Rhetoric for Radicals Jason Del Gandio, 2008-11-01 Rhetoric for Radicals is intended for college aged activists and organizers and for the most part it's written in a relaxed approachable style. It does get a bit cerebral and academic in places in demonstrating how the book builds on the previous literature but this material is kept to a minimum On the whole Rhetoric for Radicals is an invaluable comprehensive how to book that will greatly benefit beginning and seasoned rhetors alike Rhetoric for Radicals concludes on a hopeful note with the wish that its activist readership will internalize the book s rhetorical tools and tactics and will be that much better equipped to become the rhetors of the past who created the future And indeed there can be but little doubt tht this thorough well organized accessible and even personal little handbook is the best instrument imaginable for fulfilling this purpose Frank Kaminski EnergyBulletin net Radicals have important messages to deliver but they are often so caught up in the passion of their causes that they lose sight of effective communication which is their most powerful tool The ability to speak with clarity and intelligence without underestimating the challenge of breaking new ground and winning new converts is crucial Activists often suffer from a credibility gap because of their lack of a coherent message and strategic delivery Rhetoric for Radicals addresses and helps solve these problems It provides the tools to develop the all important communication skills necessary to be effectively heard If you accept that communication creates the social world then you will agree that changing the way we communicate can change the world Rhetoric for Radicals provides practical guidelines for public speaking writing conversation persuasion political correctness propaganda analysis street theatrics and new languages Chapters include Streets Rhetoric and Revolution A Call for Rhetorical Action

Skills for the Multitude The Power of Language Body Rhetoric Twenty First Century Radical Rhetoric Geared to college aged radical activists and organizers this book will also appeal to activists of any age who want to sharpen their message Jason Del Gandio is a lecturer at Temple University in Philadelphia He is a post Seattle activist who has worked on globalization and free fair trade issues anti war campaigns and Latin American solidarity The Resisting Muse: Popular Music and **Social Protest** Ian Peddie, 2017-09-29 Popular music has traditionally served as a rallying point for voices of opposition across a huge variety of genres This volume examines the various ways popular music has been deployed as anti establishment and how such opposition both influences and responds to the music produced Implicit in the notion of resistance is a broad adversarial hegemony against which opposition is measured But it would be wrong to regard the music of popular protest as a kind of dialogue in league against the establishment Convenient though they are such us and them arguments bespeak a rather shop worn stance redolent of youthful rebellion It is much more fruitful to perceive the relationship as a complex dialectic where musical protest is as fluid as the audiences to which it appeals and the hegemonic structures it opposes The book s contemporary focus largely post 1975 allows for comprehensive coverage of extremely diverse forms of popular music in relation to the creation of communities of protest Because such communities are fragmented and diverse the shared experience and identity popular music purports is dependent upon an audience collectivity that is now difficult to presume In this respect The Resisting Muse examines how the forms and aims of social protest music are contingent upon the audience's ability to invest the music with the appropriate political meaning Amongst a plethora of artists genres and themes highlights include discussions of Aboriginal rights and music Bauhaus Black Sabbath Billy Bragg Bono Cassette culture The Capitol Steps Class The Cure DJ Spooky Drum and Bass Eminem Farm Aid Foxy Brown Folk Goldie Gothicism Woody Guthrie Heavy Metal Hip hop Independent home publishing Iron Maiden Joy Division Jungle Led Zeppelin Lil Kim Live Aid Marilyn Manson Bob Marley MC Eiht Minor Threat Motown Queen Latifah Race Rap Rastafarianism Reggae The Roots Diana Ross Rush Salt n Pepa 7 Seconds Roxanne Shant Siouxsie and the Banshees The Sisters of Mercy Michelle Shocked Bessie Smith Straight edge Sunrize Band Bunny Wailer Wilco Bart Willoughby Wirrinyga **Band Zines** The Rhetoric of Agitation and Control John W. Bowers, Donovan J. Ochs, Richard J. Jensen, David P. Schulz, 2009-06-30 This compelling text is a careful examination of the rhetoric of dissent The Rhetoric of Agitation and Control provides a framework for the study of agitation and responses to that agitation The third edition offers a profile of past and current movements such as the street theatre of Chicago in 1968 and the innovative and technological rhetorical techniques found in the Battle in Seattle The modus operandi of todays protests continues to evolve from that of the 1960s and 1970s As smartphones and the Internet replace tie dyed shirts and flower power contemporary students and scholars alike will find this edition of The Rhetoric of Agitation and Control to be a helpful tool in studying the progression of social and protest movements Social Movement Literature Stephen Schneider, 2024-02-28 Social Movement Literature

introduces readers to the study of those cultural texts that have come to define modern social movements Looking at movements such as the US civil rights movement gay liberation movement environmental movement and contemporary movement such as metoo and Black Lives Matter this volume focuses not just on the texts that social movements have produced but also on those that have inspired and been inspired by those movements As such Social Movement Literature seeks to address a number of key questions how do social movements develop and present not just their goals but also their broader identities using texts and other media How are these movement texts received and further disseminated Are there common features across movement texts How and why do some of these texts continue to resonate today By combining both textual and historical approaches to the analysis of social movements this volume aims to give readers both an understanding of how social movements emerge and why they remain both political and culturally relevant today Joshua Frye, Michael Bruner, 2012-10-02 This book focuses on the rhetoric of food and the power dimensions that intersect this most fundamental but increasingly popular area of ideology and practice including politics culture lifestyle identity advertising environment and economy The essays visit a rich variety of dominant discourses and material practices through a range of media channels and settings including the White House social movement rhetoric televisual programming urban gardens farmers markets domestic and international agriculture institutions and popular culture Rhetoricians address the cultural political and ecological motives and consequences of humans strategic symbolizing and attendant choice making visiting discourses and practices that have impact on our species in their producing distributing regulating marketing packaging consuming and talking about food The essays in this book are representative of dominant and marginal discourses as well as perennial issues surrounding the rhetoric of food and include macro meso and micro level analyses and case studies from international neoliberal trade policies to media and social movement discourse to small group and interactional dynamics This volume provides an excellent range and critical illumination of rhetoric s role as both instrumental and constitutive force in food representations and its symbolic and material effects **Social Controversy and Public Address** in the 1960s and Early 1970s Richard J. Jensen, 2017-10-01 The period between the 1960s and 1970s is easily one of the most controversial in American history Examining the liberal movements of the era as well as those that opposed them this volume offers analyses of the rhetoric of leaders including those of the civil rights movement the Chicano movement the gay rights movement second wave feminism and conservative resistance groups It also features an introduction that summarizes much of the significant research done by communication scholars on dissent in the 1960s and 1970s This time period is still a fertile area of study and this book provides insights into the era that are both provocative and illuminating making it an essential read for anyone looking to learn more about this time in America **Engaged Resistance** Dean Rader, 2011-04-01 From Sherman Alexie's films to the poetry and fiction of Louise Erdrich and Leslie Marmon Silko to the paintings of Jaune Quick To See Smith and the sculpture of Edgar Heap of Birds Native American movies literature and art have become

increasingly influential garnering critical praise and enjoying mainstream popularity Recognizing that the time has come for a critical assessment of this exceptional artistic output and its significance to American Indian and American issues Dean Rader offers the first interdisciplinary examination of how American Indian artists filmmakers and writers tell their own stories Beginning with rarely seen photographs documents and paintings from the Alcatraz Occupation in 1969 and closing with an innovative reading of the National Museum of the American Indian Rader initiates a conversation about how Native Americans have turned to artistic expression as a means of articulating cultural sovereignty autonomy and survival Focusing on figures such as author director Sherman Alexie Flight Face and Smoke Signals artist Jaune Quick To See Smith director Chris Evre Skins author Louise Erdrich Jacklight The Last Report on the Miracles at Little No Horse sculptor Edgar Heap of Birds novelist Leslie Marmon Silko sculptor Allen Houser filmmaker and actress Valerie Red Horse and other writers including Joy Harjo LeAnne Howe and David Treuer Rader shows how these artists use aesthetic expression as a means of both engagement with and resistance to the dominant U S culture Raising a constellation of new questions about Native cultural production Rader greatly increases our understanding of what aesthetic modes of resistance can accomplish that legal or political actions cannot as well as why Native peoples are turning to creative forms of resistance to assert deeply The SAGE Handbook of Rhetorical Studies Andrea A. Lunsford, Kirt H. Wilson, Rosa A. Eberly, 2008-10-29 The SAGE Handbook of Rhetorical Studies surveys the latest advances in rhetorical scholarship synthesizing theories and practices across major areas of study in the field and pointing the way for future studies Edited by Andrea A Lunsford and Associate Editors Kirt H Wilson and Rosa A Eberly the Handbook aims to introduce a new generation of students to rhetorical study and provide a deeply informed and ready resource for scholars currently working in the field

Social Movement to Address Climate Change Danielle Endres, Leah M. Sprain, Tarla Rai Peterson, 2009 Deniers of climate change have benefited from political strategies developed by conservative think tanks and public relations experts paid handsomely by the energy industry With this book environmental activists can benefit from some scholarly attention turned to their efforts This book exhibits the best that public scholarship has to offer Its authors utilize sophisticated rhetorical theory and criticism to uncover the inventional constraints and possibilities for participants at various sites of the Step It Up day of climate activism What makes this book especially valuable is that it is not only directed to fellow communication scholars but is written in a clear and accessible style to bring the insights of an academic field to a broader public of activists committed to building an environmental social movement Prof Leah Ceccarelli University of Washington This is an unusually interesting volume grounded in a sustained and coordinated analysis of the Step It Up campaign Generating a multifaceted and shared archive for analyzing the SIU campaign on global warming the volume s multiple authors critically examine intersecting dimensions of the SIU campaign its persuasive strategies organizational dynamics and political practices for everyday citizens with an eye on implications for enhancing the larger environmental movement

Readers with a practical and theoretical interest in social and political movements will find this book engaging and leavened with heuristic value Professor Robert L Ivie Indiana University Bloomington Voice of the Muslim Brotherhood Noha Mellor, 2017-07-06 This book offers a fresh look into the communication strategy of the Egyptian Muslim Brotherhood focusing on published periodicals biographies and websites that represent the voice of the Brotherhood It analyses the core mission of the Brotherhood namely its da wa call how it is articulated and defined by the movement **Community Engagement** S. Iverson, J. James, 2014-12-04 Contributors to this volume demonstrate how a feminist approach is strategically necessary for the community engagement movement in higher education to achieve its goals and illustrate the transformative potential of merging feminist theory with social action Occupying Our Space Cristina Devereaux Ramírez, 2015-04-02 Winifred Bryan Horner Outstanding Book Award Winner Occupying Our Space sheds new light on the contributions of Mexican women journalists and writers during the late nineteenth and early twentieth centuries marked as the zenith of Mexican journalism Journalists played a significant role in transforming Mexican social and political life before and after the Revolution 1910 1920 and women were a part of this movement as publishers writers public speakers and political activists However their contributions to the broad historical changes associated with the Revolution as well as the pre and post revolutionary eras are often excluded or overlooked This book fills a gap in feminine rhetorical history by providing an in depth look at several important journalists who claimed rhetorical puestos or public speaking spaces The book closely examines the writings of Laureana Wright de Kleinhans 1842 1896 Juana Bel n Guti rrez de Mendoza 1875 1942 the political group Las mujeres de Zit cuaro 1900 Hermila Galindo 1896 1954 and others Grounded in the overarching theoretical lens of mestiza rhetoric Occupying Our Space considers the ways in which Mexican women journalists negotiated shifting feminine identities and the emerging national politics of the late nineteenth and early twentieth centuries With full length Spanish primary documents along with their translations this scholarship reframes the conversation about the rhetorical and intellectual role women played in the ever changing political and identity culture in Mexico Contestina Patriotism Lynne M. Woehrle, Patrick G. Coy, Gregory M. Maney, 2009-11-16 During war space for debate shrinks Narrow ideas of patriotism and democracy marginalize and silence opposition to militarism abroad and repression at home Although powerful these ideas encounter widespread resistance Analyzing the official statements of 15 organizations from 1990 2005 the authors show that the U S peace movement strongly contested taken for granted assumptions regarding nationalism religion security and global justice Contesting Patriotism engages cutting edge theories in social movements research to understand the ways that activists promote peace through their words Concepts of culture power strategy and identity are used to explain how movement organizations and activists contribute to social change The diversity of organizations and conflicts studied make this book a unique and important contribution to peace building and to social movements scholarship The Handbook of Rhetoric and Public Address Shawn J. Parry-Giles, J. Michael Hogan, 2010-03-25 The Handbook of

Rhetoric and Public Address is a state of the art companion to the field that showcases both the historical traditions and the future possibilities for public address scholarship in the twenty first century Focuses on public address as both a subject matter and a critical perspective Mindful of the connections between the study of public address and the history of ideas Provides an historical overview of public address research and pedagogy as well as a reassessment of contemporary public address scholarship by those most engaged in its practice Includes in depth discussions of basic issues and controversies public address scholarship Explores the relationship between the study of public address and contemporary issues of civic engagement and democratic citizenship Reflects the diversity of views among public address scholars advancing on going discussions and debates over the goals and character of rhetorical scholarship Angry Abolitionists and the Rhetoric of Slavery Benjamin Lamb-Books, 2016-08-03 This book is an original application of rhetoric and moral emotions theory to the sociology of social movements It promotes a new interdisciplinary vision of what social movements are why they exist and how they succeed in attaining momentum over time Deepening the affective dimension of cultural sociology this work draws upon the social psychology of human emotion and interpersonal communication Specifically the book revolves around the topic of anger as a unique moral emotion that can be made to play crucial motivational and generative functions in protest The chapters develop a new theory of the emotional power of protest rhetoric including how abolitionist performances of heterodoxic racial and gender status imaginaries contributed to the escalation of the sectional conflict over American slavery

The Rhetorics of US Immigration E. Johanna Hartelius, 2015-11-10 In the current geopolitical climate in which unaccompanied children cross the border in record numbers and debates on the topic swing violently from pole to pole the subject of immigration demands innovative inquiry In The Rhetorics of US Immigration some of the most prominent and prolific scholars in immigration studies come together to discuss the many facets of immigration rhetoric in the United States The Rhetorics of US Immigration provides readers with an integrated sense of the rhetorical multiplicity circulating among and about immigrants Whereas extant literature on immigration rhetoric tends to focus on the media this work extends the conversation to the immigrants themselves among others A collection whose own eclecticism highlights the complexity of the issue The Rhetorics of US Immigration is not only a study in the language of immigration but also a frank discussion of who is doing the talking and what it means for the future From questions of activism authority and citizenship to the influence of Hollywood the LGBTQ community and the church The Rhetorics of US Immigration considers the myriad venues in which the American immigration question emerges and the interpretive framework suited to account for it Along with the editor the contributors are Claudia Anguiano Karma R Ch vez Terence Check Jay P Childers J David Cisneros Lisa M Corrigan D Robert DeChaine Anne Teresa Demo Dina Gavrilos Emily Ironside Christine Jasken Yazmin Lazcano Pry Michael Lechuga and Alessandra B Von Burg What Democracy Looks Like Christina R. Foust, Amy Pason, Kate Zittlow Rogness, 2017-05-16 A compelling and timely collection that combines two distinct but related theories in rhetoric and communication studies

Posters for Peace Thomas W. Benson, 2015-06-18 By the spring of 1970 Americans were frustrated by continuing war in Vietnam and turmoil in the inner cities Students on American college campuses opposed the war in growing numbers and joined with other citizens in ever larger public demonstrations against the war Some politicians including Ronald Reagan Spiro Agnew and Richard Nixon exploited the situation to cultivate anger against students At the University of California at Berkeley student leaders devoted themselves along with many sympathetic faculty to studying the war and working for peace A group of art students designed produced and freely distributed thousands of antiwar posters Posters for Peace tells the story of those posters bringing to life their rhetorical iconography and restoring them to their place in the history of poster art and political street art The posters are vivid simple direct ironic and often graphically beautiful Thomas Benson shows that the student posters from Berkeley appealed to core patriotic values and to the legitimacy of democratic deliberation in a democracy even in a time of war
