## **Rediscovering The Sacraments Approaches To The Sacred By Hill Brennan:**

Rediscovering the Sacraments Brennan Hill, 1982      **Breaking Open the Word of God** Karan Hinman Powell, Joseph P. Sinwell, 1986 A resource guide for designing facilitating and conducting Sunday morning catechumenate sessions and for assisting personal reflection during the catechumenate      A Bibliography of Christian Worship Bard Thompson, 1989 Deals extensively with major foci of Christian worship Initiation Eucharist Ordination Marriage Reconciliation Ministry to the Sick and Dying Burial the Daily Office and the Calendar      **Subject Guide to Books in Print**, 1983      The Catholic Periodical and Literature Index, 1983      *Forthcoming Books* Rose Arny, 1983      Books in Print, 1977      *The Sacraments* Joseph Martos, 2009-08-01 What are the sacraments really For centuries the religious lives of Catholics and other Christians have revolved around church rituals with generally accepted individual and social effects What precisely are those effects and how are they produced Traditional theology used Greek philosophy to understand the sacraments and how they work But is there no other way to understand them In fact there are a number of ways and this book invites you to look at the sacraments through a variety of lenses psychology sociology anthropology history theology morality and spirituality As the introduction to this volume challenges If you read this book and especially if you engage in the interactive study to which it invites you your understanding of sacraments will be changed forever To help personalize your investigation the author has created a web site with thought provoking questions that encourage you to interact with the ideas being proposed in this volume To engage these topics more deeply see [www TheSacraments org](http://www.TheSacraments.org)      **Christian Sacraments in a Postmodern World** Kenan B. Osborne, 1999 Christian Sacraments in a Postmodern World offers a fresh perspective on the sacramental event by bringing together two generally unrelated subjects in a new way sacramental theology and postmodern philosophical thought Osborne shows in an innovative way how these two factors of third millennium life can be positively united to encourage powerful new thinking on the ways we Christians not only theorize about sacraments but also live sacraments Using a key section on sacraments from the Catechism of the Catholic Church and by employing foundational concepts of postmodern philosophy and several issues from medieval Franciscan philosophy the author develops a distinctly different approach to sacrament events Here is a visionary thoughtful work by a major theologian writer and educator It is sure to stir thinking and discussion among theologians philosophers liturgists and religious educators      **Understanding the Sacraments of Healing** Randy Stice, 2015 Understanding the Sacraments of Healing A Rite Based Approach offers insightful catechesis on the sacraments of Penance and Anointing of the Sick based on the methodology presented in *Sacramentum Caritatis* Examining each of the rites Old Testament foundations liturgical history and sacramental theology this book explores the connection between the sacraments of initiation and daily Christian life      **Doors to the sacred : a historical introduction to sacraments in the Christian church** Joseph Martos, 1981      **Deconstructing Sacramental Theology and Reconstructing Catholic Ritual** Joseph Martos, 2015-05-12 Catholic sacramental doctrine has lost much of its

credibility Baptized people leave the church adolescents stop attending shortly after they are confirmed supposedly indissoluble marriages regularly dissolve few go to confession and many do not believe in transubstantiation Drawing upon his decades long study of the sacraments Martos reveals how teachings that seemed rooted in the scriptures and Catholic life have become unmoored from the contexts in which they arose and why seemingly eternal truths are actually historically relative After carefully constructing Catholic teaching from the church's own documents he deconstructs it by demonstrating how biblical passages were misconstrued by patristic authors and how patristic writings were misunderstood by medieval scholastics The long process of misinterpretation culminated in the dogmatic pronouncements of the Council of Trent which continues to dominate Catholic thinking about the church's religious ceremonies If the sacraments are released from their dogmatic baggage Martos believes that the spiritual realities they symbolize can be celebrated in any human culture without being tied to their traditional rites

*Sacred Passages* Bert Ghezzi, 2003 *Sacred Passages* takes an entirely new approach to the way we understand and experience the sacraments Foregoing dry technical explanations Bert Ghezzi explores the meaning and benefits of the sacraments in a practical and highly personal manner Interweaving scripture the writings of the saints and personal stories Ghezzi reveals the dynamic realities that the sacraments provide believers In chapters devoted to each of the seven sacraments Baptism Communion Confirmation Reconciliation Marriage Holy Orders and the Anointing of the Sick Ghezzi restores a sense of wonder and excitement in the sacraments and instills an understanding of what is really happening For example in the section devoted to Communion the effectiveness of the sacrament is explained The eating of the bread and wine cleanse strengthen and nourish the spirit Reconciliation is seen as an opportunity for direct access to God through prayer and the continued participation in Christ's ministry Each chapter includes practical teachings on applying the grace of the sacraments in daily life inspiring believers to participate fully in all the stages and important moments of the Christian life from birth growth and coming of age through vocation and service and finally to death One of America's most popular writers on topics of interest to Catholics Ghezzi's engaging prose easy to understand explanations and thoughtful insights offer readers a life changing vision of the role of the sacraments and helps them experience the practical and spiritual rewards of each sacred passage

**Understanding the Sacraments of Initiation** Randy Stice, 2017-11-21 Guiding readers through the rites of Baptism Confirmation and Eucharist *Understanding the Sacraments of Initiation* explores the way in which the sacraments of Initiation affect and influence one's daily Christian life

**Honest Rituals, Honest Sacraments** Joseph Martos, 2017-12-28 Honest rituals are ceremonial actions that celebrate what is actually happening in people's lives Religious rituals however often celebrate beliefs and doctrines e.g the birth of Christ God's forgiveness of sins or the gifts of the Holy Spirit that have little to do with people's experience Martos argues that early Christian rituals were grounded in experiences such as conversion community commitment and self giving Lacking a vocabulary to name such experiences the authors of the New Testament and other early documents resorted to metaphors

such as baptism into Christ receiving the Holy Spirit forgiveness by God and the presence of Christ during worship By the fourth century however those metaphors were taken to be unexperienced metaphysical realities rather than experienced realities The medieval schoolmen developed philosophical explanations of what went on in church rituals and the Catholic Church continues to teach that its sacraments are automatically effective despite growing evidence to the contrary What if religious rituals were to regain their original authenticity What if the guiding value in designing church ceremonies was honesty rather than liturgical correctness After liberating the reader from doctrinal constraints Martos invites Catholics into a re visioning of the traditional sacraments and a reawakening of ritual imagination in non Western cultures

**Swear to God** Scott Hahn, 2004-05-18 The most solemn majestic and beautiful gifts that Jesus Christ gave to the world are His sacraments He endowed them with unprecedented and unparalleled power power to change lives save souls and share God's very life The sacraments are the ordinary means by which God directs the course of each human life and all of world history The Church celebrates seven sacraments baptism Eucharist confirmation matrimony holy orders confession and anointing of the sick Each was established by Jesus for the sake of salvation When Jesus spoke of the sacraments He made clear that they were essential Unless one is born of water and the Spirit he cannot enter the kingdom of God Jn 3:5 unless you eat of the flesh of the Son of man and drink His blood you have no life in you Jn 6:53 In *Swear to God* Dr Scott Hahn explores the richness of Christ's sacraments their doctrine history symbols and rituals Drawing upon the Bible and the Church's tradition he shows how God's covenants with Adam Noah Abraham Moses and David became the driving forces in history When Jesus came to fulfill all these covenants He established a new covenant with greater power than ever before Christians are God's children now Joined to Christ by baptism we can already share in the eternal life of the Trinity a life we hope to know fully in heaven But heaven is with us even now in the sacraments

**Sacred Mysteries** Dennis Chester Smolarski, 1995 *Sacred Mysteries* opens by reflecting on the continual process of reform in the church and on the foundational principles for all liturgical action It then moves to a discussion of each of the sacraments with particular reference to the way they are ritualized in the assembly A final chapter addresses practices that can cloud the experience of mystery during liturgical celebrations and thus inhibit rather than enhance the power of the rite

*Signs of Freedom* German Martinez, 2003 Modern secular culture has severely eroded the religious foundations on which traditional sacramental practice was based Built upon the sacramental bedrock the very Christian identity and mission were affected German Martinez looks at this challenge from the perspective of freedom as an opportunity to develop a sacramental worldview relevant to the new millennium To this effect he applies a series of methodologies and fresh pastoral approaches to the highly complex sacramental reality and to each individual sacrament Beginning with ten key interpretative elements he offers a coherent synthesis of the remarkable development of sacramental theology in our time Envisioned for both scholarly research and pastoral ministry this book presents the key issues of a renewed sacramentality rooted in ordinary life and celebrated in the liturgical mystery This

theology is grounded in a biblical patristic historical and theological background It tries to articulate especially the Christological ecclesial individual and social aspects of the celebration of the sacraments as a dynamic and organic whole emphasizing their spirituality The material is organized into four parts the Sacramental Way of Life the Initiation and Foundational Church the Healing Church the Church at the service of Communion Highlights scholarly yet pastorally sensitive perfect text for courses on the sacraments solid one volume comprehensive text

**Understanding the Sacraments** Lawrence E. Mick, 2007 Sacraments are at the heart of our lives as Catholics the way we celebrate together our continuing conversion and encounter with God Sacramental preparation is essential if we are to experience the fullness of our life in community and in Christ Ever conscious of the complex history of the church and its dynamic relationship to ritual Father Lawrence Mick gives us these booklets based on individual chapters of his popular *Understanding the Sacraments* Today as a companion to the ongoing and repeated practices that nourish us Of the seven sacraments penance particularly the reform of the sacrament since the Second Vatican Council may be the least understood The practice of the sacrament has ranged from a once in a lifetime chance to turn from sin to a heavily attended weekly ritual Penances have ranged from harsh tasks that might take a lifetime to accomplish to a set of simple prayers said hurriedly before leaving the church The sacrament has been called confession penance and most recently reconciliation reflecting the shifting emphasis from one element of the sacrament to another Father Mick offers a look at the history and reorients our approach to this sacrament of mercy the true purpose of which is to foster spiritual growth and ongoing conversion in our life as a community and individuals Lawrence E Mick a priest in the Archdiocese of Cincinnati is a liturgical consultant and writer whose numerous books include *Understanding the Sacraments Today* and *Living Baptism* Daly both published by Liturgical Press
