The Mammoth Book of Best New Horror 11 Stephen Jones,2012-03-01 As usual acclaimed horror anthologist Stephen Jones has chosen the finest short stories and novellas of supernatural and psychological fiction With the most comprehensive review of the year useful contact lists and a fascinating necrology as a bonus this is one book that every horror fan must have *The Mammoth Book of Best New Horror* Stephen Jones,Ramsey Campbell,2000 Wherever I Go Mary Wagley Copp,2020-04-21 A hopeful and timely picture book about a spirited little girl living in a refugee camp Of all her friends Abia has been at the Shimelba Refugee Camp the longest seven years four months and sixteen days Papa says that s too long and they need a forever home Until then though Abia has something important to do Be a queen Sometimes she s a noisy queen banging on her drum as she and Mama wait in the long line for rice to cook for dinner Sometimes she s a quiet queen cuddling her baby cousin to sleep while Auntie is away collecting firewood And sometimes when Papa talks hopefully of their future forever home Abia is a little nervous Forever homes are in strange and faraway places will she still be a queen Filled with hope love and respect *Wherever I Go* is a timely tribute to the strength and courage of refugees around the world

Migrants shaping Europe, past and present Helen Solterer,Vincent Joos,2022-11-08 This pioneering volume explores the contribution of migrants to European culture from the early modern era to today It takes culture as an aesthetic and social activity of making one practised by migrants on the move and also by those who represent their lives in an act of support Adopting a multilingual approach the book interprets the aesthetics and political practices developed by and with migrants in Spain Italy and France It juxtaposes early modern and modern work with contemporary reconceiving migrants as crucial agents of change Scholars and artists track people on the move within the continent and without drawing a significant map for the cultural history of migration around Europe

Contemporary Italian Diversity in Critical and Fictional Narratives Ron Kubati,Marie Orton,Graziella Parati,2021-10-26 *Contemporary Italian Diversity in Critical and Fictional Narratives* is about identity individual and national and belonging It is also an affirmation of diversity The editors of this volume have brought together articles that analyze the literature of migration as well as creative pieces by recognized authors who have a lived experience of migration English speakers will find their own societal struggles with diversity mirrored in Italy s colonial inheritance and its renewed nationalism populism xenophobia and shifting national identity The artists and scholars who have contributed to this book challenge national discourses dehumanizations and issues of race and gender But many also seek to move beyond the negative and critical to claim belonging especially national belonging in the name of diversity as part of human experience The chapters emphasize how individuals both reflect and enact societal change and they foreground the inescapable fact that human differences and migration drive and shape societal identity in our world

Translating Crises Sharon O'Brien,Federico M. Federici,2022-10-20 Translating and interpreting in crises is emotionally and cognitively demanding with crisis communication in intercultural and multilingual disaster settings relying

on a multitude of cross cultural mediators and ever emerging new technologies This volume explores the challenges and demands involved in translating crises and the ways in which people technologies and organisations look for effective impactful solutions to the communicative problems Problematising the major issues but also providing solutions and recommendations chapters reflect on and evaluate the role of translation and interpreting in crisis settings Covering a diverse range of situations from across the globe such as health emergencies severe weather events earthquakes terrorist attacks conflicts and mass migration this volume analyses practices and investigates the effectiveness of current approaches and communication strategies The book considers perspectives from interpreting specialists educators emergency doctors healthcare professionals psychologists and members of key NGOs to reflect the complex and multifaceted nature of crisis communication Placing an emphasis on lessons learnt and innovative solutions *Translating Crises* points the way towards more effective multilingual emergency communication in future crises

No Country for Migrants? Critical Perspectives on Asylum, Immigration, and Integration in Germany Wilfried Zoungrana, 2019-10-14 *No Country for Migrants Critical Perspectives on Asylum Immigration and Integration in Germany* aims to critically contribute to ongoing debates about immigration integration and xenophobia in Germany Set against the backdrop of Germany's controversial political decision to open its borders to refugees in 2015 the book realigns this watershed with the broader historical narratives of migration to explain its exceptionality both as an event and transformative force on the migration integration discourse The book further uses critical theories to make sense of the shifting socio political coordinates of Germany It addresses the history of Germany's migration policies its soft and hard power in migration control language and societal integration immigration and the revival of right wing extremism as well as religion and immigration

Migration and Modernities DeLucia JoEllen DeLucia, 2018-11-27 Recovers a comparative literary history of migration This collection initiates transnational transcultural and interdisciplinary conversations about migration in the eighteenth and nineteenth centuries Migrants are by definition liminal and many have existed historically in the murky spaces between nations regions or ethnicities These essays together traverse the globe revealing the experiences real or imagined of eighteenth and nineteenth century migrants from dispossessed Native Americans to soldiers in South America Turkish refugees to Scottish settlers They explore the aesthetic and rhetorical frameworks used to represent migrant experiences during a time when imperial expansion and technological developments made the fortunes of some migrants and made exiles out of others These frameworks continue to influence the narratives we tell ourselves about migration today and were crucial in producing a distinctively modern subjectivity in which mobility and rootlessness have become normative Key Features Offers a comparative framework for understanding the modern history of migration and the aesthetics of mobility Foregrounds interdisciplinary debates about belonging rights and citizenship Demonstrates how mobility unsettles the national cultural racialized and gendered frames we often use to organize literary and historical study Brings together scholars from the US and Europe to explore the connections between

migrant experiences and the emergence of modernity Emphasizes the globalism of the eighteenth and early nineteenth centuries

Ghosts of Past and Future Darrell Schweitzer, 2008-06-01 Ghosts of Past and Future demonstrates Darrell Schweitzer's ability to astonish us with his range and depth as a poet. Those who encountered him first as an engaging satirist and parodist will rejoice in the emotional depth of this work though they will also be edified by his flashes of macabre humor. Schweitzer's symphonic progress of poems begins with illuminating meditations on mortality and death. It then moves to splendid dramatic monologues informed by a sage's knowledge and an lover's empathy. The book's next movement expands into works of beautiful and intimate lyricism. It climaxes with a series of insights on the significance of death for humanity's and the reader's future. The book is more than a feast of death; it is an affirmation of human value and history. At the same time, Schweitzer has put the book together to carry the reader through as if reading a piece of gripping suspense fiction. An important and above all fascinating book.

Mary A Turzillo Nebula winning fiction writer and poet Darrell Schweitzer is an outstanding exponent of contemporary imaginative literature. He has mastered a fine and very flexible kind of syllabic line part free part blank verse achieving many definitive and memorable passages that haunt the shared corridors of our collective imagination.

The Oxford Companion to Children's Literature Daniel Hahn, Michael Morpurgo, 2015 The last thirty years have witnessed one of the most fertile periods in the history of children's books. A fascinating reference guide to the world of children's literature this volume covers every genre from fairy tales to chapbooks school stories to science fiction comics to children's hymns.

[Survival August-September 2021: Debating US Foreign Policy](#) The International Institute for Strategic Studies (IISS), 2023-04-21 Survival the IISS's bimonthly journal challenges conventional wisdom and brings fresh often controversial perspectives on strategic issues of the moment. In this issue Daniel Deudney and G John Ikenberry argue that liberal internationalism is more appropriate to contemporary global realities than the Quincy coalition restraint. James Crabtree explains why the West's Build Back Better World partnership will be hard pressed to compete with China's Belt and Road Initiative. Joellen Pretorius and Tom Sauer contend that if states are serious about nuclear disarmament they should ditch the NPT and join the Ban Treaty instead. Sameer Lalwani and Tyler Sagerstrom analyse what the India Russia defence partnership means for US policy. And eight more thought provoking pieces as well as our regular Book Reviews and Noteworthy column.
