Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1979 Ethnicity, Identity, and History Joseph B. Maier, 2017-09-08 In a wide ranging analysis of the drama of history the importance of ethnicity and Jewish identity these essays explore areas of political and cultural disciplines fused with elegance in the work of the late eminent sociologist Werner J Cahnman The prominence of the American and European historians philosophers geographers sociologists and anthropologists in this volume represents evidence of the wide effect that Cahnman's work had on scholars in a number of fields in academic work This volume will make timely and rewarding reading for social scientists and historians especially those concerned with the religious factor Contributors Joseph B Maier Chaim I Waxman Louis Dumont Karl Bosl K M Bolte Edmund Leites Lewis S Feuer Lester Singer Harriet D Lyons Andrew P Lyons Alvin Boskoff Nathan Glazer Irving Louis Horowitz Herbert A Strauss William Spinrad Calvin Goldscheider Saul B Cohen and Emmanuel Maier Irving Louis Horowitz, 1984 Leading sociologist Irving Louis Horowitz examines the response social science has made to contemporary subjects and issues the so called new class of the intelligentsia the ecology movement social planning alienation privatization anomie the threat of nuclear war Horowitz evaluates as a social scientist the question of values those disclosed through analysis and those threatened by it and discusses the overall political and moral impact of knowledge and Empowering Children R. Brian Howe, Katherine Covell, 2007-06-09 Approved by the methodology in social science General Assembly of the United Nations in 1989 the United Nations Convention on the Rights of the Child affirms that children in all countries have fundamental rights including rights to education To date 192 states are signatories to or have in some form ratified the accord Children are still imperilled in many countries however and are often not made aware of their quaranteed rights In Empowering Children R Brian Howe and Katherine Covell assert that educating children about their basic rights is a necessary means not only of fulfilling a country's legal obligations but also of advancing education about democratic principles and the practice of citizenship The authors contend that children's rights education empowers children as persons and as rights respecting citizens in democratic societies Such education has a contagion effect that brings about a general social knowledge on human rights and social responsibility Although there remain obstacles to the implementation of children's rights in many countries Howe and Covell argue that reforming schools and enhancing teacher education are absolutely essential to the creation of a new culture of respect toward children as citizens Their thorough and passionate work marks a significant advance in the field **Comprehensive Handbook of Personality and** Psychopathology, Personality and Everyday Functioning Jay C. Thomas, Daniel L. Segal, 2006-01-03 Personality and Everyday Functioning covers the foundations of personality theory and the impact of personality on normal functioning Leading personality researchers present chapters on major theories of personality such as psychoanalytic developmental behavioral and constructivist to name a few **Human Development and Faith (Second Edition)** Felicity B.

Kelcourse, 2015-07-28 This book now in its second edition brings together the best available understandings of human development from a multidisciplinary perspective Uniquely inclusive of the moral and faith dimensions of context and life cycle development Human Development and Faith examines the interplay of mind body family community and soul at every stage of development It addresses two central questions What are the good enough conditions of parenting family and community in each phase of life from birth to death which support growth and development What gives life adequate meaning as development proceeds If human development describes the normative and hoped for passages of life then faith provides the necessary component of meaning Throughout the various perspectives offered in this volume is the premise that faith is that quality of living that makes it possible to fully live The Journal of Pastoral Theology called the first edition of Human Development and Faith an excellent text for pastoral theology courses because it fulfills its ambitious goal of bringing a holistic faith perspective to the usual topics of development This second edition includes a new chapter on infancy updates reflecting our growing awareness of cultural diversity and a new preface National Library of Medicine Current Catalog National Library of Medicine (U.S.),1971 Adult Personality Development Lawrence S. Wrightsman, 1994-03-15 This stimulating book and its companion volume Adult Personality Development Theories and Concepts reflect an expansion of the coverage of Wrightsman's initial book Personality Development in Adulthood The luxury of greater length has permitted an exploration of new topics including the use of a wider variety of sources including scholarly articles and books biographies and case studies Increased attention is devoted to creativity in adulthood to learning and memory to marriage stability and other topics The book provides a focus for a Psychology of Adulthood course that encourages students to look at the evolving nature of their own lives Particular attention is given to developing an extensive set of references over 700 in this volume as an aid to scholars Publisher description **Becoming A Family** Rena D. Harold, Patricia Stow Bolea, Lisa G. Colarossi, Lucy R. Mercier, Carol R. Freedman-Doan, 2014-04-08 The movement from young adulthood through coupling and the transition to parenthood may be among the most universal adult developmental transitions. These passages hold interest for all of us but especially for those who study the psychological familial and sociocultural components of development all of which interact and influence each other This book enhances understanding of family life development by shedding light on the meanings that family members ascribe to the developmental process of becoming a family This is achieved through qualitative analysis of narratives through which individuals and families explain themselves their thinking and their behavior These family narratives are windows into individual and family identity as well as descriptions of connections to others The book addresses issues including identity child characteristics social support and work Each chapter includes a review of seminal literature parents comments and ideas about the topic and a discussion of practice policy and research implications Coming of Age in Times of Uncertainty Harry Blatterer, 2009-07 Adulthood is taken for granted It connotes the end of childhood the resolution to the storm and stress period of adolescence This conception is strongly entrenched in the sociology of youth and

the sociology of the life course as well as in the policy arena At the same time adulthood itself remains unarticulated journey s end remains conceptually fixed and theoretically uncontested Adulthood then is both central to the social imagination and neglected as an area of sociological investigation something that has been noted by sociologists over the last four decades Going beyond the overwhelmingly psychological literature this book draws on original qualitative research and theories of social recognition and thus presents a first step towards filling an important gap in our understanding of the meaning of **300 Ways to Make the Best Christmas Ever!** Mimi Tribble, 2004 Stories to inspire crafts to decorate the home gingerbread houses of all sorts to bake and drinks to bring cheer to all who come by these are just some of the ways to make Christmas very very merry and more than 500 of them are beautifully collected right here How will you celebrate Perhaps the traditional American style seems most appealing then make a Tole Painted Nativity whip up some delicious Hot Buttered Rum and read The Night Before Christmas aloud For a classic Victorian holiday sing Deck the Halls place a charming Violin and Cherub wreath on the door and sip some mulled wine Or choose the Country Southwestern a little salsa verde anyone International or fun filled Not Quite Grown Up style Clinical Gerontology T.L. Brink, 2014-04-04 Here is a major text in psychogeriatrics for all professionals in the field of aging and mental health Leading authorities provide valuable insights into assessment and intervention techniques for use with the mentally impaired elderly Topics include a depression scale for use in later life family therapy in later life and various issues concerning mental health care for Adult Life Judith Stevens-Long, Michael L. Commons, 1992 This comprehensive introduction to adult the aged development and aging offers balanced treatment of the early middle and late adult development stages Current Cataloa National Library of Medicine (U.S.), 1982 First multi year cumulation covers six years 1965 70 The Social Psychology of Stigma Todd F. Heatherton, 2003-07-16 The volume demonstrates that stigma is a normal albeit undesirable consequence of people s limited cognitive resources and of the social information and experiences to which they are exposed Incorporated are the perspectives of both the perceiver and the target the relevance of personal and collective identities and the interplay of affective cognitive and behavioral processes Particular attention is given to how stigmatized persons make meaning of their predicaments such as by forming alternative positive group identities **Comprehensive Handbook of Psychopathology** Henry E. Adams, 2013-12-18 The major purpose of this handbook is to provide a comprehensive review of current clinical descriptions research and theories of psychopathology Descrip tive psychopathology is a field that is the foundation of clinical practice and re search in clinical psychology psychiatry psychiatric social work psychiatric nursing and allied professions in mental health Psychopathology is often per ceived as a stepchild of the more glamorous areas of diagnosis or assessment and therapy or behavioral change Nevertheless it is doubtful that any meaningful advancements in these areas will occur until there is a thorough understanding of the behavioral disorders. The purpose of the present project was to devise a handbook that covered both general and specific topics in psychopathology and that would be useful to re

searchers practitioners and graduate or other advanced students in the mental health professions In order to implement this plan we selected very carefully colleagues whom we respect for their expertise in particular fields These include both clinicians and researchers with outstanding national reputations as well as more junior behavioral scientists and clinicians who in our opinion will achieve similar recognition in the future The chapters in this book lead us to believe that we have chosen wisely We would like to express our appreciation to these authors for their outstanding contributions and cooperation

Moral Development and Politics Richard W. Wilson, Gordon J. Schochet, 1980 <u>Unmasking Masculinity (Routledge Revivals)</u> David Jackson, 2015-08-11 In this detailed investigation of masculine gendered identity first published in 1990 David Jackson uses his own personal history to look at the specific ways in which men become masculine In doing so he examines but also offers some positive challenges to the assumed qualities and values of growing up manly Jackson looks closely at the psychological and social forces active in his own development relations with his father violence at school male banter and joking sporting activities boys comics and sexual relations The title is a deliberate blend between life story and critical commentary that makes use of some areas of post structuralist theory to make visible the social and emotional processes that contribute to one man s life history With an innovative theoretical approach this reissue will be of particular value to those interested in the social psychological and cultural forces that have gone into the historical shaping of men and masculinities
