All Things Hold Together in Christ James K. A. Smith, Michael L. Gulker, 2018-01-02

As Christians engage controversial cultural issues we must remember that all things hold together in Christ Col 1:17 even when it comes to science and faith. In this anthology top Christian thinkers including Robert Barron, Timothy George, Stanley Hauerwas, Alasdair MacIntyre, Mark Noll, and N.T. Wright invite us to find resources for faithful creative thinking in the riches of the church's theological heritage and its worship traditions.

The Complete Works of C. H. Spurgeon, Volume 33 Spurgeon, Charles, 2015-03-26

Volume 33 Sermons 1938-2000 Charles Spurgeon 19 June 1834-31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers. Called the Prince of Preachers, he was one of England's most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today. His sermons have spread all over the world and his many printed works have been cherished classics for decades. In his lifetime Spurgeon preached to more than 10 million people, often up to ten times each week. He was the pastor of the congregation of the New Park Street Chapel, later the Metropolitan Tabernacle in London, for 38 years. He was an inexhaustible author of various kinds of works including sermons, commentaries, an autobiography, as well as books on prayer, devotionals, magazines, poetry, hymns, and more. Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration, and his oratory and writing skills held his audiences spellbound. Many Christians have discovered Spurgeon's messages to be among the best in Christian literature. Edward Walford wrote in Old and New London Volume 6, 1878, quoting an article from the Times regarding one of Spurgeon's meetings at Surrey Fanny, a congregation consisting of 10,000 souls streaming into the hall, mounting the galleries, humming, buzzing, and swarming, a mighty hive of bees eager to secure at first the best places and at last any place at all. After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance. Mr Spurgeon ascended his tribune. To the hum and rush and trampling of men succeeded a low concentrated thrill.

and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon The Whitby repository, or album of local literature ,1867

The Spiritual Writings Of Henry Drummond Henry Drummond,2014-05-13 Drummond was a man raised up by God and trained by His Providence to preach the everlasting Gospel to students in an age of transition And his power came to him through his implicit trust in that Providence and the Father his devotion to Christ the Son and his confident faith in the leading of the Holy Spirit This volume contains his most important writings The Programme Of Christianity The City Without A Church Pax Vobiscum Stones Rolled Away Eternal Life The Changed Life *God's Companions* Samuel Wells,2008-04-15 We are pleased to annouce that God s Companions by Samuel Wells has been shortlisted for the 2007 Michael Ramsey Prize

for theological writing www.michaelramseyprize.org.uk Grounded in Samuel Wells experience of ordinary lives in poorer neighborhoods this book presents a striking and imaginative approach to Christian ethics It argues that Christian ethics is founded on God on the practices of human community and on worship and that ethics is fundamentally a reflection of God s abundance Wells synthesizes dogmatic liturgical ethical scriptural and pastoral approaches to theology in order to make a bold claim for the centrality of the local church in theological reflection He considers the abundance of gifts God gives through the practices of the Church particularly the Eucharist His central thesis which governs his argument throughout is that God gives his people everything they need to worship him be his friends and eat with him Wells engages with serious scholarly material yet sets out the issues lucidly for a student audience **Fire in My Bones** Glenn Hinson,2010-11-24

Glenn Hinson focuses on a single gospel program and offers a major contribution to our understanding not just of gospel but of the nature of religious experience A key feature of African American performance is the layering of performative voices and the constant shifting of performative focus To capture this layering Hinson demonstrates how all the parts of the gospel program work together to shape a single whole joining speech and song performer and audience testimony prayer preaching and singing into a seamless and multifaceted service of worship Personal stories ground the discussion at every turn while experiential testimony fuels the unfolding arguments *Fire in My Bones* is an original exploration of experience and belief in a community of African American Christians but it is also an exploration of African American aesthetics the study of belief and the ethnographic enterprise **The Rehearsal** ,1750 *The Greatest Thing in the World and Other Writings* Henry
