[Counseling Women Across the Life Span](#), Jill Schwarz, 2017-03-15. Dr. Jill Schwarz's *Counseling Women Across the Lifespan* is tailor-made for gender-specific counseling courses. This text is highly accessible and comprehensive and includes specific learning objectives, state-of-the-art research, and questions for student reflection and discussion. Importantly, each chapter is a Call to Action for all counselors to be advocates for change in a world that desperately needs empowering approaches for counseling girls and women. Mark Woodford. Within the pages of *Counseling Women Across the Lifespan*, lay the seeds of professional and personal transformation. The text provides a comprehensive review of the issues that today's women face while providing practical ideas for intervention and advocacy. With thought-provoking reflection questions at the end of each chapter, testimonials from graduate students who have been transformed as a result of this work, and actionable steps that you can take on behalf of women's rights, you cannot be but changed after engaging with this compelling text. Corinne Zupko. This book, the first comprehensive text to focus specifically on counseling women and girls, provides a sweeping overview of female life-span development and issues and offers a unique integration of prevention, advocacy, and interventions. With contributions from leading scholars and practitioners in diverse fields, it provides information, resources, and practical suggestions that counselors can use to help empower individual women and girls to live as their authentic selves and to engage as effective collaborators in addressing societal inequities. With a strong focus on empowerment and adherence to a social justice framework, the book highlights the value of mental health practitioners employing strengths-based approaches and advocating for systemic change. Based on a foundation of understanding females' diverse holistic development, the text explores the major theoretical approaches relevant to counseling and psychotherapy with women and girls. It then discusses

the key issues faced by females at different developmental stages and describes appropriate counseling strategies for each focusing on prevention as well as intervention Specific concerns and strategies for women in different contexts such as education physical health and body image concerns and violence are emphasized Unique to the text is coverage of how men specifically can serve as allies and advocates in creating healthier and safer societies for women and girls Replete with supporting features such as learning objectives self reflection prompts personal narratives discussion questions abundant resources and strategies for how professionals can serve as advocates and change agents this book is an ideal core text for courses on counseling women or gender issues in counseling social work psychology marriage and family therapy and women s studies programs as well as a useful resource for mental health practitioners Key Features Uniquely covers life span development and counseling issues needs and application for females across the life span Emphasizes advocacy prevention and practical intervention strategies Examines the contextual elements that affect the female experience including the oppressive structures in which they live Addresses global perspectives diverse women a social justice framework and empowerment Includes learning objectives first person accounts Calls to Action and self reflection and discussion questions A sample course calendar and syllabus are available to instructors to aid in course development
