

Why is reading at home so important?

Children with access to 25 books at home complete an average of 2 more years of school than children from homes without any books.

Kids 4-5 years old gain 6 months of reading ability by being read to 3 to 5 times per week.

Reading is a critical skill for succeeding in most school subjects.

A child spends 900 hours a year in school and 7800 hours at home.

Research shows that just 20 minutes a day spent reading with a child helps them develop critical reading skills.
