the bigger picture By definition battles involve combat between two persons between factions between armies and they consist of any type of extended contest struggle or controversy As Christians we are in a spiritual battle of some sort on a daily basis In warfare battles are fought on different fronts for different reasons and with varying degrees of intensity The same is true in spiritual warfare Our spiritual battles and warfare are real though we cannot physically see the attacker But we can educate ourselves on how the battles are fought and how they impact our lives on a daily basis We have to ask ourselves Why do we even want to fight It will do us no good to educate ourselves on the battle if we see no reason for the fight War is very controversial today in the physical realm Those attitudes beliefs and convictions will transfer over to the spiritual realm However in the spiritual realm there is a battle going on regardless of our opinion We are either victors or victims Jesus has come and conquered The war is already won in the heavens Jesus told us in Matthew 28 18 that All authority has been given to me in heaven and on earth We now have the privilege of having an eternal relationship with God Many of us enter into that covenant of salvation by grace But the Matthew 28 18 verse is not only about our salvation it is also about our every day victory which adds up to victorious living in Christ Every day victory is achieved by knowing believing and understanding the battles that we are enduring daily regardless if we are passive or active in the battles Do you want all that God has for you on this earth right now or do you want to wait until you get to heaven to receive the victory and blessings In this Book you will understand the Battle of Spiritual Warfare together with over 500 prayers that will enable you to fight the powers of darkness and be victorious The prayers ensure that you will recover all your possessions and your God given potentials in you You will also get back all that the Devil has taken away from you Are you facing the following challenges living in an anti Christ nature and following their Doctrine Living out of faith Sexual temptations for unmarried Sexual harassment Divorce Destruction of life Poverty Lack of focus Confusion Homosexualisim Lesbianism Drug Addiction Joblessness No sense of Direction Confusion Lazy to Prayer Not willing to server God and many more **SEVEN**

LIMITATIONS Lucy Mambu ,2021-10-11 Life is a battleground and it is a fundamental truth that we all encounter painful experiences in life that leave us paralyzed one way or another and as we journey through life we are marred by self inflicted limitations Limitations are circumstances that restrain or restrict our movements in life Some are spiritual limitations while some are self imposed limitations which is as a result of past experiences A limited man is a restricted man and limitations are designed to prevent many from living the abundant life already made available for them through the finished works of Christ In order to live a limitless life we must make a conscious effort to shatter the limitations that are holding us back and this book is compiled to help you understand that self inflicted limitations are destructive detrimental and causes life to

derail We must not set limitations on ourselves based on the challenges we encounter in life To help you understand that regardless of the obstacles that may present themselves in our lives we must consciously go after our dreams fearlessly and not be afraid to break barriers and push forward towards our destiny It is also compiled to help you understand that freedom is not the absence of limitations but the choice as to what you choose to restrain and restrict your progress because ultimately your freedom is in your hands
