Pellegrini, 2010-09 This book is all about stories The stories that shape our identities and how those identities shape our destinies for better or worse for good or evil in humanizing or dehumanizing ways Working from the Shakespearian metaphor All the world s a stage and all the men and women merely players Pellegrini argues that only by understanding how our storied selves develop can we acquire the tools to modify the roles they dictate for us to play on the stage in the theater of real life The author deconstructs a wide variety of what he calls toxic dehumanizing death oriented self scripts as well as creative humanizing life oriented narratives of groups as well as individuals Following the Native American parable of two wolves engaged in mortal combat within us one good the other evil the fundamental premise here is that our identity determines which of our inner wolves we feed and thus which of them will prevail Pellegrini maintains that what s at stake in this battle between humanity s collective inner wolves is not just the quality but the very survival of life on earth From this perspective as individual and group selves are humanizingly or dehumanizingly narratized by the way we exercise our God given free will in the choices we make so shall life be impacted throughout the world To advance the cause of detoxifying identities in our global society the author presents a rationale and program for an international grass roots social movement aimed at achieving a universal sense of belongingness to a global life system You can watch and listen to a video in which Dr Bob Pellegrini talks about this book and why he wrote it by entering Identities for Life and Death in the search bar at youtube.com **Golden Years** Michael Clark, 2002-10-31 Murder Love and marriage Conflict to the bitter end Spiritual redemption Comedy Suicide Tragedy Joy GOLDEN YEARS has it all and then some But the unique the surprising thing is its about seniors Seniors Theyve been off the map for years havent they Why bother But thats the uniqueness the surprise The best kept secret in the literary world is that seniors have terrific stories to tell Consider Two still vigorous oldsters in a nursing home get married But problems arise including the stroke of one of them before the wedding Or a once prominent socialite finally recovering from her second stroke takes instant offence at her octogenarian room mate She develops a highly principled plan

A Tale* Selina Gaye,1883 *The Process Engraver's Monthly* ,1919 *American Powerboats: The Great Lakes' Golden Years 1882-1984* James P. Barry,2003 *Oregon's Golden Years* Miles F.
