

8 Ways to Make More Money in Real Estate

Many agents overlook that they can increase their profits by working smarter and cutting expenses. Here are eight great strategies to boost your income:

1. Calculate how much you earn per hour
2. Eliminate non-productive opportunity costs. Carefully track which activities consistently generate leads and which activities generate little, if any, income.
3. Focus on referrals
4. Remember: Profit is always temporary
5. Limit your marketing spend
6. Price listings correctly
7. Have clarity about what your buyers really want
8. Seek customer feedback

Brothers Law & Greed Steven Winer, 2020-06-24 Thaddeus Jaxxon Muizarajs nicknamed TJ and Dorian Jaxxon Muizarajs nicknamed Cotton two brothers who were children of immigrants from Latvia both grew up and went to school in the Miami Florida area Neither felt that the locals in the area were accepting them as an integrated part of Miami society or culture Their father who had a difficult time obtaining decent work always emphasized to his sons that in order to get ahead in a culture that was hostile to their ethnicity that a modest amount of pilfering from the wealthy and embellishments about their backgrounds and financials were appropriate Those would enhance their chances of increasing their income and improve their way of life The brother s parents were both killed in an automobile accident when the brothers were in high school So with a couple of small socialistic scholarships and the proceeds of the legal settlement they received from the death of their parents both brothers decided to attend law school After the graduation of the youngest brother Cotton the brothers decided to leave the Miami area and start their legal practice together in a more accepting location in the Fort Myers Florida area where their ethnicity was deemed a better fit than on the East coast of Florida They even changed their last names to Murry to better become

assimilated into the area's society. However, both brothers had little money. TJ, who was three years older than Cotton, had a different view on how to start and grow their law practice to become well known and increase their wealth. However, one thing they both recalled was their father's advice as to what was acceptable to assist in becoming successful and accumulate wealth. Therefore, the brothers, through several local businessmen they befriended, acquired the necessary funds to open their own law firm through providing fraudulent financial statements to obtain a large bank loan. The banker, who granted the loan, was aware of the brothers' fraudulent financials as well as other fraudulent financials provided periodically to the bank. Through an implied threat of revealing the brothers' false financials to the authorities, the banker obtained the brothers' understanding to become involved with a group of professional community leaders in a web of deceit, fraudulent real estate loans, and other white collar criminal activities. TJ attempted to extricate himself from the criminal activity but realized he had become too involved and was unable to get out. **BROTHERS GREED THE LAW** takes the reader through a journey that the brothers experienced involving multiple dishonest brokers, bankers, FBI agents, and lawyers. Their fraudulent schemes involved the embezzlement of millions of dollars from innocent investors during the early days of the real estate boom in Florida in the 1980s and 1990s. Through an intriguing misunderstanding by the mastermind of these illegal schemes and the inquisitiveness of several nonparticipants in the schemes, several innocent persons were murdered, thinking that their deaths would keep the schemes from being discovered. A turn of events by several of the perpetrators and other unrelated parties to the schemes causes the illegal activities to be revealed to the authorities. How the brothers extracted themselves from the legal consequences of the long time criminal enterprise was a turn of events that none of the participants or the informers of the criminal enterprise could have expected.
