon and Goodreads Toth draws attention to important continuities between professional and non professional practices of reading postcolonial literature At the same time she highlights that non professionals often have little desire to emulate the practices of professional postcolonial critics Precisely by not adopting the established protocols and methods of postcolonial studies non professional readers call attention to the limits of dominant approaches to reading in the discipline Across four chapters Toth examines the relationship between reading and identity during the Rushdie affair the difference between reading and address the challenges posed by difficult texts and the legitimacy of non understanding and the reception of popular texts primarily read by non professional audiences Reading Postcolonial Literature demonstrates that reception matters in any claims we make about the value of reading postcolonial literature and offers new ways forward for the practice study and teaching of reading in the discipline

Re-reading Popular Culture Joke Hermes,2008-04-15 Re reading Popular Culture is an entertaining investigation of the meanings and value of popular culture today It explores the theme of cultural citizenship by combining textual analysis and media reception theory to analyze popular culture Includes such contemporary issues as the rewriting of masculinity after the success of feminism and the layers of meaning in semi public and private talk of multiculturalism and ethnicity Traces its topics across a variety of media forms and texts including sports detective fiction and police series and children's television and games Clearly and accessibly written for the student scholar and general reader

New Media Literacies and Participatory Popular Culture Across Borders Bronwyn Williams,Amy A. Zenger,2012-05-23 How do students online literacy practices intersect with online popular culture In this book scholars from a range of countries including Australia Lebanon Nepal Qatar South Africa Turkey and the United States illustrate and analyze how literacy practices that are mediated through and influenced by popular culture create both opportunities and tensions for secondary and university students The authors examine issues of theory identity and pedagogy as they address participatory popular culture sites such as fan forums video blogs social networking sites anime memes and comics and graphic novels Uniquely bringing together scholarship about online literacy practices and the growing body of work on participatory popular culture New Media Literacies and Participatory Popular Culture across Borders makes distinctive contributions to an emerging field of study pushing forward scholarship about literacy and identity in cross cultural situations and advancing important conversations about issues of global flows and local responses to popular culture

Reading on the Middle Border Christine Pawley,2010-01-20 Reading is an everyday activity so taken for granted that it seems virtually invisible In spite of its ubiquity in modern life or perhaps because of its familiarity scholars have only recently begun paying attention to its development as a social practice During the nineteenth century an evolving print culture made reading an essential part of Americans daily routines To date the history of American reading practices has tended to focus

on middle class white people living in northeastern cities before 1876 Reading on the Middle Border shifts the focus to the Midwest and broadens the base of economic classes studied Christine Pawley investigates the use of print by ordinary Americans in the small rural community of Osage Iowa the town that shaped Hamlin Garland analyzing primary source material on education religious life a reading club and business affairs A major section of her study focuses on the public library an institution that provides a valuable window into the reading practices of men and women of various ages classes ethnicities and religions An extensive database of library circulation and accessions information combined with federal and state census data sheds light on the elusive issue of Who read what Pawley explores the ways print confirmed or challenged people s economic social and religious world and asks what values print expressed or confronted She also raises questions relating to modes and contexts of reading distinguishing between groups and individuals The picture of print in Osage is complex and defies reduction but by placing print in a community context and viewing printed materials as an expression of activities not mere artifacts Pawley enhances our understanding of the role of reading in American culture
