Public Relations As Activism Derina R. Holtzhausen, 2013-06-17 This volume applies postmodern theory to public relations providing an alternative lens to public relations theory and practice and developing public relations theory within the context of postmodernism Author Derina R Holtzhausen focuses on two key issues and their application to public relations theory and practice the postmodernization of society and the possibilities postmodern theories offer to explain and understand public relations practice in today s changing society Holtzhausen s argument is that existing theory should be evaluated from a postmodern perspective to determine its applicability to postmodernity Utilizing practitioner perspectives throughout the volume she explores the practice of public relations as a form of activism The volume is intended for scholars and students in public relations It may be used as a supplemental text in advanced courses on public relations theory PR management organizational communication and related areas *Strategic Planning* Stanley Charles Abraham, 2012-01-11 This book is exceptional treatise on strategic planning for single business companies that is at once academically rigorous and uncommonly practical **Teaching Strategic Management** Sabine Baumann, 2020-07-31 Teaching Strategic

Management A Hands on Guide to Teaching Success provides a wide scope of knowledge and teaching resources on methods and practices for teaching strategic management theories and concepts for a multitude of settings classroom online and hybrid course levels bachelors masters MBA executive and student groups      *Strategic Management for Travel and Tourism* Nigel Evans,George Stonehouse,David Campbell,2012-04-27 Strategic Management for Travel and Tourism is the must have text for students studying travel and tourism It brings theory to life by using industry based case studies and in doing so speaks the language of the Travel and Tourism student Among the new features and topics included in this edition are international case studies from large scale businesses such as Airtours MyTravel and South West Airlines user friendly applications of strategic management theory such as objectives products and markets and strategic implementation together with illustrative case studies and longer case studies for seminar work and summaries contemporary strategic issues affecting travel and tourism organizations such as vertical integration and strategic alliances Strategic Management for Travel and Tourism is a well rounded book ideal for all undergraduate and postgraduate students focusing on strategy in travel and tourism      *Sport Public Relations* G. Clayton Stoldt,Stephen W. Dittmore,Mike Ross,Scott E. Branvold,2021 The text provides students and professionals with an understanding of all aspects of sport public relations framing its discussion in terms of a managerial and proactive approach to PR      **Strategic Management and Core Competencies** Anders Drejer,2002-06-30 Managers and management scholars alike need operational models and concepts for dealing with core competencies within strategic management This book provides tools for the practitioner as well as fundamental theoretical concepts to enable scholars to further build upon Drejer s work His main argument is that understanding core competencies is key to explaining why some firms enjoy a competitive advantage over others Drejer proposes models and means with which managers can proactively identify design and develop their firm s core competencies in strategic alignment More than merely a how to book this work places an equal emphasis on the concepts behind competence based strategy The author offers the reader multiple perspectives on the background of competence based strategy the relationship between strategic management and the development of core competencies and the application of competence based strategy to praxis He provides the tools necessary to identify analyze and develop the competencies of a firm and in so doing performs a valuable service for practitioners and researchers      **Strategic Management** Marios Katsioloudes,Arpi K Abouhanian,2009-11-04 Strategic Management has a unique approach goes beyond the traditional application for the for profit sector to address issues for the non profit sector It is the only graduate level text that approaches strategic management from a global cultural perspective      *Introduction to Strategic Public Relations* Janis Teruggi Page,Lawrence J. Parnell,2017-11-30 Winner of the 2019 Most Promising New Textbook Award from the Textbook Academic Authors Association TAA Introduction to Strategic Public Relations Digital Global and Socially Responsible Communication prepares students for success in today s fast changing PR environment Recognizing that developments in technology business and culture require a fresh approach Janis

T Page and Lawrence Parnell have written a practical introductory text that aligns these shifts with the body of knowledge from which the discipline of public relations was built. Because the practice of public relations is rooted in credibility, the authors believe that students must become ethical and socially responsible communicators more concerned with building trust and respect with diverse communities than with creating throwaway content. The authors balance this approach with a focus on communication theory, history, process and practice and on understanding how these apply to strategic public relations planning as well as on learning how to create a believable and persuasive message.

**Project. Program. Change** Roland Gareis, Lorenz Gareis, 2018-06-22 This book gives managers an integrative approach to project, program and change management. It describes the differences between change in projects versus programs with case studies in both areas and the different life cycles. While the project and change comprise much of the book, it is up to date with its emphasis on agile, scrum and benefits. The book also describes methods to both initiate and manage a change and what must be done for success and business value.

**Global Strategic Management** Philippe Lasserre, Felipe Monteiro, 2022-11-03 Seamlessly blending academic rigour and practicality, this textbook provides an introduction to global business strategy. Assuming a born global perspective, Global Strategic Management is supported by ample pedagogical features including numerous case studies and examples featuring both established multinationals and unknown SMEs from across the globe. The book takes an applied approach to global business strategy, emphasising functional parts of international business: managing marketing operations, HR and finance. The text has been widely updated to incorporate the impacts of the Covid 19 pandemic such as work from anywhere and deglobalization. New to this fifth edition is increased material on sustainability and corporate social responsibility, including discussion of climate change, NGOs and sustainable development goals. Subjects such as the impact of technology, cryptocurrency and global strategy in the digital space are discussed in more detail while the conflict in Ukraine is also considered.

**Strategic Communication** James Mahoney, 2023-06-20 Strategic Communication deals with the principles behind strategic communication planning. It covers the professional practice steps involved in researching, planning, writing, evaluating and implementing a communication strategy. This book links strategic communication campaign planning to medium and long term business activity and to how organisations deal with issues. This thoroughly revised third edition includes new international cases and professional exercises that will enable students to work through the cases and apply theory to real

life situations New discussion questions on important aspects of campaign planning Chapter exercises that encourage students to think more broadly about communication strategy and work through the particular aspects of a strategy In Theory panels that highlight key theories and demonstrate important links between theory and practice Accessible and comprehensive this is an essential text for students of professional communication and professionals transitioning into the field of Strategic Communication      **Strategic Management** Marios I.
