*Walking in the Prophetic Tradition* Jason A. Bembry, 2018-10-31 Contrary to popular belief the biblical prophets do far more than predict the future They speak truth to power they tell the truth about the uncomfortable past they indict empty religiosity they advocate for poor people and working people while seeking justice all at tremendous risk to themselves In *Walking in the Prophetic Tradition* Jason Bembry argues that the prophets have too often been domesticated by cultural impulses that reduce the prophetic message to prediction about Jesus or the end times This book highlights themes addressed by the Old Testament prophets and connects each theme to modern people who exemplify passion for those same ideals In this sense the prophetic tradition comes to life in the lived testimony of Martin Luther King Jr Dorothy Day Myles Horton Cesar Chavez and Cornel West moderns who stand courageously in this tradition This book is a guide for all who seek a fuller understanding of the Old Testament prophets and who want to continue their work in the present

*Delighting in the Old Testament* Jason DeRouchie, 2025-02-13 Understanding the Old Testament's Purpose in the Christian's Life Today The Old Testament makes up the majority of the Christian Bible yet incorrect teaching of its texts abounds in the church Without effectively studying these stories covenants and kingdoms within their close continuing and complete biblical contexts believers miss the beauty of the Old Testament including how it points to Jesus and why it still matters today Jason DeRouchie helps Christians delight in the books of the Old Testament and read them the way God intended as relevant parts of Christian Scripture This accessible guide stresses the need to keep Christ at the center and to account for the progress of salvation history when applying the Old Testament today It helps Christians interpret the Old Testament see how it testifies to Jesus believe that Jesus secured every divine promise and understand how Jesus makes Moses's law still matter By more strongly comprehending Old Testament teachings and how they relate to the New Christians will better enjoy the Old Testament itself and increasingly understand all that Jesus came to fulfill In *Depth Study* Shows the lasting relevance of Old Testament laws history prophecy and wisdom and gives insight into the authors and audience of Old Testament books A Great Resource for Pastors Students and Small Groups Prepares Christian leaders to faithfully teach the Old Testament and equips all Christians to embrace that the Old Testament is Christian Scripture Accessible Includes numerous case studies Review and Reflection points for every chapter and a glossary of key terms

**Mere Christian Hermeneutics** Kevin J. Vanhoozer, 2024-10-01

Southwestern Journal of Theology 2024 Book of The Year Christianity Today 2024 Theology Book Award The Gospel Coalition 2024 Biblical Studies Book Award Reading the Bible to the glory of God In 1952 C S Lewis s Mere Christianity eloquently defined the essential tenets of the Christian faith With the rise of fractured individualism that continues to split the church this approach is more important now than ever before for biblical hermeneutics Many Christians wonder how to read the text of Scripture well rightly and faithfully After all developing a strong theory of interpretation has always been presented by two enormous challenges A variety of actual interpretations of the Bible even within the context of a single community of believers The plurality of reading cultures denominational disciplinary historical and global interpretive communities each with its own frame of reference In response influential theologian Kevin J Vanhoozer puts forth a mere Christian hermeneutic essential principles for reading the Bible as Scripture everywhere at all times and by all Christians To center his thought Vanhoozer turns to the accounts of Jesus transfiguration a key moment in the broader economy of God s revelation to suggest that spiritual or figural interpretation is not a denial or distortion of the literal sense but rather its glorification Irenic without resorting to bland ecumenical tolerance Mere Christian Hermeneutics is a powerful and convincing call for both church and academy to develop reading cultures that enable and sustain the kind of unity and diversity that a mere Christian hermeneutic should call for and encourage
