Soloveitchik,2019-02-18 For Rabbi Joseph B Soloveitchik one of the most profound religious thinkers of the twentieth century prayer expresses a Jew's deepest religious emotions and makes explicit the foundations of Jewish faith The topic of prayer therefore preoccupied Rabbi Soloveitchik throughout his long career This volume collects ten of his

studies on prayer based on edited transcripts of public lectures and previously unpublished manuscripts as well as essays newly translated from Hebrew and Yiddish These studies add a new dimension to the Rav's previously published writings on tefilla focusing not only on its general aspects but on individual prayers and blessings and their particular details As the editors write in their introduction Without these essays the Rav's philosophy of prayer would be drastically incomplete Blessings and Thanksgiving is a significant contribution toward our understanding not only of specific prayers but of the Jewish approach to the encounter between man and God as understood and experienced by a giant of Jewish thought Book jacket
