Reign Of Fear:

Inquisition Toby Green, 2008 A break out book by one of our best narrative non fiction authors Everybody has heard of the Inquisition It was an institution that pursued heretics philandering priests and sexual deviants in Europe Africa Asia and Latin America for a period of over 350 years changing its focus with the times and enduring stubbornly into the nineteenth century Today the word implies dread fear and a withheld threat of torture But who were its targets Why did it provoke such fear How and where did it operate Why was it founded and why did it last for so long Toby Green s incredible new book brings an extraordinary 350 year period vividly to life by focusing on the hitherto untold stories of individuals from all walks of life Because the Inquisition touched every aspect of society it changed the world people attending church had to look suitably devout or they might be denounced a curse at a game of cards thrown out in the heat of the moment could bring an investigation stripping fat from a leg of lamb was enough to excite accusations of being a Jew A secret police and a thought police the Inquisition produced a permanent state of fear This history though filled with stories of terror and the unspeakable ways in which human beings can treat one another is also one of hope and ultimately of the resilience of the human spirit Instead of being cowed by their fear countless people rebelled in small and big ways paving the way for a more inclusive society The story of the Inquisition is not then one to be hidden and avoided it deserves to be told in all its human richness and complexity

Shrouded Chronicles of Jesus the Christ Pete Veronese, 2000-03 Biblical scripture is a message medium designed to deliver information to every generation since the beginning of time Paradoxically most people have difficulty making sense of the stories found in these books and are at the mercy to accept or reject the revelation given by the clergy I have studied and researched biblical documents for many years and have come to a far different conclusion than what prevails in the traditional ecclesiastical realm For instance Who are the demons that lived in the tombs Was Eve a woman or was she something more The miracle of the five loaves and two fish how was it achieved Was Martha really a selfless host working in the kitchen while her sister and everyone else did nothing Why did the Romans crucify Jesus with two criminals and who were they Who is Satan Was there really no room at the inn In this book these and many other questions become apparent This book is about hidden truths found in biblical stories and the reasons they were hidden
