## **Red Hot And Righteous The Urban Religion Of The Salvation Army:**

**Red-Hot and Righteous** Diane Winston,1999 The cathedral of the open air 1880 1886 The new woman 1886 1896 The red crusade 1896 1904 The commander in rags 1904 1918 Fires of faith 1919 1950 Epilogue     **Titanic** John Welshman,2017-07-27 A century after her sinking social historian John Welshman reconstructs the fascinating individual histories of twelve of the passengers aboard the doomed liner including a minute by minute account of the ship s last tragic hours     **Faith-based Organisations and Exclusion in European Cities** Justin Beaumont,Paul J. Cloke,2012 This timely book explores the role played by faith based organisations FBOs which are growing in importance in the provision of social services in the European context     **The Encyclopedia of Cults, Sects, and New Religions** James R. Lewis,2001-03 Surpassing the scope and the thoroughness of the first edition this new edition of The Encyclopedia of Cults Sects and New Religions is the most wide ranging and accessible resource on the historically significant and more obscure sinister and bizarre religious groups Including many entries by scholarly specialists this volume explains more than 1 000 diverse groups and movements from such well known sects as the Branch Davidians Aum Shinrikyo and Heaven s Gate to obscure groups like Ordo Templi Satanas Witches International and the Nudist Christian Church of the Blessed Virgin Jesus In addition to an exhaustive index and handy cross references the second edition includes over a hundred new topical entries on subjects relevant to understanding sectarian movements from snake handling and satanic ritual abuse to brainwashing and exorcism This book a must for all libraries and schools will endure as the first and only point of reference for researchers scholars students and anyone interested in fringe religious groups     **Public Religion and the Urban Environment** Richard Bohannon,2012-04-26 Nature and the city have most often functioned as opposites within Western culture a dichotomy that has been reinforced and sometimes challenged by religious images Bohannon argues here that cities and natural environments however are both connected and continually affected by one another He shows how such connections become overt during natural disasters which disrupt the narratives people use to make sense of the world including especially religious narratives and make them more visible This book offers both a theoretical exploration of the intersection of the city nature and religion as well as a sociological analysis of the 1997 flood in Grand Forks ND USA This case study shows how religious factors have influenced how the relationship between nature and the city is perceived and in particular have helped to justify the urban control of nature The narratives found in Grand Forks also reveal a broader understanding of the nature of Western cities highlighting the potent and ethically rich intersections between religion cities and nature     **Catherine Booth** John Read,2014-01-30 Catherine Booth s achievements as a revivalist social reformer champion of women s rights and with her husband William Booth co founder of the Salvation Army were widely recognized in her lifetime However Catherine Booth s life and work has since been largely neglected This neglect has extended to her theological ideas even though they were critical to the formation of Salvationism the spirituality of the movement she cofounded This book examines the implicit

theology that undergirds Catherine Booth's Salvationist spirituality and reveals the ethical concerns at the heart of her soteriology and the integral relationship between the social and evangelical aspects of Christian mission in her thought Catherine Booth emerges as a significant figure from the Victorian era a British theologian and church leader with a rare if not unique intellectual and theological perspective that of a woman Media, Religion and Gender Mia Lövhelm, 2013-06-03 Media Religion and Gender presents a selection of eminent current scholarship that explores the role gender plays when religion media use and values in contemporary society interact The book surveys the development of research on media religion and culture through the lens of key theoretical and methodological issues and debates within gender studies includes case studies drawn from a variety of countries and contexts to illustrate the range of issues theoretical perspectives and empirical material involved in current work outlines new areas and reflects on challenges for the future Students of media religion and gender at advanced level will find this a valuable resource as will scholars and researchers working in this important and growing field **The Essential Handbook of Denominations and Ministries** George Thomas Kurian, Sarah Claudine Day, 2017-03-14 Though the church universal is an ancient institution the contemporary ministry landscape is always changing That's why a new resource with useful information about Christian organizations is needed The Essential Handbook of Denominations and Ministries is an easy to use guide to more than 200 of the largest denominations and 300 ministries in the United States The entries for organizations include a brief history and summary a contemporary profile and discussion on doctrinal emphases creeds membership and interdenominational and ecumenical alliances Pastors ministry leaders community leaders and students will find this resource a helpful guide as they seek to understand Christian denominations and ministries **From Goodwill to Grunge** Jennifer Le Zotte, 2017-02-02 In this surprising new look at how clothing style and commerce came together to change American culture Jennifer Le Zotte examines how secondhand goods sold at thrift stores flea markets and garage sales came to be both profitable and culturally influential Initially selling used goods in the United States was seen as a questionable enterprise focused largely on the poor But as the twentieth century progressed multimillion dollar businesses like Goodwill Industries developed catering not only to the needy but increasingly to well off customers looking to make a statement Le Zotte traces the origins and meanings of secondhand style and explores how buying pre owned goods went from a signifier of poverty to a declaration of rebellion Considering buyers and sellers from across the political and economic spectrum Le Zotte shows how conservative and progressive social activists from religious and business leaders to anti Vietnam protesters and drag queens shrewdly used the exchange of secondhand goods for economic and political ends At the same time artists and performers from Marcel Duchamp and Fanny Brice to Janis Joplin and Kurt Cobain all helped make secondhand style a visual marker for youth in revolt **The Sacred Gaze** David Morgan, 2023-09-01 Sacred gaze denotes any way of seeing that invests its object an image a person a time a place with spiritual significance Drawing from many different fields David Morgan investigates key aspects of vision and imagery in

a variety of religious traditions His lively innovative book explores how viewers absorb and process religious imagery and how their experience contributes to the social intellectual and perceptual construction of reality Ranging widely from thirteenth century Japan and eighteenth century Tibet to contemporary America Thailand and Africa *The Sacred Gaze* discusses the religious functions of images and the tools viewers use to interpret them Morgan questions how fear and disgust of images relate to one another and explains how scholars study the long and evolving histories of images as they pass from culture to culture An intriguing strand of the narrative details how images have helped to shape popular conceptions of gender and masculinity The opening chapter considers definitions of visual culture and how these relate to the traditional practice of art history Amply illustrated with more than seventy images from diverse religious traditions this masterful interdisciplinary study provides a comprehensive and accessible resource for everyone interested in how religious images and visual practice order space and time communicate with the transcendent and embody forms of communion with the divine *The Sacred Gaze* is a vital introduction to the study of the visual culture of religions Sacred gaze denotes any way of seeing that invests its object an image a person a time a place with spiritual significance Drawing from many different fields David Morgan investigates key aspects of vision and imagery in a variety of religious trad

**A Public Charity** Mary L. Mapes, 2004-10-19 Using Indianapolis as its focus this book explores the relationship between religion and social welfare Arising out of the Indianapolis Polis Center's Lilly sponsored study of religion and urban culture the book looks at three issues the role of religious social services within Indianapolis's larger social welfare support system both public and private the evolution of the relationship between public and private welfare sectors and how ideas about citizenship mediated the delivery of social services Noting that religious nonprofits do not figure prominently in most studies of welfare Mapes explores the historical roots of the relationship between religiously affiliated social welfare and public agencies Her approach recognizes that local variation has been a defining feature of American social welfare A Public Charity aims to illuminate local trends and to relate the situation in Indianapolis to national trends and events Polis Center Series on Religion and Urban Culture David J Bodenhamer and Arthur E Farnsley II editors

**Getting the Picture** Jason E. Hill, Vanessa R. Schwartz, 2020-09-08 Powerful and often controversial news pictures promise to make the world at once immediate and knowable Yet while many great writers and thinkers have evaluated photographs of atrocity and crisis few have sought to set these images in a broader context by defining the rich and diverse history of news pictures in their many forms For the first time this volume defines what counts as a news picture how pictures are selected and distributed where they are seen and how we critique and value them Presenting the best new thinking on this fascinating topic this book considers the news picture over time from the dawn of the illustrated press in the nineteenth century through photojournalism's heyday and the rise of broadcast news and newsreels in the twentieth century and into today's digital platforms It examines the many kinds of images sport fashion society celebrity war catastrophe and exoticism and many mediums including photography painting wood engraving film and video Packed with the best research and full colour illustrations throughout this book will appeal to students and readers interested in how news and history are key sources of our rich visual culture

**The Oxford Handbook of Religion and the American News Media** Diane Winston, 2012-08-29 Whether the issue is the rise of religiously inspired terrorism the importance of faith based NGOs in global relief and development or campaigning for evangelical voters in the U S religion proliferates in our newspapers and magazines on our radios and televisions on our computer screens and increasingly our mobile devices Americans who assumed society was becoming more and more secular have been surprised by religions rising visibility and central role in current events Yet this is hardly new the history of American journalism has deep religious roots and religion has long been

part of the news mix Providing a wide ranging examination of how religion interacts with the news by applying the insights of history sociology and cultural studies to an analysis of media faith and the points at which they meet The Oxford Handbook of Religion and the American News Media is the go to volume for both secular and religious journalists and journalism educators scholars in media studies journalism studies religious studies and American studies Divided into five sections this handbook explores the historical relationship between religion and journalism in the USA how religion is covered in different media how different religions are reported on the main narratives of religion coverage and the religious press Religion and Reality TV Mara Einstein,Katherine Madden,Diane Winston,2018-04-17 Why is reality television flourishing in today s expanding media market Religion and Reality TV Faith in Late Capitalism argues that the reality genre offers answers to many of life s urgent questions Why am I important What gives my life meaning How do I present my best self to the world Case studies address these questions by examining religious representations through late capitalist lenses including the maintenance of the self the commodification of the sacred and the performance of authenticity The book s fourteen essays explore why religious themes proliferate in reality TV audiences fascination with lived religion and the economics that make religion and reality TV a successful pairing Chapters also consider the role of race gender and religion in the production and reception of programming Religion and Reality TV provides a framework for understanding the intersection of celebrity media attention beliefs and values The book will be of interest to students and scholars of religion and media studies communication American studies and popular culture *Faith in the Market* John Michael Giggie,Diane H.
