physical world is actually mental conscious thoughts Other discoveries are causing us to redefine our concepts of mind and the elusive thing we call consciousness All strongly hint that spirituality is the underlying source of everything Frontier scientists and scientifically trained researchers are providing us with a rich and expanding base of knowledge through systematic investigations of startling phenomena that have been observed in quantum physics cosmology biology psychology disease and healing death near death experiences reincarnation experiences and those occurring in spiritual hypnosis on the nature of the spiritual realm New concepts of reality are especially needed to explain the incredibly finetuned characteristics and the mysterious nature of our physical universe Ninety five percent of the universe s energy and mass are a mystery to scientists and for the moment we resort to naming them dark matter and dark energy The last time a comparable knowledge revolution occurred was in the late sixteenth century when astronomers determined that the planets revolved around the sun not the earth Historians call it the Copernican Revolution because it led to modern Western science From one perspective the new era predicted in this book a revolution in its own right can be considered the completion of the quantum revolution by defining and explaining the role of consciousness in our universe An underlying aspect of this new revolution is the sense that humanity is moving into a new era of rapidly expanding knowledge of the human spirit our soul aspect and non physical realities Until now this emerging knowledge has not been organized into a coherent and comprehensive structure Frontiers of Knowledge provides the first outline of this new structure of reality

Transpersonal Psychotherapy Seymour Boorstein,1996-01-01 Breaches the wall between the psychotherapeutic and the sacred as respected pioneers in the field give their vision of the synergistic potential in these two powerful traditions

The Big Book of Reincarnation Roy Stemman,2012-05-01 IS DEATH THE FINAL CHAPTER In The Big Book of Reincarnation Roy Stemman attempts to answer one of the big questions of existence Is death the end Or is it merely the end of a chapter in the book of existence A self described skeptical believer Stemman uses his skills as a professional journalist to perform an in depth exploration of reincarnation Using case studies anecdotes and physical evidence from the best documented cases from around the world Stemman shines a bright light on this subject inviting readers to decide for themselves on the basis of facts rather than on the basis of hearsay speculation and superstition Stemman finds fascinating examples of evidence of reincarnation in the nightmares of a Louisiana bayou boy the past life recall of a renowned neurosurgeon the research of a highly respected university professor and the unique system of governance in the mountains of Tibet to name just a few He examines the lives of those affected by reincarnation such as children who can actually remember their previous lives Instead of shying away from the skeptics Stemman evaluates their leading theories and compares them to the findings that he has accumulated throughout his global research The Big Book of Reincarnation is thorough well researched engaging and the most comprehensive book ever published on this fascinating subject

The Journey of Rainsnow J. Rainsnow,2002-01-30 The JOURNEY OF RAINSNOW centuries in the making yet destined for our own times is an extraordinary book at the same time

personal and universal private and planetary THE JOURNEY OF RAINSNOW is the story of one man's mystical odyssey of self discovery as he leaves behind the fetters of his rational past to map out a new territory of life within his heart It is a story which moves from the hard practical streets of New York City to a New Age awakening driven by paranormal experiences powerful synchronicities and a vivid stream of past life memories which give us glimpses of times and places as diverse as ancient Egypt and Greece feudal Japan and imperial China Maya and Aztec Mexico Native North America and Nazi Germany As the adventure unfolds so too do history's most critical lessons and the deepest mysteries of life THE JOURNEY OF RAINSNOW destined to be a New Age classic is truly a must read for anyone immersed in the search for life's meaning for anyone committed to the struggle of our world to heal and survive

Framework of Reality: Understanding Our Subtle Spiritual Nature Douglas Kinney, 2014-06-06 Framework of Reality highlights unfolding developments that are revolutionizing our understanding of ourselves and our place in the universe Scientists and scientifically trained researchers are providing us with a rich and expanding base of knowledge about strange and unusual phenomena observed in quantum physics cosmology biology psychology disease and healing death and reincarnation investigations It is a companion book to Frontiers of Knowledge which is a large research book with all the details and all the references Framework provides all the same information in a summary form It can be considered the Cliffs Notes for Frontiers of Knowledge Insights from quantum physics suggest that the basis of our physical universe is mental conscious thought Other discoveries are causing us to redefine our concepts of mind and this elusive thing we call consciousness The verified near death out of body experiences OBEs show that consciousness can exist in a nonphysical form indicating that mind is not tied to the physical brain New concepts of reality are also needed to explain the incredibly fine tuned characteristics of our physical universe The mysterious nature of dark energy and dark matter suggests that their source resides in subtle energy dimensions Strong hints of subtle dimensions are also provided in near death OBEs subtle energy healings and documented accounts of very unusual mind body effects Thousands of between lives spiritual regression cases and the deeper near death experiences provide us with fairly consistent descriptions of a nonphysical realm populated by souls living in a highly developed culture that is interacting with humans This revolutionary information demands a revised and expanded view of reality one in which spirituality is the underlying source of reality Highlights on all of the above and more are presented in Framework of Reality and they provide readers with the outline of this new revolution in knowledge
