Regional Disparities:

Regional Disparities in Small Countries Daniel Felsenstein, 2005-05-09 This book challenges the common perception that significant regional disparities do not exist in small countries As small developed countries become increasingly competitive and their economic structures resemble those of the large a re assessment of the regional consequences of these changes is of timely importance Regional Disparities in Small Countries presents a systematic discussion of the unique theoretical methodological and measurement challenges in analyzing regional inequalities in small countries and a series of empirical analyses addressing the issue of regional convergence and divergence in these countries With contributions from leading regional scientists and economists this book also examines the policy experience of small countries in closing regional gaps and the effectiveness of public interventions in this field see Reviews *Regional Disparities, Growth, and Inclusiveness* Mr. Holger Floerkemeier, Mr. Nikola Spatafora, Anthony Venables, 2021-02-12 We discuss regional disparities in economic performance and living standards We first set out some key facts and provide a conceptual framework to help analyze whether such disparities are efficient or instead reflect market and or policy failures We examine whether policy attempts to reduce regional disparities necessarily involve a trade off between equity and efficiency We then investigate whether policymakers should focus on boosting the economic performance of lagging regions or conversely accept the presence of regional disparities and instead assist households in lagging regions through transfer payments investments in education health and other basic services and by facilitating out migration The Political Economy of Discontinuous Development Milica Z. Bookman, 1991-11-30 Outbursts of regional conflict within national boundaries have characterized recent years Sub national states including parts of the Soviet Union India Canada and Yugoslavia dissatisfied with their central governments seek forms of independence to pursue autonomous development paths These region state conflicts have occurred in nations at all levels of development Canada and Indonesia France and Papua New Guinea under diverse economic systems the USSR and Canada Yugoslavia and Spain and across political systems federations such as India and unitary states such as Italy Bookman s study develops methods whereby both state and region can evaluate the region s potential to sustain economic growth autonomously filling the gap in current perceptions of inter regional relations Bookman introduces the concept of discontinuous development to facilitate the analysis of sub national regions that have varying levels of development The volume s emphasis on high income regions within both agricultural and industrial nations and on the economic basis of conflict makes it a unique contribution that assesses the viability of regions as autonomous entities The major part of the volume studies empirical evidence from India and Yugoslavia especially timely in light of present ethnic and religious conflicts in both countries The volume is divided into three sections Foundations Discontinuous Development and Inter regional Conflict and Empirical Evidence from India and Yugoslavia The first section presents a theoretical framework for issues internal to regions as well as regions relative to the nation It also outlines four ways of studying inter regional

conflict which are explored in the empirical chapters Part 2 analyzes eight high income regions characterized by discontinuous development and relates their experiences to the four hypotheses presented earlier The last section contains empirical chapters testing the model in the context of India and Yugoslavia The final chapter contains a full discussion of the hypotheses pertaining to secession and offers some suggestions concerning the possibilities of secession as the outcome of inter regional conflict The explosive consequences of recent trends make it imperative that scholars in development economics political economy political science and macroeconomics as well as policy makers comprehend the inter regional economic and political relationships behind these conflicts

Library of Congress Subject Headings Library of Congress,2002 **Library of Congress Subject Headings** Library of Congress. Cataloging Policy and Support Office,2009

OECD Territorial Outlook OECD,2001-05-16 This first edition of the OECD Territorial Outlook examines RECENT policy developments in the areas of urban rural and regional affairs in OECD countries *The Wealth & Poverty of Regions* Mario Polèse,2010-01-15 As the world becomes more interconnected through travel and electronic communication many believe that physical places will become less important But as Mario Pol se argues in *The Wealth and Poverty of Regions* geography will matter more than ever before in a world where distance is allegedly dead This provocative book surveys the globe from London and Cape Town to New York and Beijing contending that regions rise or fall due to their location not only within nations but also on the world map Pol se reveals how concentrations of industries and populations in specific locales often result in minor advantages that accumulate over time resulting in reduced prices improved transportation networks increased diversity and not least of all buzz the excitement and vitality that attracts ambitious people *The Wealth and Poverty of Regions* maps out how a heady mix of size infrastructure proximity and cost will determine which urban centers become the thriving metropolises of the future and which become the deserted cities of the past Engagingly written the book provides insight to the past present and future of regions *Chinese Economic History Since 1949* Michael

Dillon,2017-06-01 China s economic development has become a matter of world wide interest since the boom that began in the 1980s *Key Papers in Chinese Economic History since 1949* offers a selection of outstanding articles that trace the origins of the modern Chinese economy Topics covered include agriculture and the rural economy industrialisation and urbanisation finance and capital political economy and international connections *Social Inequality in Vietnam and the Challenges to Reform* Philip Taylor,2004 This book illustrates the changing ways in which people have accumulated wealth social and cultural capital in Vietnam s move from a socialist to a market oriented society *Slovak Republic* Ana Revenga,Carlos

Silva-Jauregui,2002 El objetivo de este estudio es analizar el fenomeno de la pobreza en la Republica de Eslovaquia y sus relaciones con el mercado laboral asi mismo ayuda a disenar acciones y politicas para reducir la pobreza y mejorar el bienestar de la poblacion de Eslovaquia **China in the Global Economy Income Disparities in China An OECD**

Perspective OECD,2004-09-21 China has experienced spectacular economic growth since 1978 averaging 8 to 9% per year

However economic disparities have also widened very significantly This book presents papers exploring the causes **The Political Economy of Uneven Development** Shaoguang Wang, Angang Hu, 1999 Exploring one of the most dynamic and contested regions of the world this series includes works on political economic cultural and social changes in modern and contemporary Asia and the Pacific **Advances in Spatial Analysis and Decision Making** Zhilin Li, Q. Zhou, W. Kainz, 2003-01-01 While traditional aspects of GIS have been growing rapidly in recent years new developments have focused on the geographic information service and delivery which will realise the benefits of spatial information to the community The analysis and application of spatial information for decision support systems is an important development in realising these benefits This book is a collection of peer reviewed articles presented at the ISPRS Workshop on Spatial Analysis and Decision Making in Hong Kong in 2003 It covers topics such as image based spatial analysis and decision making 3 D modelling and analysis general spatial analysis methodology web and mobile based analysis knowledge based systems integrated systems visualisation and representation methodology and some application systems Economic Development and Inequality in China Hong Yu, 2017-09-29 The conventional belief that all regions have equally benefited from China's remarkable development over the last three decades is subjected to criticism in this book as Hong Yu systematically analyses the issue of regional inequality during the post 1978 period using the case of Guangdong Guangdong is one of the key industrial centres and economic powerhouses in China and as a pioneer province instigating economic reform as China opened up to the world it offers an ideal focus upon which to question and enrich the Western theories of economic geography and regional disparity Based on field research analysis of geographic characteristics and regression models this book illustrates how Guangdong's impressive development record has been marred by its rising regional disparity investigates the main causes of this disparity and draws conclusions regarding the lessons China can learn from it Economic Development and Inequality in China will be of interest to students and scholars of Chinese economics Chinese regional studies economic geography and China Studies Hong Yu is a Visiting Research Fellow at the National University of Singapore His research interests lie in the field of regional economy He is the author of a chapter on China's two delta regions in the book China and The Global Economic Crisis *Understanding China's Urbanization* Li Zhang, Richard LeGates, Min Zhao, 2016-03-25 China's urbanization is one of the great earth changing phenomena of recent times The way in which China continues to urbanize will have a critical impact on the world economy global climate change international relations and a host of other critical issues Understanding and responding to China's urbanization is of paramount importance to everyone This book represents a unique exploration of the demographic spatial economic and social aspects of China's urban transformation Based on years of fieldwork and data analysis from different types of cities and towns in every region of China the authors present a detailed description of how China has urbanized since 1978 and an original theory about the way in which top down and bottom up policies have impacted urbanization They describe China's on going urbanization process as a

double dual transformation from a planned economy to a more market oriented one and from a concern with the quantity to the quality of urbanization In doing so the authors provide the most comprehensive and up to date book on Chinese urbanization to date This scholarly study will appeal to academics and practitioners including professors and postgraduate students of urban studies planning geography Asian studies and other social science disciplines and professional fields concerned with cities and urban development Professionals involved in international development particularly in China and elsewhere in Asia will be particularly interested in the book *The Geography of Serbia* Emilija Manić,Vladimir Nikitović,Predrag Djurović,2021-11-24 This is a comprehensive regional geography synthesis of the most important physical and human spatial processes that shaped Serbia and led to many interesting regional issues not only to Serbia but to the Balkans and Europe The book provides an overall view on the Serbian physical environment its population and economy It also highlights important regional issues such as regional disparities and depopulation sustainable development and ecological issues and rural economy in the context of rural area development which have been shaped by different political and historical processes This highly illustrated book provides interesting and informative insights into Serbia and its context within the Balkans and Europe It appeals to scientists and students as well as travelers and general readers interested in this region *Population And Migration Trends In Eastern Europe* Huey L Kostanick,2019-06-04 Eastern Europe is undergoing broad changes in demographic structure that have widened the ranges of population growth between countries and have created new problems of worker movement This book the result of a conference on demography and urbanization in Eastern Europe contains both broad theoretical and conceptual essays and specific analyses *OECD Regions and Cities at a Glance 2018* OECD,2018-10-09 This report looks at how regions and cities across the OECD are progressing towards stronger economies higher quality of life for their citizens and more inclusive societies This edition presents regional and metropolitan updates for more than 40 indicators to assess disparities **OECD Employment Outlook 2006 Boosting Jobs and Incomes** OECD,2006-06-16 This edition of OECD s annual report on employment prospects in the OECD area includes a comprehensive re examination of the OECD Jobs Strategy **Employment Opportunities & Economic Policy** K P Yadav,2006 Shows that the project of development backed by powerful global national and local interests had a few impact on employment and produced a growing divide between the elites and the people

Regional Disparities Introduction

In the digital age, access to information has become easier than ever before. The ability to download Regional Disparities has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Regional Disparities has opened up a world of possibilities. Downloading Regional Disparities provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Regional Disparities has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Regional Disparities. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Regional Disparities. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Regional Disparities, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Regional Disparities has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on

a journey of continuous learning and intellectual growth.

FAQs About Regional Disparities Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
