Language, Social Media and Ideologies Sender Dovchin,2019-08-08 This book seeks to contribute to the critical applied linguistics by investigating the dynamic role of English on social media focusing on EFL university students in East Asia Mongolia and Japan Drawing on sets of Facebook data the book primarily emphasizes that the presence of English on social media should be understood as translingual not only due to its multiple recombinations of resources genres modes styles and repertoires but also due to its direct connections with a broader socio cultural historical and ideological meanings Secondly EFL university students metalinguistically claim multiple ideologies of linguistic authenticities in terms of their usage of translingual Englishes on social media as opposed to other colliding language ideologies such as linguistic purity and linguistic dystopia The question of how they reclaim the notion of linguistic authenticity however profoundly differs depending on their own often diverse criteria identities beliefs and ideas This shows that mixing and mingling at its very core the existence of translingual Englishes on social media provides us with a significant view to accommodate the multiple co existence and multiple origins

of authenticity in the increasingly interconnected world The book concludes the possibility of applying the ideas of translingual Englishes on social media in critical EFL classroom settings in their careful re assessment of the complexity of contemporary linguistic experiences and beliefs of their EFL learners *English in the World* Rani Rubdy, Mario Saraceni, 2006-03-25 English today is a truly global language which plays an important role in international communication trade diplomacy sport science technology and culture One of the consequences of the global predominance of English is that non native speakers of E

Italian Reform and English Reformations, c.1535-c.1585 M. Anne Overell, 2016-05-06 This is the first full scale study of interactions between Italy's religious reform and English reformations which were notoriously liable to pick up other people's ideas The book is of fundamental importance for those whose work includes revisionist themes of ambiguity opportunism and interdependence in sixteenth century religious change Anne Overell adopts an

inclusive approach retaining within the group of Italian reformers those spirituali who left the church and those who remained within it and exploring commitment to reform whether humanist protestant or catholic In 1547 when the internationalist Archbishop Thomas Cranmer invited foreigners to foster a bolder reformation the Italians Peter Martyr Vermigli and Bernardino Ochino were the first to arrive in England The generosity with which they were received caused comment all over Europe handsome travel expenses prestigious jobs congregations which included the great and the good This was an entry con brio but the book also casts new light on our understanding of Marian reformation led by Cardinal Reginald Pole English by birth but once prominent among Italy s spirituali When Pole arrived to take his native country back to papal allegiance he brought with him like minded men and Italian reform continued to be woven into English history As the tables turned again at the accession of Elizabeth I there was further clamour to bring back Italians Yet Elizabethans had grown cautious and the book s later chapters analyse the reasons why offering scholars a new perspective on tensions between national and international reformations Exploring a nexus of contacts in England and in Italy Anne Overell presents an intriguing connection sealed by the sufferings of exile and always tempered by political constraints Here for the first time Italian reform is shown as an enduring part of the Elect Nation s literature and myth *Touchstone 4A Full Contact (with NTSC DVD)* Michael McCarthy, Jeanne McCarten, Helen Sandiford, 2008-12-15 Easy and enjoyable to teach Touchstone offers a fresh approach to the teaching and learning of English Full Contact includes five key components of the Touchstone series Student s Book Workbook Video Activity Pages Self study Audio CD CD ROM and NTSC DVD **INTER-ENG 2020** Liviu Moldovan, Adrian Gligor, 2021-05-31 These proceedings contain research papers that were accepted for presentation at the 14th International Conference Inter Eng 2020 Interdisciplinarity in Engineering which was held on 8-9 October 2020 in T rgu Mure Romania It is a leading international professional and scientific forum for engineers and scientists to present research works contributions and recent developments as well as current practices in engineering which is falling into a tradition of important scientific events occurring at Faculty of Engineering and Information Technology in the George Emil Palade University of Medicine Pharmacy Science and Technology of T rgu Mures Romania The Inter Eng conference started from the observation that in the 21st century the era of high technology without new approaches in research we cannot speak of a harmonious society The theme of the conference proposing a new approach related to Industry 4.0 was the development of a new generation of smart factories based on the manufacturing and assembly process digitalization related to advanced manufacturing technology lean manufacturing sustainable manufacturing additive manufacturing and manufacturing tools and equipment The conference slogan was Europe s future is digital a broad vision of the Industry 4.0 concept beyond direct manufacturing in the company English as a Lingua Franca in the Language Classroom Éva Illés, Yasemin Bayyurt, 2023-10-23 This new text is a guide for understanding envisioning and acting on the lessons of English as a Lingua Franca ELF research in English Language Teaching ELT classrooms The volume is the result of the cooperation of an

international team that includes members involved in research teacher education and classroom practice This collection bridges theory methodology and real world application of ELF research for the first time Chapters offer a variety of practical perspectives and support teachers to better prepare their students for the reality of how the English language is used around the world today With close attention to the nuts and bolts of teaching as well as useful features for further investigation discussion and application this book will be a helpful practical resource for current and prospective English language teachers teacher trainers and mentors and curriculum designers

Interpreting Communicative Language Teaching

Sandra J. Savignon, 2008-10-01 The emergence of English as a global language along with technological innovations and the growing need for learner autonomy is changing language teaching rapidly and profoundly With these changes come new demands and challenges for teaching education programs This authoritative collection of writings highlights some of the best work being done today in the United States and abroad to make communicative competence an attainable goal The contributors examine what has come to be known as communicative language teaching or CLT from the perspectives of teachers and teacher educators The book documents current reform initiatives in Japan the United States Hong Kong Taiwan and continental Europe to provide a global perspective on language teaching for communicative competence Four major themes recur throughout the volume the multifaceted nature of language teaching the highly contextualized nature of CLT the futility of defining a native speaker in the postcolonial postmodern world and the overwhelming influence of high stakes tests on language teaching The book is a useful and valuable tool for language teachers teacher educators and policymakers

Textbook English Elen Le Foll, 2024-07-15 This book provides a systematic empirical account of the language typically presented in English as a Foreign Language EFL textbooks based on a large corpus of EFL textbooks used in secondary schools A modified version of the Multi Dimensional Analysis MDA framework serves to examine linguistic variation both within textbooks and compared to corpora representing real life English as used outside the EFL classroom The results highlight the characteristics of Textbook English that define it as a distinct variety of English In light of the study's pedagogical implications this book proposes a range of corpus based approaches to improve the naturalness of textbook texts It also contributes to advancing quantitative corpus linguistics methodology its detailed online supplements aim for methodological transparency and reproducibility in line with the principles of Open Science This book will be of interest to linguistics and language education students and researchers as well as EFL teachers textbook authors and editors and those involved in curriculum development and teacher training
