Healing grows like a plant In scripture the Lord likens the kingdom of God to the planting of a grain of mustard seed which grew and became a tree On another occasion he describes the growth in a slightly different way and says first the blade then the ear then the full grain in the ear The nature of the kingdom is to grow from being small to being fully developed Divine healing is a part of the kingdom of God That is what Jesus meant when he said Heal the sick and say the kingdom of God has come near to you This means that because the character of the kingdom is to grow the character of healing is to grow as well Where there is faith the essential nature of divine healing is to increase Once you have been prayed for you believe the prayer has worked Believe you have received your healing in the form of a seed *The Grace of Healing* Bob Yandian,2020-05-19
