Readings In Classical Political Thought Hackett Publishing Co

Julian Baggini

Readings In Classical Political Thought Hackett Publishing Co:

Readings in Classical Political Thought Peter J. Steinberger, 2000-01-01 Designed to include all of the texts from Presocratics through Machiavelli likely to be read in an undergraduate course on classical political thought this anthology has at its core generous selections from Plato and Aristotle Building on this core is a sufficiently diverse and substantial selection of texts from other writers including Thucydides and the Sophists to allow for inquiry into the variety of Classical Greek approaches to politics as well as into Roman Medieval and Renaissance developments of the classical tradition Preeminent translations and the editor's own thoughtful introductions further distinguish this unique anthology

Poverty, Justice, and Western Political Thought Sharon K. Vaughan, 2008-01-01 The number of people who live in poverty has always far exceeded the number who do not The normative question of how governments ought to treat the poor goes to the heart of the idea of justice and thus it is an essential element of political theory Yet there has been no formal study of the treatment of poverty in Western political thought The chapters of *Poverty Justice and Western Political Thought* include an analysis of the main arguments of Plato Aristotle Locke Rousseau Smith Mill Tocqueville Hegel Marx Rawls and Nozick about the causes effects and solutions to the problem of poverty and how their treatments of poverty relate to the idea of a just society This book asks What is the relationship between poverty and justice in the state If we are to understand the relationship between the poor and the idea of a just state in the tradition of Western political thought then we must be able to recognize how these theorists' definitions assumptions and conclusions about poverty contribute to or detract from the idea of justice At the core of this work is the claim that the demands of justice necessarily require that the political theorist engage with the problem of poverty with the goal being to suggest some thoughtful and reasonable approaches to the problem *Poverty Justice and Western Political Thought* demonstrates that historical analysis and reconstruction of the treatment of poverty is critical because we are part of a historical community Rather than being artifacts of scholarship philosophical debates and ideas that are hundreds and thousands of years old continue to be relevant today because they are part of the foundation for society's beliefs about who the poor are why they are poor and what responsibility if any society has to them This book will benefit political theorists and philosophers interested in the history of political thought poverty or distributive justice as well as non-theorists Book jacket

Teaching Political Theory Tampio, Nicholas, 2022-09-15 Political theory deals with profound questions about human nature political principles and the limits of knowledge In *Teaching Political Theory* Nicholas Tampio shows how political theorists may take a pluralistic approach to help students investigate the deepest levels of political life

Political Thinking, Political Theory, and Civil Society Steven M. DeLue, Timothy M. Dale, 2021-04-28 This new edition of *Political Thinking Political Theory and Civil Society* presents a comprehensive overview of the Western tradition of political thought that approaches concepts with the aim of helping readers develop their own political thinking and critical thinking skills This text is uniquely organized around the theme of civil society What is the nature of a civil society Why is it

important that will engage students and help make the material relevant Major thinkers discussed in the text are explored not only with the goal of understanding their views but also with an interest in understanding the relationship of their ideas to the notion of a civil society New to this edition Visual aids and pedagogy New chapter on black political theory and civil society including a discussion of protest and BlackLivesMatter in political theory Expanded discussions of feminism and the LGBTQ movement as well as an additional discussion of the MeToo movement from the perspective of its theoretical foundation and its implications for feminist theory Revised chapter on multiculturalism including an expanded discussion of religion neoliberalism globalization and global environmental issues This authoritative text written by two leading theorists and experienced lecturers is essential reading for all students of political theory and philosophy Deparochializing Political Theory Melissa S. Williams, 2020-04-02 In a world no longer centered on the West what should political theory become Although Western intellectual traditions continue to dominate academic journals and course syllabi in political theory up and coming contributions of comparative political theory are rapidly transforming the field Deparochializing Political Theory creates a space for conversation amongst leading scholars who differ widely in their approaches to political theory These scholars converge on the belief that we bear a collective responsibility to engage and support the transformation of political theory In these exchanges deparochializing political theory emerges as an intellectual educational and political practice that cuts across methodological approaches Because it is also an intergenerational project this book presses us to re imagine our teaching and curriculum design Bearing the marks of its beginnings in East Asia Deparochializing Political Theory seeks to de center Western thought and explore the evolving tasks of political theory in an age of global modernity **The Social Contract in the Ruins** Paul R. DeHart, 2024-07-08 Most scholars who write on social contract and classical natural law perceive an irreconcilable tension between them Social contract theory is widely considered the political theoretic concomitant of modern philosophy Against the regnant view The Social Contract in the Ruins argues that all attempts to ground political authority and obligation in agreement alone are logically self defeating Political authority and obligation require an antecedent moral ground But this moral ground cannot be constructed by human agreement or created by sheer will human or divine All accounts of morality as constructed or made collapse into self referential incoherence Only an uncreated real good can coherently ground political authority and obligation or the proposition that rightful government depends on the consent of the governed Government by consent requires classical natural law for its very coherence Readings in Chinese Women's Philosophical and Feminist Thought Ann A. Pang-White, 2022-12-01 Readings in Chinese Women's Philosophical and Feminist Thought gathers 40 original writings on women by 32 authors many of whom are women from the Yuan dynasty to the Republics an important 700 year historical period during which women's learning in China blossomed as a result of economic prosperity the development of commercial printing and the interaction between East and West Selections are made not only from canonical texts on women's virtues but also from less orthodox literary

works such as plays poetry novels essays and revolutionary writings that illuminate the lived experience of women and the perception of gender With many texts translated into English for the first time this reader provides the context needed to understand them It features Chronologically organized readings in the sequence of the Yuan Ming Qing dynasties and the Republics to demonstrate historical progression of thought or the lack of Introductions to each section and chapter covering essential information about the authors and the cultural historical and philosophical background to their work A chronology of dynasties Republics key events and a map Recovering discourse so often neglected in discussion of Chinese thought this is the first collection to pay special attention to women authored works from the late 13th to the early 21st century By bringing these readings together in a single volume it juxtaposes and compares female and male perspectives from the same time and creates a new narrative of Chinese philosophical thought

Classical Readings on Culture and Civilization Stephen Mennell, 2017-10-03 In recent times especially under the influence of postmodernism culture has often been construed as a critique of modernity This wide ranging and comprehensive collection of readings shows that such issues have always been at the centre of thought about the relationship between culture and civilization The readings are divided into three sections linking the civilization debate to political theory to the cultural debate and to the sociology and anthropology The substantial extracts included give students a rare chance to engage at length with classic texts to appreciate the nature of the battle between the Enlightenment and its critics which has shaped current thought Classical Readings on Culture and Civilisation presents essays from Immanuel Kant Adam Ferguson Thomas Jefferson Alexis de Tocqueville Friedrich von Schiller Friedrich Nietzsche Georg Simmel Thomas Mann Sigmund Freud Emile Durkheim Marcel Mauss Lucien Febvre Alfred Weber Robert E Park and Norbert Elias

A Sourcebook in Classical Confucian Philosophy Roger T. Ames, 2023-09-01 Roger T Ames's *A Sourcebook in Classical Confucian Philosophy* is a companion volume to his *Conceptual Lexicon for Classical Confucian Philosophy* It includes texts in the original classical Chinese along with their translations allowing experts and novices alike to make whatever comparisons they choose In applying a method of comparative cultural hermeneutics Ames has tried to let the tradition speak on its own terms The goal is to encourage readers to move between the translated text and commentary the philosophical introduction that attempts to sensitize them to the interpretative context and the companion Lexicon of key philosophical terms with the expectation that in the fullness of time they will be able to appropriate the original Chinese terminologies themselves Armed with their own increasingly robust insight into these philosophical terms readers will be able to carry this nuanced understanding over into their critical reading of other available translations Ultimately for students who would understand Chinese philosophy tian must be understood as tian and dao must be dao

Dialogues with Classical Chinese Philosophy Aleksandar Stamatov, 2025-06-30 This book examines the ways in which classical Chinese philosophy compares with Western philosophy contemporary issues and the context of world philosophy Schools of thought essential to the development of Chinese philosophy such as Confucianism Daoism Legalism and the School of Names

are considered in their relation to contemporary and popular culture ethical situationism and social psychology Plato's philosophy social media and internet addiction algorithmic thinking Machiavelli and political realism the contemporary workforce and categorical logic By engaging Chinese philosophy in dialogue with these contemporary themes this book illustrates how Chinese philosophy can contribute to the development of world philosophy Presenting a novel approach to the study of pre Qin philosophical texts this book will be a valuable resource to scholars and students of philosophy particularly those interested in Chinese philosophy

Political Theology in Chinese Society Joshua Mauldin, 2024-06-03 This book provides an itinerary for studying political theology in Chinese society including mainland China Hong Kong and Taiwan It explores the changing role of religion in Chinese history from the rise of Buddhism alongside Confucianism and Daoism through the arrival of Christianity and Islam to the suppression of religion under communism Since the reform and opening period beginning in 1978 China has experienced a resurgence of religiosity with powerful societal implications Governing authorities have sought to regulate religious practice in line with their governing system Political theology in Chinese society is very much in flux and the chapters in this volume provide an array of windows through which to view the evolving reality They include historical approaches and descriptive analyses with an interdisciplinary and international range of perspectives by contributors based in and outside China The book will be of particular interest to scholars of theology religious studies and contemporary China studies

Berkshire Dictionary of Chinese Biography Kerry Brown, 2017-12-27 The Berkshire Dictionary of Chinese Biography the first publication of its kind since 1898 is the work of more than one hundred internationally recognized experts from nearly a dozen countries It has been designed to satisfy the growing thirst of students researchers professionals and general readers for knowledge about China It makes the entire span of Chinese history manageable by introducing the reader to emperors politicians poets writers artists scientists explorers and philosophers who have shaped and transformed China over the course of five thousand years In 135 entries ranging from 1 000 to 8 000 words and written by some of the world's leading China scholars the Berkshire Dictionary of Chinese Biography takes the reader from the important even if possibly mythological figures of ancient China to Communist leaders Mao Zedong and Deng Xiaoping The in depth essays provide rich historical context and create a compelling narrative that weaves abstract concepts and disparate events into a coherent story Cross references between the articles show the connections between times places movements events and individuals

A Conceptual Lexicon for Classical Confucian Philosophy Roger T. Ames, 2022-10-01 Over the years Roger T Ames and his collaborators have consistently argued for a processual understanding of Chinese natural cosmology made explicit in the Book of Changes It is this way of thinking captured in its own interpretive context with the expression continuities in change biantong that has shaped the grammar of the Chinese language and informs the key philosophical vocabulary of Confucian philosophy Over the past several centuries of cultural encounter the formula established by the early missionaries for the translation of classical Chinese texts into Western

languages has resulted in a Christian conversion of Confucian texts that is still very much with us today And more recently the invention of a new Chinese language to synchronize East Asian cultures with Western modernity has become another obstacle in our reading of the Confucian canons This volume a companion volume to A Sourcebook in Classical Confucian Philosophy employs a comparative hermeneutical method in an attempt to explain the Confucian terms of art and to take the Confucian tradition on its own terms

Classical and Contemporary Sociological Theory Scott Appelrouth, Laura Desfor Edles, 2020-08-13 Classical and Contemporary Sociological Theory Text and Readings provides students with the best of both worlds carefully edited excerpts from the original works of sociology's key thinkers accompanied by an analytical framework that discusses the lives, ideas and historical circumstances of each theorist This unique format enables students to examine, compare and contrast each theorist's major themes and concepts

The Philosophical Review, 2000

China: A History (Volume 1) Harold M. Tanner, 2010-03-15 Available in one or two volumes this accessible yet rigorous introduction to the political, social and cultural history of China provides a balanced and thoughtful account of the development of Chinese civilization from its beginnings to the present day Each volume includes ample illustrations, a full complement of maps, a chronological table, extensive notes, recommendations for further reading and an index Volume 1 From Neolithic Cultures through the Great Qing Empire 10 000 BCE 1799 Volume 2 From the Great Qing Empire through the People's Republic of China 1644 2009

Justice, Politics, and the Family Daniel Engster, Tamara Metz, 2015-11-17 At a time when same sex marriage, gay adoption and the rise of single parent households challenge traditional views of the family, this innovative volume helps readers put such issues into social and legal perspective Engster and Metz bring together essential readings in political and legal theory and organise them to illuminate pressing contemporary debates on the family, gender and justice, parents and children, the state and globalisation Justice, Politics and the Family is an engaging and a diverse addition to the area of critical legal theory and sociology

The Edge of Reason Julian Baggini, 2016-09-22 An urgent defense of reason, the essential method for resolving or even discussing divisive issues A timely masterpiece Patricia S Churchland, author of Touching a Nerve Reason long held as the highest human achievement is under siege According to Aristotle the capacity for reason sets us apart from other animals yet today it has ceased to be a universally admired faculty Rationality and reason have become political, disputed concepts subject to easy dismissal Julian Baggini argues eloquently that we must recover our reason and reassess its proper place, neither too highly exalted nor completely maligned Rationality does not require a cold, sterile worldview it simply involves the application of critical thinking wherever thinking is needed Addressing such major areas of debate as religion, science, politics, psychology and economics the author calls for commitment to the notion of a community of reason where disagreements are settled by debate and discussion, not brute force or political power Baggini's insightful book celebrates the power of reason, our best hope, indeed our only hope for dealing with the intractable quagmires of our time The toxic gloating of gut feelings, hateful politics and heart over head attacks on good sense urgently need an

antidote Baggini has risen to the occasion compelling Patricia S Churchland author of Conscience The Origins of Moral Intuition Research Handbook on the History of Political Thought Cary J. Nederman,Guillaume Bogiaris,2024-06-05 This insightful Handbook reviews the key frameworks guiding political scientists and historians of political thought Comprehensive in scope it covers historical methodology traditions epochs and classic authors and texts spanning from ancient Greece until the nineteenth century **China's Environmental Crisis** J. Kassiola,2010-11-08 This path breaking collection covers the significance of China s extreme environmental challenges for both Chinese society and the world how these challenges are impacting domestic Chinese society and its political institutions and how these institutions are responding in their efforts to address the environmental problems

Readings In Classical Political Thought Hackett Publishing Co Introduction

In the digital age, access to information has become easier than ever before. The ability to download Readings In Classical Political Thought Hackett Publishing Co has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Readings In Classical Political Thought Hackett Publishing Co has opened up a world of possibilities. Downloading Readings In Classical Political Thought Hackett Publishing Co provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Readings In Classical Political Thought Hackett Publishing Co has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Readings In Classical Political Thought Hackett Publishing Co. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Readings In Classical Political Thought Hackett Publishing Co. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the

efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Readings In Classical Political Thought Hackett Publishing Co, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Readings In Classical Political Thought Hackett Publishing Co has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Readings In Classical Political Thought Hackett Publishing Co Books

1. Where can I buy Readings In Classical Political Thought Hackett Publishing Co books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
