Halverson, 2025-06-20 When do we feel most alive It's when something or someone grabs our attention and causes us to live with a passion for those things that are outside us Think of falling in love

or living for a cause That's what fearing God does It causes us to come alive by grabbing our attention and focusing us on the God who loves us Fearing God is not the same as being afraid of God Instead fearing God is being overwhelmed by the infinite loving dangerous God and being fulfilled by that fear Finding fulfillment by fearing God challenges the popular belief that we will be most fulfilled when we follow our hearts Read this book with a heart that is open to being transformed

Christianity Nathan Shane Miller, 2010-11-11 Just as the commercial market is full of lofty promises and glossed over particulars so it is with the marketplace of ideas Too often the church itself resorts to catchphrases and slogans to elementary truths over spiritually mature ones to rhetoric over reason and concise responses instead of complete answers The danger of this is that the church may become nothing more than a peddler of platitudes and its followers may become disillusioned This book aims to help uncover the real deal behind common Christian bywords and the real truth underlining prevalent Christian truisms in the hope that we might know God better and discover the richness and fullness that is in Christianity **Living the Fruitful Life** Dianne Myers Haneke PhD, 2014-07-31 Who is God What is He like What does God desire us to become How does He want us to live This yearlong devotional clarifies these questions for you by meditating on the fruit of the Spirit and ten parallel New Testament passages It takes twenty one days to make a habit how about twenty eight to thirty one days of love joy peace Might we better grasp God and His desires Weekly focuses guide us closer to Almighty God This great guide to help us pray through the fruits of the spirit and understand them better Practical actions guide us to see more of the fruit of God's Spirit in our lives Jeremy Story President of Campus Renewal Ministries Dianne Haneke is a long time friend I value her and her husband John They have lived Psalm 84 57 and Dianne's book is able to help and inspire others on their life's journey Dr George O Wood General Superintendent General Council Assemblies of God Springfield Missouri We encourage you to embark on this devotional journey with Dianne as she shares words of wisdom to equip you to flourish in your Christian walk Pastors Rob and Laura Koke Shoreline Church Austin Texas I have always enjoyed Dianne's work This devotional is well written and inspiring making me look forward to my devotional time each day I am encouraging all my parishioners to read it David Scott Pastor of Family of Hope Church Saugerties New York

Reading the Bible with Its Writers Stephen Burnhope, 2025-02-28 The Bible is a collection of sixty six books written by many different people over many hundreds of years All of its writers lived in an ancient world context and thought in ancient world ways But as Bible readers today we live and think in the modern world which is increasingly a postmodern world

Things that were obvious to them are not obvious to us and vice versa For Christians who want to be faithful to the Bible as the Word of God the time and distance between then and now is a real challenge to navigate Stephen Burnhope suggests that we won't get it right by collapsing that gap by just picking the text up and reading it The Bible says insert a verse is not enough We will mishear both what the human authors were saying and what the divine author was saying Reading the Bible well starts from reading it with its writers understanding it as they understood it what they were saying why they said it and how they said it All of which is shaped and framed by the Bible's big themes that once we're aware of them we see running throughout from cover to cover God of Love and God of Judgement Stephen K. Moroney, 2009-07-06 How can a God of love also be a God of judgment If God loves everyone what is the point of judgment Does God change from being wrathful in the Old Testament to loving in the New Testament Can we discern God's judgments in current events such as hurricanes and personal tragedies Is it ever right for humans to judge These are not just daunting issues for theologians to ponder They are urgent questions for everyone Our answers profoundly affect how we relate to God and how we live with one another Coming to grips with these issues is vital for our spiritual journeys Many people today emphasize God's love and downplay his judgment The problem with this approach is that God's judgment is taught in Scripture from the beginning of Genesis to the end of Revelation and it is a core part of the gospel preached by Jesus and his apostles There are problems at the other end of the spectrum too when we believe in a God of judgment who is not also a God of love It is impossible for us to find spiritual peace when we live in constant dread of God pictured as a harsh judge whom we can never please This book calls us to embrace a more full biblical image of God one that joins his love and judgment together Additionally the book shows that as those who are made in God's image we can fuse love and judgment together constructively in our own daily lives

Theophany Vern S. Poythress, 2018-02-20 A theologically rich spiritually edifying exploration of all that the Bible says about an awe striking reality Dennis Johnson Each time God appears to his people throughout the Bible in the form of a thunderstorm a man a warrior a chariot etc he comes to a specific person for a specific purpose And each of these temporary appearances called theophanies helps us to better understand who he is anticipating his climactic permanent self revelation in the incarnation of Christ Describing the various accounts of God's visible presence from Genesis to Revelation theologian Vern S Poythress helps us consider more deeply what they reveal about who God is and how he dwells with us today

From Ancient Text to Valid Application Josiah D. Boyd, 2021-12-10 As a child needs nutrient rich calories to grow healthily so God's people experience maturation through consistent Spirit empowered feedings from the Bible prepared by a capable Spirit filled chef This is why Paul emphatically charged Timothy an overseer of a local congregation to unwaveringly and unrelentingly preach the word 2 Tim 4 1-2 a task that assumes not only Scripture's right explanation but also its valid application Unfortunately while much scholarly attention has been paid to the former facet less has been given to the latter One homiletician Abraham Kuruvilla Privilege the Text A Theological Hermeneutic for Preaching has recently attempted to fill this void by articulating and demonstrating a methodology through which a preacher can with confidence and clarity lead the people of God from the word of God to its intended and thus binding application This work explores the effectiveness of his proposed theology and hermeneutic for the identification development communication and reception of

biblically founded theologically valid and hearer relevant application Richard Baxter and the Mechanical Philosophers David S. Sytsma, 2017-07-03 Richard Baxter one of the most famous Puritans of the seventeenth century is generally known as a writer of practical and devotional literature But he also excelled in knowledge of medieval and early modern scholastic theology and was conversant with a wide variety of seventeenth century philosophies Baxter was among the early English polemicists who wrote against the mechanical philosophy of Ren Descartes and Pierre Gassendi in the years immediately following the establishment of the Royal Society At the same time he was friends with Robert Boyle and Matthew Hale corresponded with Joseph Glanvill and engaged in philosophical controversy with Henry More In this book David Sytsma presents a chronological and thematic account of Baxter's relation to the people and concepts involved in the rise of mechanical philosophy in late seventeenth century England Drawing on largely unexamined works including Baxter's *Methodus Theologiae Christianae* 1681 and manuscript treatises and correspondence Sytsma discusses Baxter's response to mechanical philosophers on the nature of substance laws of motion the soul and ethics Analysis of these topics is framed by a consideration of the growth of Christian Epicureanism in England Baxter's overall approach to reason and philosophy and his attempt to understand creation as an analogical reflection of God's power wisdom and goodness or *vestigia Trinitatis* Baxter's views on reason analogical knowledge of God and *vestigia Trinitatis* draw on medieval precedents and directly inform a largely hostile though partially accommodating response to mechanical philosophy **Love of a God of Love** Hugo Strandberg, 2011-09-15 Traditionally religious belief has in the philosophy of religion been understood along more or less epistemological lines Love of a God of Love develops another understanding of belief where the moral concept of love is central In this context what is distinctive about the concept of love is that it is both the what and the how of belief for the one who loves a God of love the concept of love characterizes both the content side and the act side of the belief In that respect this understanding of religious belief makes it possible to avoid certain formalist difficulties arising when the what and the how of belief are sharply distinguished A Temple for the Ages: Solomon Builds God's House Ahmed Musa, 2024-12-11 A king's vision A divine blueprint A temple that would stand as a symbol of God's presence forever When King Solomon embarked on the monumental task of building a temple for God he wasn't just constructing a physical structure he was creating a place that would represent God's glory power and presence among His people for generations to come A Temple for the Ages takes you inside the story of Solomon's great building project exploring the deep spiritual significance of the temple the wisdom behind its design and the enduring lessons it offers to believers today In A Temple for the Ages Solomon Builds God's House you'll explore The divine inspiration and blueprint for the temple that Solomon received from God and how it reflected God's holiness order and beauty The role of Solomon's wisdom and leadership in overseeing the temple's construction and the international admiration for the project The gold cedar and precious stones that made the temple an awe inspiring place and their spiritual significance as symbols of God's eternal wealth and glory How the temple represented

God's covenant with Israel and its role as a focal point for worship, prayer, and sacrifice. The temple's deeper meaning in light of Jesus Christ, how He fulfilled the purpose of the temple and made a new way for God's presence to dwell with His people. This is not just the story of bricks and mortar; it is the story of a nation's desire to honor God and the lengths they went to create a dwelling place for His Spirit. What does it mean for us to build a temple for God today? How can we honor Him with our lives as Solomon honored Him with the temple? The building of the temple was the beginning of something sacred and lasting. But today we are called to be temples of the Holy Spirit, carrying His presence wherever we go. Step into A Temple for the Ages and discover how Solomon's grand vision points to a deeper, more personal calling for each believer. God's house is not just a place we visit; it's a life we are called to live.
