Regionalism In Canada A Multidisciplinary Approach:

Regionalism in Canada Chandra Mohan, 1995 Canada one of the highly developed countries in the world has been historically politically and culturally regarded a regionalised nation Today Canada appears to be in an ambivalent situation on the one hand regional parties such as the Reform Party in the West and the Bloc Quebecois in Quebec testify to the rise of regional tenancies On the other growth of global economy has pulled various Canadian regions in different directions depending on their economic linkages with the rest of the world The papers presented in the book constitute a fair representation of multidisciplinary study by Indian scholars on this sensitive and important subject They bring together relevant current research on the significance of Regionalism in Canada with some reflections on India as well This collection contributes to the understanding of some of the essential issues of Canadian regionalism

Asian Regionalism, Canadian and Indian Perspectives Charan D. Wadhwa, Yuen Pau Woo, 2005 Canada and India are in many ways natural partners two middle powers sharing a common political and legal tradition derived from the British Commonwealth as well as a commitment to multiculturalism democracy and international institutions India's founding Prime Minister Jawaharlal Nehru had a personal friendship with Canadian Prime Ministers Trudeau and Pearson Despite this promising start bilateral relations never took flight a function of Cold War politics India's relative isolation through much of the post independence period the enormous distance between the two countries and deep disagreements over India's testing of nuclear weapons in 1974 and 1998 By the start of the new millennium India and Canada were ready to embark on a new phase in bilateral relations one defined not only by trade and investment interests but also by a contemporary understanding of their standing in the world and the potential contribution that both countries can make to issues of regional and global significance

Comparative Politics Daniele Caramani, 2008 Comparative Politics provides a comprehensive introduction to political systems around the world It covers methods and theories the nation state institutions actors and processes policies and recent changes **Political Science Annual**, 1997 Canadian Studies Linda Marilyn Jones, Ginette Hébert, International Council for Canadian Studies, 1997 New-dialect Formation in Canada Stefan Dollinger, 2008 This book details the development of eleven modal auxiliaries in late 18th and 19th century Canadian English in a framework of new dialect formation The study assesses features of the modal auxiliaries tracing influences to British and American input varieties parallel developments or Canadian innovations The findings are based on the Corpus of Early Ontario English pre Confederation Section the first electronic corpus of early Canadian English The data which are drawn from newspapers diaries and letters include original transcriptions from manuscript sources and texts from semi literate writers While the overall results are generally coherent with new dialect formation theory the Ontarian context suggests a number of adaptations to the current model In addition to its general Late Modern English focus New Dialect Formation in Canada traces changes in epistemic modal functions up to the present day offering answers to the loss of root uses in the central modals By comparing Canadian with British and American data important theoretical insights on the origins of the variety are gained The study offers a sociohistorical perspective on a still understudied variety of North American English by combining language internal features with settlement history in this first monograph length diachronic treatment of

Canadian English in real time *The Theory, Practice and Potential of Regional Development* Kelly Vodden, David J.A. Douglas, Sean Markey, Sarah Minnes, Bill Reimer, 2019-07-04 Canadian regional development today involves multiple actors operating within nested scales from local to national and even international levels Recent approaches to making sense of this complexity have drawn on concepts such as multi level governance relational assets integration innovation and learning regions These new regionalist concepts have become increasingly global in their formation and application yet there has been little critical analysis of Canadian regional development policies and programs or the theories and concepts upon which many contemporary regional development strategies are implicitly based This volume offers the results of five years of cutting edge empirical and theoretical analysis of changes in Canadian regional development and the potential of new approaches for improving the well being of Canadian communities and regions with an emphasis on rural regions It situates the Canadian approach within comparative experiences and debates offering the opportunity for broader lessons to be learnt This book will be of interest to policy makers and practitioners across Canada and in other jurisdictions where lessons from the Canadian experience may be applicable At the same time the volume contributes to and updates regional development theories and concepts that are taught in our universities and colleges and upon which future research and analysis will build

Marchildon, 2009 Immigration and Settlement 1870 1939 includes twenty articles organized under the following topics the Opening of the Prairie West First Nations and the Policy of Containment Patterns of Settlement and Ethnic Relations and Identity in the New West The second volume in the History of the Prairie West Series Immigration and Settlement includes chapters on early immigration patterns including transportation routes and ethnic blocks as well as the policy of containing First Nations on reserves Other chapters grapple with the various identities preferences and prejudices of settlers and their complex relationships with each other as well as the larger polity

"Architecture, Design and Craft in Toronto 1900-1940 " Alla Myzelev, 2017-07-05 Toronto the largest and one of the most multicultural cities in Canada boasts an equally interesting and diverse architectural heritage Architecture Design and Craft in Toronto 1900 1940 tells a story of the significant changes in domestic life in the first 40 years of the twentieth century Adopting a multidisciplinary approach to studies of residential spaces the author examines how questions of modernity and modern living influenced not only architectural designs but also interior furnishings modes of transportation and ways to spend leisure time The book discusses several case studies some of which are known both locally and internationally for example Casa Loma while others such as Guild of All Arts or Sherwood have been virtually unstudied by historians of visual culture The overall goal of the book is to put Toronto on the map of scholars of urban design and architecture and to uncover previously unknown histories of design craft and domesticity in Toronto This study will be of interest not only to the academic community namely architects designers craftspeople and scholars of these disciplines along with social historians but also the general public interested in local history and or visual culture *Situating Federalism* Rekha Saxena, 2006 This study

explores and analyses patterns and trends in the relationship between the central and regional governments known as the federal and provincial governments in Canada and the union and state governments in India two Commonwealth countries This problem has acquired special significance in recent decades as both these political systems have undergone an eventful process of transition from a predominantly parliamentary regime to more federalized governance
