Regulatory Law and Policy Sidney A. Shapiro, Joseph P. Tomain, 2020-01-03 Regulatory Law and Policy Sidney A. A Handbook of Legal Education in Nigeria Emiri, Oghenemaro Festus, 2018-05-22 This book is on the nature and practice of legal education in Nigeria with comparative material sometimes deployed to shed light on current local situation The primary goal of legal education is to prepare students for the profession To do this a faculty will need to pay attention to a theory of learning to guide it in implementing a programme that will serve the mission It is hoped that the basic information here provided on the basic structure and content oflegal education and ensuing challenges should point in **European Labour Law and Social Policy: Cases and** more fruitful directions to all in the legal profession in Nigeria Materials Alan Neal, 1999-09-22 This text is a collection of primary source materials in the labour law and social policy of the European Community in one volume It includes documents and decisions up to May 1st 1999 when the Treaty of Amsterdam came into force along with key legislative instruments in EC labour law and social policy significant associated policy documents produced by the Commission and important decisions of the European Court of Justice Essentials of Lawyering Skills in Africa Festus Emiri, Ernest Owusu-Dapaa, 2020-07-01 In twenty two chapters divided into six parts for convenience the authors not only lay bare the art of lawyering but also provide invaluable nuggets of perfecting and excelling as a solicitor and advocate There is little doubt that the contents of this book dramatically make a lawyer especially the lawyer in Africa to be more effective more skilful and a proper lawyer useful to the client and society Cases and Materials on EU Law Stephen Weatherill, 2016 This classic casebook provides a valuable selection of significant cases and legislation alongside an engaging range of carefully selected extracts all of which are enhanced by insightful author notes in an easy to use and accessible format Environmental Law: Text, Cases & Materials Elizabeth Fisher, Bettina Lange, Eloise Scotford, 2013-04-25 This new title offers a compact and complete resource for students featuring extracts from leading cases and articles alongside clear explanations and insightful analysis from an experienced author team This unique approach places environmental law in context enabling you to develop a clear and sophisticated understanding of this dynamic area

Insurance Law and Policy Tom Baker, Kyle D. Logue, 2017-02-23 A contemporary easy to teach text by high profile authors this casebook invites students and teachers to re imagine the field of Insurance Law The authors demonstrates the big picture role of insurance law and policy in American business and society exploring federal state regulatory roles in depth as well as the traditional topics covered in casebooks Insurance Law and Policy Cases and Materials uses more statutory material than any other casebook with statutes typically presented through problems Manageable assignments contain one major case followed by informative notes questions and a problem Administrative Law from the Inside Out Nicholas R. Parrillo, 2017-03-23 This collection of essays interrogate and extend the work of Jerry L Mashaw the most boundary pushing scholar in the field of administrative law Cases and Materials on Communications Law and Policy:

Telecommunications Charles M. Firestone, 1984 European Labour Law and Social Policy Cases and Materials Volume 1 Social Dialogue Industrial Relations and Labour Law A.C. Neal, 2002-08-01 This is the most comprehensive collection of primary source materials in the labour law and social policy of the European Community ever brought together With documents and decisions reflecting the state of play at 1st June 2002 it includes key legislative instruments in EC labour law and social policy significant associated policy documents produced by the Commission and important relevant decisions of the European Court of Justice Since the first edition of this work in 1999 the pace of social policy change and innovation at the level of the European Community has increased dramatically Indeed developments during the past three years are little short of remarkable with particularly important advances in relation to the promotion of information consultation and participation for workers along with growing concern for several much broader social policy issues Recognition of the changes in emphasis and scale for European social policy and the presence of substantially more material to be included have caused this edition of the work to be divided into two volumes Volume I covers social dialogue industrial relations and labour law while Volume II is concerned with a wide range of material touching dignity at work in the European Community The arrangement of the material in two self contained volumes also reflects a division of convenience Thus those whose main focus is upon the labour law aspects of European social policy may choose to utilise primarily the material contained in the first volume while those who wish to concentrate more particularly upon fundamental social rights equal opportunities anti discrimination and dignity at work might wish to take advantage of the framework presented in the second volume Advocates judges policy makers scholars and students will all appreciate this essential sourcebook in EC labour law and social policy
