Sexual Bargaining in the Digital Era John H. Scanzoni, 2021-10-05 Sexual Bargaining in the Digital Era follows the evolution of genders sexualities and so on away from their Old Normal ON pattern which prevailed during the Agricultural Age and the Industrial Age and into the New Normal NN pattern which is currently surfacing in concert with an emerging Digital Era ON was based on the ancient traditional script governing how women men children ought to behave within the spheres of genders marriages families relationships sexualities Over the centuries ON eventually modified into the familiar 1950s style nuclear patriarchal cisgender husband wife with children and family And now that style itself is fading away into NN NN is based not on script but on improvisation it is essentially a continual work in progress To make it function the partners engage in ongoing negotiation governed by the principle that everything is negotiable except the principle that everything is negotiable NN has thus far been pursued most frequently by persons New Lights who are educated and relatively advantaged ON has been pursued mostly by persons Old Lights who are less educated

and relatively less advantaged ON is also strongly embraced by persons of a traditional religious bent persons who tend to be rigid and unbending in their religious views Currently they tend to be extremely right wing evangelicals and extremely right wing Catholics Importantly their political clout far exceeds their relatively modest numbers within the larger population In brief the shift from ON to NN is a move away from the sanctity of a particular structure to the primacy of persons engaged in ongoing processes of inventing and reinventing certain arrangements of genders marriages families relationships sexualities enabling them to fulfil their needs for primary intrinsic emotional satisfactions such as liking loving empathy companionship sexual and so forth Among other things this shift replaces the preeminence of the historic binary or cisgender approach heterosexual legal children and so on in favor of the diversity variety multiplicity approach which incorporates under one conceptual umbrella all persons of whatever genders sexualities and so on All persons are thus engaged in a common struggle to achieve personal satisfactions as well as contribute to the Greater Good *Contemporary Poetic Literature 1ST Edition* Randy Henry,2018-06-16 Love h Honor Respect Spiritual Growth Devotion Sacrifice Pitfalls Lows High Lost Rude Good Bad Ugly The Social Psychology of Gender Laurie A. Rudman,Peter Glick,2021-07-29 Noted for its accessibility this text now revised and updated to reflect a decade of advances in the field examines how attitudes and beliefs about gender profoundly shape all aspects of daily life From the schoolyard to the workplace to dating sex and marriage men and women alike are pressured to conform to gender roles that limit their choices and impede equality The text uses real world examples to explore such compelling questions as where masculine and feminine stereotypes come from the often hidden ways in which male dominance is maintained and how challenging conventional romantic ideals can strengthen heterosexual relationships New to This Edition Chapter on the sexualization of women s bodies and resistance to it including MeToo Chapter on the harmful effects of real man ideology Numerous new examples drawn from current events Updated throughout with the latest theories research and findings *Unchon-ni* Codis Hampton II,2019-09-28 Unchon ni examines how why people meet or gravitate towards each other Circumstances immaturity the chain of command cold war incidents deaths prostitution are time bombs going off with destructive intentions to all types of relationships Read how they survive the good or bad times with love and happiness as rewards for navigating through a torrid love affair All while realizing most pairings will end in a final emotional separation Readers will see how Unchon ni characters feel about their identity You read how people of color coped with civil rights racism and their military obligations Now emotionally involved you re left as are the characters wondering what if
