Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin:

Reexamining The Soviet Experience David Holloway, Norman Naimark, 1996-02-15 How did we study the Soviet Union before and in what ways must we adjust our approaches and habits to take account of new opportunities and pitfalls How do current developments in the USSR's successor states alter or deepen our understanding of the Soviet experience These questions are explored here in thorough examinations of specific problems that arose during the authors recent research and writing as well as in the emergence and evolution of the field of Soviet studies and in the development of the Soviet social and political institutions themselves

Russia's Bitter Path to Modernity Alexander Chubarov, 2001-01-01 Will it follow the model of the Western capitalist democracies as those who applied the economic shock therapy of the early 90s hoped or will it chose its own distinct path of development In this history of Russia from 1917 to the present Alexander Chubarov teases out certain themes developed in his previous book on tsarist Russia *The Fragile Empire* One of the key factors to Russia's distinctiveness is its halfway location in the center of the Eurasian landmass This lends an inevitability to the traditional cultural schism between Westernizing reformers and Slavophiles Neither approach says Chubarov will work on its own Chubarov offers a balanced view abstaining from narrow ideologically biased assessments and examines the triumphs yes and failures of Russia's Soviet development within Russia's own cultural and historical context Without ever minimizing the brutalities of the Soviet period the state terror the collectivizations the labor camps the deportations of whole peoples Chubarov demonstrates much continuity between tsarist and Soviet Russia with the latter often repeating the former's mistakes Russia says Chubarov cannot turn its back on its Soviet experience Far from being a blind alley or aberrant phase the Soviet period was an organic part of Russia history and was largely successful in turning Russia and most of the other Soviet republics into modern states

Russia's Revolution from Above, 1985-2000 Gordon Hahn, 2018-04-27 The fall of the Soviet communist regime in 1991 offers a challenging contrast to other instances of democratic transition and change in the last decades of the twentieth century The 1991 revolution was neither a peaceful revolution from below as occurred in Czechoslovakia nor a negotiated transition to democracy like those in Poland Hungary or Latin America It was not primarily the result of social modernization the rise of a new middle class or of national liberation movements in the non Russian union republics Instead as Gordon Hahn argues the Russian transformation was a bureaucrat led state based revolution managed by a group of Communist Party functionaries who won control over the Russian Republic RSFSR in the mid 1990s Hahn describes how opportunistic Party and state officials led by Boris Yeltsin defected from the Gorbachev camp and proceeded in 1990-91 to dismantle the institutions that bound state and party These revolutionaries from above seized control of political economic natural and human resources and then separated the party apparatus from state institutions on Russian Republic territory With the failed August 1991 hard line coup Yeltsin banned the Communist Party and decreed that all Union state organs including the KGB and military were under RSFSR control In Hahn's account this mode of revolutionary change

from above explains the troubled development of democracy in Russia and the former Soviet republics Hahn shows how limited mobilization of the masses stunted the development of civil societies and the formation of political parties and trade unions with real grass roots The result is a weak society unable to nudge the state to concentrate on institutional reforms society needs for the development of a free polity and economy Russia's Revolution from Above goes far in correcting the historical record and reconceptualizing the Soviet transformation It should be read by historians economists political scientists and Russia area scholars

The Lights that Failed Zara S. Steiner, Zara Steiner, 2007 In *The Lights that Failed* Steiner challenges the assumption that the Treaty of Versailles led to the opening of a second European war and provides an analysis of the attempts to reconstruct Europe during the 1920s OCLC

Anatomy of Mistrust Deborah Welch Larson, 2000 Synthesizing different understandings of trust and mistrust from the theoretical traditions of economics psychology and game theory Larson analyzes five cases that might have been turning points in U S Soviet relations

Building the General Relativity and Gravitation Community During the Cold War Roberto Lalli, 2017-08-21 This monograph presents a new perspective on the history of general relativity It outlines the attempts to establish an institutional framework for the promotion of the field during the Cold War Readers will learn the difficulties that key figures experienced and overcame during this period of global conflict The author analyzes the subtle interconnections between scientific and political factors He shows how politics shaped the evolution of general relativity even though it is a field with no military applications He also details how different scientists held quite different views about what political meant in their efforts to pursue international cooperation The narrative examines the specific epistemic features of general relativity that helped create the first official international scientific society It answers Why did relativity bring about this unique result Was it simply the product of specific actions of particular actors having an illuminated view of international relations in the specific context of the Cold War Or was there something in the nature of the field that inspired the actors to pioneer new ways of international cooperation The book will be of interest to historians of modern science historians of international relations and historians of institutions It will also appeal to physicists and interested general readers

The Soviet Elite from Lenin to Gorbachev Evan Mawdsley, Stephen White, 2000-03-09 Although the product of a self proclaimed proletarian revolution Soviet Russia was always dominated by an elite Basing itself upon nearly two thousand people who served on the Communist Party's Central Committee from 1917 to 1991 this is the first book to study the elite that ruled the world's largest country throughout the entire period of Soviet rule It is also the first to make full use of the rich sources available since the collapse of Communism The authors profile the elite as a whole and looks more closely at fifteen individual members identifying four elite generations The book examines the evolving connection between Central Committee membership and administrative functions the changing power and privileges of the elite and its relationship with the population the Communist party and the top leaders and the surprising extent to which the elite managed to maintain its position into the early years of post

communist Russia **The Demise of the Soviet Union** Jan Hallenberg, 2018-05-08 This title was first published in 2002 Designed as a research text for academics in higher education and interested practitioners this volume weaves together an original strand of international relations theory with key empirical case studies of the United States United Kingdom France and Sweden and their attitudes towards the Soviet Union Original in nature and composition the book deals with aspects of predictability in foreign policy and gauges the level of impact that international events have on domestic levels of awareness The hypothesis and the typology are solid giving the book its strong analytical structure In sum this book is cutting edge It will be of great use as a research text to those studying the countries of Western Europe and also those with an interest in Russia and the Soviet Union Given its strong theoretical content and its choices of case study this cross disciplinary text is also suitable for area studies in general **The Second Generation** Andreas W. Daum, Hartmut Lehmann, James J. Sheehan, 2015-12-01 Of the thousands of children and young adults who fled Nazi Germany in the years before the Second World War a remarkable number went on to become trained historians in their adopted homelands By placing autobiographical testimonies alongside historical analysis and professional reflections this richly varied collection comprises the first sustained effort to illuminate the role these men and women played in modern historiography Focusing particularly on those who settled in North America Great Britain and Israel it culminates in a comprehensive meticulously researched biobibliographic guide that provides a systematic overview of the lives and works of this second generation *Russia's 1996 Presidential Election: The End of Polarized Politics* Michael McFaul, 1997 **Alexander L. George: A Pioneer in Political and Social Sciences** Dan Caldwell, 2018-07-20 Alexander L George was one of the most productive and respected political scientists of the late twentieth century He and his wife Juliette George wrote one of the first psychobiographies and Professor George went on to write seminal articles and books focusing on political psychology the operational code foreign policy decisionmaking case study methodology deterrence coercive diplomacy policy legitimacy and bridging the gap between the academic and policymaking communities This book is the first and only one to contain examples of the works across these fields written by Alexander George and several of his collaborators This is a collection of Alexander L George's works from the major fields to which he contributed There are biographical essays by his wife and co author Juliette L George daughter Mary George Douglass former student Dan Caldwell and professional colleague Janice Gross Stein There are 25 photographs of Alexander L George and his family which have not previously been published **Russia's Unfinished Revolution** Michael A. McFaul, 2015-05-15 For centuries dictators ruled Russia Tsars and Communist Party chiefs were in charge for so long some analysts claimed Russians had a cultural predisposition for authoritarian leaders Yet as a result of reforms initiated by Mikhail Gorbachev new political institutions have emerged that now require election of political leaders and rule by constitutional procedures Michael McFaul traces Russia's tumultuous political history from Gorbachev's rise to power in 1985 through the 1999 resignation of Boris Yeltsin in favor of Vladimir Putin McFaul divides his account of the post Soviet

country into three periods the Gorbachev era 1985 1991 the First Russian Republic 1991 1993 and the Second Russian Republic 1993 present The first two were he believes failures failed institutional emergence or failed transitions to democracy By contrast new democratic institutions did emerge in the third era though not the institutions of a liberal democracy McFaul contends that any explanation for Russia's successes in shifting to democracy must also account for its failures The Russian Soviet case he says reveals the importance of forging social pacts the efforts of Russian elites to form alliances failed leading to two violent confrontations and a protracted transition from communism to democracy McFaul spent a great deal of time in Moscow in the 1990s and witnessed firsthand many of the events he describes This experience combined with frequent visits since and unparalleled access to senior Russian policymakers and politicians has resulted in an astonishingly well informed account Russia's Unfinished Revolution is a comprehensive history of Russia during this crucial period After the Collapse of Communism Michael McFaul, Kathryn Stoner-Weiss, Kathryn Stoner, 2004-09-06 Publisher Description **Problematic Sovereignty** Stephen D. Krasner, 2001 Daniel Deudney Johns Hopkins University coeditor of Contested Grounds Security and Conflict in the New Environmental Politics Russia in the Age of Wars, 1914-1945 Silvio Pons, Andrea Romano, 2000 1996 Massimo Mastrogregori, 2014-02-21 Annually published since 1930 the International bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The works are arranged systematically according to period region or historical discipline and within this classification alphabetically The bibliography contains a geographical index and indexes of persons and authors The Caucasus Emirate Mujahedin Gordon M. Hahn, 2014-10-23 Russia's North Caucasus mujahedin of the self declared Caucasus Emirate and the history thereof is part and parcel of the global jihadi revolutionary movement which includes but is no longer led by Al Qaeda This book corrects the inadequate previous treatments of the violence in the Caucasus almost all of which explain what ought to be called the rise of jihadism in the Caucasus solely in terms of Russian actions The author brings the international jihadist and local North Caucasian causes back into the picture detailing the global Jihadist Islamist revolutionary movement's propagation of the jihadi method and material support to nationalist and Islamic extremists in Chechnya and the Caucasus since the mid 1990s Like jihadi groups in Afghanistan and Pakistan Iraq Syria and Africa the Caucasus Emirate is an Al Qaeda ally and de facto affiliate It represents a threat to Russian U S and international security as evidenced by terrorist plots perpetrated or inspired by it in Belgium the Czech Republic Denmark Spain Azerbaijan and Boston **The Bolsheviks and Britain during the Russian Revolution and Civil War, 1917-24** Evgeny Sergeev, 2022-06-16 This book analyses the principal aspects of the relations between Soviet Russia USSR and Britain in the crucial phase of their formation namely the period from 1917 to 1924 Using previously unavailable and largely unknown archival records and memoirs published by statesmen diplomats and military commanders directly involved in the events Evgeny Sergeev not only reconstructs the

dynamics of the interaction between Moscow and London but also strips its key episodes of common myths and stereotypes. The most debatable issues to which this study draws its primary attention include Britain's role in the Entente armed intervention against the Bolshevik regime as well as a series of reciprocal attempts to avoid political controversies and London's contribution to humanitarian aid and the economic recovery of post-revolutionary Russia. Special consideration is also given to the impact of British diplomacy on the recognition of the USSR by other great powers like France, Italy and Japan in the mid 1920s.

The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15. The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history. It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves. However, until now, historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature. *The Russian Revolution and Civil War 1917-1921* offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history. The Bibliography focuses on the key years of 1917 to 1921, starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921, and covers all the key events of the intervening years. As such, it identifies these crucial years as something more than simply the creation of a communist state.

Days of Defeat and Victory Yegor Gaidar, 2012-03-15. Yegor Gaidar, the first post-Soviet prime minister of Russia and one of the principal architects of its historic transformation to a market economy, here presents his lively account of governing in the tumultuous early 1990s. Though still in his forties, Gaidar has already played a pivotal role in contemporary Russian political history, championing the cause of dramatic economic reform, aggressive privatization of state enterprises and painful fiscal discipline in the face of widespread popular resistance. Gaidar's youthfulness, energy and daring are symbolic of a new phenomenon in Russian politics: the emergence of a younger generation of politicians with a distinctly technocratic bent, looking firmly to the United States and Europe for inspiration and sharing little of the old generation's nostalgia for Communist stability. It was largely the implementation of Gaidar's policies that drove the Russian parliament to rebel against Boris Yeltsin in 1993, leading to the bloody tank assault on the parliament itself. Though Yeltsin prevailed, it was clear that the political and social costs of shock therapy were too great for Russia's fragile democracy to bear, and Gaidar himself was ousted to appease the conservatives. His unfinished agenda was put on hold, though he later returned when Yeltsin needed to placate international financial forces. Gaidar remains active in Russian politics, having formed his own political party, Russia's Democratic Choice. In this book, he brings his story through Yeltsin's cliffhanger re-election in 1996 and assesses the still precarious state of the market reforms and democratic politics.

Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Reexamining The Soviet Experience Essays In Honor Of Alexander

Dallin. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin is one of the best book in our library for free trial. We provide copy of Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin. Where to download Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin online for free? Are you looking for Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin PDF? This is definitely going to save you time and cash in something you should think about.
