Rediscovered Sheep takes its origin generations ago when an ancestor of John B Lee began to raise Lincoln sheep in Ontario John B may never take up his inheritance as Master of the Flock but his understanding of sheep husbandry is woven into the woolly fabric of his work The first poems in Rediscovered Sheep are about real modern day shepherds and actual sheep Then the sheep get loose They spill out into human roles policeman guest speaker ballerina which they occupy exuberantly and sometimes with a disquieting naturalness Rediscovered Sheep is a realistic fantasy pastoral for contemporary times with the true pastoral's wise innocence that never forgets the wolf      *Luke : 2 Volumes (Baker Exegetical Commentary on the New Testament)* Darrell L. Longlisted for the James Cropper Wainwright Prize 2024 for Nature Writing Terrific life lit moments come howling out of Hunt for the Shadow Wolf The Telegraph One of the most remarkable figures in British conservation The Observer There have been several books on the fate of British wolves but this is the best The Spectator Derek Gow is a wry profane truth teller who is equal parts yeoman farmer historical ecologist and pirate Ben Goldfarb author of Eager and Crossings Renowned rewilder Derek Gow has a dream that one day we will see the return of the wolf to Britain as it has already returned elsewhere As Derek worked to reintroduce the beaver he began to hear stories of the wolf both real and mythical and his fascination with this creature grew With increasing curiosity Derek started to piece together fragments of information stories and artefacts to reveal a shadowy creature that first walked

proud through these lands and then was hunted to extinction as coexistence turned to fear hatred and domination What Derek came to realize was that the underlying motives behind our hatred were actually far more prosaic and like most persecutions to do with power and profit We turned the wolf into a savage beast and saw its extirpation as a civilizing mission But the wolf survived far longer than many thought and Derek tells of his sightings of the wolf through folklore and mythology the records of grand estates and parish churches as well as wolf heads both real and recreated With bitingly funny but also tender stories Hunt for the Shadow Wolf is Derek s quest to uncover the true nature of this creature because as we seek to heal our landscape we must reconcile our relationship with it Before we can even begin to bring the wolf back we need to understand it I have loved this chase dearly and though what unfolds might be an ending of sorts I have no intention to let this hunt cease Derek Gow from Hunt for the Shadow Wolf Beautifully crafted fascinating and unbearably poignant I totally loved this book Isabella Tree author of Wilding Gow reinvents what it means to be a guardian of the countryside The Guardian *Statistical Register of the Colony of Western Australia for ... and Previous Years* ,1902 *Ellis's Husbandry* William Ellis,1772 The Encyclopedia of Historic and Endangered Livestock and Poultry Breeds Janet Vorwald Dohner,2001-01-01 The need to preserve farm animal diversity is increasingly urgent says the author of this definitive book on endangered breeds of livestock and poultry Farmyard animals may hold critical keys for our survival Jan Dohner warns and with each extinction genetic traits of potentially vital importance to our agricultural future or to medical progress are forever lost BOOK JACKET
