Readings in Precolonial Central Africa Théophile Obenga, 1995 Central Africa in the Caribbean Maureen Warner Lewis, Maureen Warner-Lewis, 2003 Maureen Warner Lewis's pioneering study analyses some of the main lineaments of the Central African cultural legacy in the Caribbean with fascinating transatlantic comparative data. She identifies Central African cultural forms in areas settled by the Kongo Mbundu and Ovimbundu, the two present-day Congos and Angola, and illuminates Caribbean thought and customs through comparison with those cultures. Encyclopedia of Historians and Historical Writing Kelly Boyd, 2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama. Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day, including individuals from related disciplines like Jürgen Habermas and Clifford Geertz, whose theoretical contributions have informed historical debate. Additionally, the Encyclopedia includes some 200 essays treating the development of national, regional, and topical historiographies from the Ancient Near East to the history of sexuality. In addition to the Western tradition, it includes substantial assessments of African, Asian, and Latin American historians and debates on gender and subaltern studies

Words and Songs of Bessie Smith, Billie Holiday, and Nina Simone Melanie E. Bratcher, 2007-11-21 This book explores the relationship between three African American women's dance art music sensibilities within the context of a Pan African aesthetic. Its purpose is threefold: to show commonalities between Bessie Smith, Billie Holiday, and Nina Simone's lives and original compositions; to codify, examine, and evaluate their selected song performances in accordance with the Pan African aesthetic; and to illuminate the vast sources of transformational values that aesthetic analysis of African American song performance can foster. Following concordant procedures and principles of Afrocentricity, the study focuses on Smith, Holiday, and Simone's performances as part of a whole African artistic and cultural value system. The goal of the Afrocentric methodological structure is to locate relevant African dynamics in songs and to promote knowledge for cultural transformation and continuity. Its use in this study provides meta criteria for analyzing African American music, which the author has used to uniquely argue connections between African cultural memory and African-derived cultural expression

Encyclopedia of Blacks in European History and Culture Eric Martone, 2008-12-08 Blacks have played a significant part in European civilization since ancient times. This encyclopedia illuminates blacks in European history, literature, and popular culture. It emphasizes the considerable scope of black influence in and contributions to European culture. The first blacks arrived in Europe as slaves and later as laborers and soldiers, and black immigrants today, along with others, are transforming Europe into multicultural states. This indispensable set expands our knowledge of blacks in Western civilization. More than 350 essay entries introduce students and other readers to the white European response to blacks in their countries, the black experiences and impact there, and the major interactions.

between Europe and Africa the Caribbean and the United States that resulted in the settling of blacks in Europe The range of information presented is impressive with entries on noted European political literary and cultural figures of black descent from ancient times to the present major literary works that had a substantial impact on European perceptions of blacks black holidays and festivals the struggle for civil equality for blacks the role and influence of blacks in contemporary European popular culture black immigration to Europe black European identity and much more Offered as well are entries on organizations that contributed to the development of black political and social rights in Europe representations of blacks in European art and cultural symbols and European intellectual and scientific theories on blacks Individual entries on Britain Spain Portugal France Italy Germany the Netherlands Russia Central Europe Scandinavia and Eastern Europe include historical overviews of the presence and contributions of blacks and discussion of country s role in the African slave trade and abolition and its colonies in Africa and the Caribbean Suggestions for further reading accompany each entry A chronology resource guide and photos complement the text

[Afrikology, Philosophy and Wholeness. An Epistemology](#) W. Nabudere,2011-04-11 How do we understand and create knowledge Does scientific knowledge cover all knowledge Afrikology tries to answer these questions by tracing the issue of epistemology to the Cradle of Humanity in Africa and through such a reflection the Monograph establishes a basis for holistic and integrated ways of knowledge production that makes it possible to interface scientific knowledge with other forms of knowledge In this way Afrikology responds to the crisis created by the fragmentation of knowledge through existing academic disciplines Afrikology therefore advances transdisciplinarity and hermeneutics to a level where they attain a coherent basis for interacting with Afrikology as an epistemology which returns

wholeness to understanding and knowledge production African American Studies Jeanette R Davidson, 2010-10-19 This book presents the diverse expansive nature of African American Studies and its characteristic interdisciplinarity It is intended for use with undergraduate beginning graduate students in African American Studies American Studies and Ethnic Studie **Readings in Sexualities from Africa** Rachel Spronk, Thomas Hendriks, 2020-02-04 Images and stories about African sexuality abound in today's globalized media Frequently old stereotypes and popular opinion inform these stories and sex in the media is predominately approached as a problem in need of solutions and intervention The authors gathered here refuse an easy characterization of African sexuality and instead seek to understand the various erotic realities sexual practices and gendered changes taking place across the continent They present a nuanced and comprehensive overview of the field of sex and sexuality in Africa to serve as a guide though the quickly expanding literature This collection offers a set of texts that use sexuality as a prism for studying how communities coalesce against the canvas of larger political and economic contexts and how personal lives evolve therein Scholars working in Africa the U S and Europe reflect on issues of representation health and bio politics same sex relationships and identity transactional economies of sex religion and tradition and the importance of pleasure and agency This multidimensional reader provides a comprehensive view of sexuality from an African perspective **Readings in Gender in Africa** Andrea Cornwall, International African Institute, 2005-02-14 *Readings in Gender in Africa* collects the most important critical and theoretical writings on how gender issues have transformed contemporary views of Africa Scholarship from North America Europe and Africa is represented in this comprehensive volume A synthetic introduction by Andrea Cornwall discusses efforts to include women in research about Africa The volume not only shows how gender relations have been constructed on the African continent but reflects the changes in approach and inquiry that have been brought about as scholars consider gender identities and difference in their work Specific themes covered here include the contestation and representation of gender femininity and masculinity livelihoods and lifeways gender and religion gender and culture and gender and governance Readers from across the landscape of African studies will find this an essential sourcebook Published in association with the International African Institute London *Readings in African Popular Culture* Karin Barber, 1997 This is an extraordinarily rich collection full of informative detail and excellent interpretative analysis There is not a single piece that fails to fascinate Leeds African Studies Bulletin an impressive collection of inspiring and thought provoking essays Media Development This is a book that should find its way into many syllabuses and onto the bookshelves of Africanist scholars in many disciplines Its publication marks a key turning point in scholarship on the cultures of contemporary Africa Africa Today This book surveys the popular culture of contemporary Africa including popular literature oral narrative and poetry dance drama music and visual art with special emphasis on the verbal arts The essays cover six main areas views of the field oral tradition revisited social history social criticism and interpretation women in popular culture little genres of everyday life the local and the global A Current
