Reginas Legacy:

Regina's Legacy Kate William, Francine Pascal, 1991 A simple gift turns into big trouble Regina's Legacy Francine Pascal, 1993 *Regina's Legacy* , *Regina's Secret Spaces* University of Regina. Canadian Plains Research Center, 2006

Regina's Secret Spaces Love and Lore of Local Geography is an anthology of essays and poems by eighty writers artists architects musicians patrons of the arts and cultural theorists who were inspired by and answered the call of editors Lorne Beug Anne Campbell and Jeannie Mah to share their favourite Regina secret Some submissions were quirky and whimsical delighting in those things small yet significant which bring joy and connect us to the place we live others were more serious and more theoretical examining power structures both past and present and how these have shaped and are yet shaping the city Reflective engaging and insightful all express an abiding fondness for the city of Regina *Written Out* Joel Cabrita, 2023-01-17

Systemic racism and sexism caused one of South Africa's most important writers to disappear from public consciousness Is it possible to justly restore her historical presence Regina Gelana Twala a Black South African woman who died in 1968 in Swaziland now Eswatini was an extraordinarily prolific writer of books columns articles and letters Yet today Twala's name is largely unknown Her literary achievements are forgotten Her books are unpublished Her letters languish in the dusty study of a deceased South African academic Her articles are buried in discontinued publications Joel Cabrita argues that Twala's posthumous obscurity has not developed accidentally as she exposes the ways prejudices around race and gender blocked Black African women like Twala from establishing themselves as successful writers Drawing upon Twala's family papers interviews newspapers and archival records from Pretoria Uppsala and Los Angeles Cabrita argues that an entire cast of characters censorious editors territorial White academics apartheid officials and male African politicians whose politics were at odds with her own conspired to erase Twala's legacy Through her unique documentary output Twala marked herself as a radical voice on issues of gender race and class The literary gatekeepers of the racist and sexist society of twentieth century southern Africa clamped down by literally writing her out of the region's history *Written Out* also scrutinizes the troubled racial politics of African history as a discipline that has been historically dominated by White academics a situation that many people within the field are now examining critically Inspired by this recent movement Cabrita interrogates what it means for her a White historian based in the Northern Hemisphere to tell the story of a Black African woman Far from a laudable recovery of an important lost figure Cabrita acknowledges that her biography inevitably reproduces old dynamics of White scholarly privilege and dominance Cabrita's narration of Twala's career resurrects it but also reminds us that Twala tragically is still not the author of her own life story **2Nd Victory in Jesus** Alexander Lawrence, 2010-06-01

2nd VICTORY IN JESUS is the third volume of THE GOINS BRICOLAGE a saga of Tecumseh and Stonewall Counties in the State of Indiana It is the second part of the tale of Lamar Ainsley Goins an inept middle aged minister of the Gospel who despite himself achieves national and even international success in the late 1970s and early 80s

as pastor of The Temple of Holy Truth World Outreach Center of Aschburgh Lamar Ainsley Goins the youngest child of the late Wilton Fox Goins the greatest man ever to emerge from Aschburgh has now settled into his unanticipated success and sets his eye on ministering to a better educated and more affluent clientele to the north of Indianapolis He puts in motion a plan to get rid of his Pentecostal ties his grubby down at the heels Prophetess OnFire as well as his working class Board members and song leader while improving his grammar and adding the Rabboni Barry Wolfowitz a dynamic trumpet playing and yarmulke wearing ersatz Christian Jew As Lamar finally achieves the Victory for which he seems to have been destined the ever conniving founding pastor of the Temple Doctor Carter Bald no longer pursued by the FBI and IRS returns to Tecumseh County with a plan to take back the church and destroy Lamar s ministry *In the Hearts of Men* Christine Plato,2013-04-08 Regina is beautiful and intelligent and has grown up on a Georgia plantation When the plantation owner suddenly takes an interest in her Regina s family sends her away They think she is escaping but unbeknownst to them they are sending her into an even more complicated and dangerous situation Upon moving to Gatlin North Carolina she quickly falls in love with Jacob the attractive black caretaker at the Mercantile where she now works and lives She also attracts the attention of a wealthy white widower looking for a replacement of the Cherokee wife he lost Regina suddenly finds herself involved in a triangle of love and deception where she is hated for the color of her skin and loved for the wrong reasons Through her trials Regina finds strength within herself that she didn t realize she had and it eventually leads her through pain and heartache She discovers that sometimes love isn t what you first imagined and the only one who can truly save her is herself **S.V.H.# 73: REGINA'S LEGACY.** FRANCINE. PASCAL,1991 *Digest of the Decisions of the Courts of England Contained in The English Law and Equity Reports, from the First Volume to the Thirty-first Inclusive* Chauncey Smith,1859 **The Church of Santa Maria Donna Regina** Janis Elliott,2017-07-05 The church of Santa Maria Donna Regina in Naples is a rare example of aristocratic convent architecture in Italy designed and built for the devotional use of the Clarissan nuns Its decorative programme rivals that of Giotto s Arena Chapel in Padua in scope iconographical complexity and quality of artistic production The first book in English on this important church this elegantly written volume is also the first full scale study to bring together innovative interdisciplinary research on the building The authors explore themes relating to the architecture decoration sculpture iconography audience liturgy and patronage of Santa Maria Donna Regina enriching our understanding of the art patronage of royal women and the monastic experience of Clarissan nuns as well as the politics culture and patronage of trecento Naples Over one hundred illustrations many commissioned specially for the book accompany the text **"Where's the Box?"** Stephanie Guidetti RN,2011-09-21 When there is no box the possibilities are endless This is a story about how a group of ordinary people did something extraordinary they created a program for employees that changed the culture in their organization You can do it too So go beyond thinking outside the box Throw the box away and be as innovative and fun as you can be Encourage your team to think the same way and mine those

crazy ideas Some of the best ideas start out as crazy ones In fact most of the innovative things that all of us use every day probably started out as someones crazy idea Now where is that box bold line separating about the book and Author biography TEXT FOR AUTHOR BIO SHOULD BE WRAPPED AROUND THE AUTHOR PHOTO

Reconsidering Flannery O'Connor Alison Arant,Jordan Cofer,2020-11-24 Contributions by Lindsay Alexander Alison Arant Alicia Matheny Beeson Eric Bennett Gina Caison Jordan Cofer Doug Davis Doreen Fowler Marshall Bruce Gentry Bruce Henderson Monica C Miller William Murray Carol Shloss Alison Staudinger and Rachel Watson The National Endowment for the Humanities has funded two Summer Institutes titled Reconsidering Flannery O'Connor which invited scholars to rethink approaches to Flannery O'Connor's work Drawing largely on research that started as part of the 2014 NEH Institute this collection shares its title and its mission Featuring fourteen new essays Reconsidering Flannery O'Connor disrupts a few commonplace assumptions of O'Connor studies while also circling back to some old questions that are due for new attention The volume opens with New Methodologies which features theoretical approaches not typically associated with O'Connor's fiction in order to gain new insights into her work The second section New Contexts stretches expectations on literary genre on popular archetypes in her stories and on how we should interpret her work The third section lovingly called Strange Bedfellows puts O'Connor in dialogue with overlooked or neglected conversation partners while the final section O'Connor's Legacy reconsiders her personal views on creative writing and her wishes regarding the handling of her estate upon death With these final essays the collection comes full circle attesting to the hazards that come from overly relying on O'Connor's interpretation of her own work but also from ignoring her views and desires Through these reconsiderations some of which draw on previously unpublished archival material the collection attests to and promotes the vitality of scholarship on Flannery O'Connor
