Reigning Cats And Dogs A History Of Pets At Court Since The Renaissance:

Reigning Cats and Dogs Katharine MacDonogh,1999-11-01 When the Dowager Empress of China died in 1908 her favorite Pekingese was led before her coffin by the chief eunuch following a 900 year precedent Queen Victoria entertaining Napoleon III the Empress Eugenie at Windsor regarded a visit to the kennels as the high point of an afternoon s walk For monarchs their consorts cats dogs the occasional parrot have acted as constant companions unquestioning allies surrogate children For their isolated children cats dogs were often the only source of emotional comfort warmth The history of these pampered pets offers us a fascinating often hilarious peek into the exalted world of their owners Illustrated *Reigning Cats and Dogs* Katharine MacDonogh,1999 Historian Katharine MacDonogh offers a richly detailed historical account of court pets from the Renaissance to the present addressing such themes as the attraction of animals among royalty favored breeds special treatment and abuses received by pets animal treatment outside the palace and the origin of various species

A Matter of Breeding Michael Brandow,2015-02-03 A provocative look at the cult of pedigree and an entertaining social history of purebred dogs a must read for all dog lovers Booklist So called purebreds are the mainstay of the dog industry Expert Michael Brandow argues these aren t time honored traditions but rather commercial inventions of the 19th century that were marketed as status symbols to a growing middle class Combining social history and consumer studies with sharp commentary this reveals the sordid history of the dog industry and shows how our brand name pets pay the price with devastatingly poor health It includes chapters devoted to popular breeds such as Golden Retrievers Boston Terriers English Bulldogs Labrador Retrievers An essential read for animal lovers and animal rights activists everywhere A Matter of Breeding is a fresh take on the history pedigree dogs and encourages us to love all our furry friends no matter the coat color or price tag If you re considering welcoming a dog or two into your family read Michael Brandow s fascinating and eye opening book before visiting a pet store or breeder Betsy Banks Saul founder of Petfinder com *The Oxford Handbook of Dance and Politics* Rebekah J. Kowal,Gerald Siegmund,Randy Martin,2017 The Oxford Handbook of Dance and Politics presents cutting edge research investigating not only how dance achieves its politics but also how notions of the political are themselves expanded when viewed from the perspective of dance *Apes and Monkeys on the Early Modern Stage, 1603-1659* Teresa Grant,2024-07-06 This book is the first full length study of apes and monkeys on the early modern stage It broadens the scope of existing scholarship by situating the apes glimpsed in Shakespeare s plays in the wider context of the many uncelebrated uses by other playwrights c 1603 1659 The book investigates the theatrical appearances of real monkeys actors dressed up as apes and characters mistaken for them arguing that the ape trope is so insistent in early modern drama that it becomes a structural metaphor It addresses both plays and masques across the period arguing that the ways of seeing in these different kinds of theatre make apes mean differently in their generic contexts Grounded in historicist readings this book also draws significantly on the field of ritual studies and the new intersectional discipline of animal performance studies

Ravenous: A Life of Barbara Villiers, Charles II's Most Infamous Mistress Andrea Zuvich, 2024-09-30 Barbara Villiers was a woman so beautiful so magnetic and so sexually attractive that she captured the hearts of many in Stuart era Britain Her beauty is legendary she became the muse of artists such as Peter Lely the inspiration of writers such as John Dryden and the lover of John Churchill the future great military leader whom we also know as the 1st Duke of Marlborough Her greatest amorous conquest was King Charles II King of England Scotland and Ireland with whom she had a tempestuous and passionate relationship for the better part of a decade But this loveliest of Stuart era ladies had a dark side She hurt and humiliated her husband Roger Palmer for decades with her unashamedly adulterous lifestyle she plotted the ruin of her enemies constantly gambled away vast sums of money is remembered for the destruction of the Tudor era Nonsuch Palace and was known to unleash terrible rages when crossed Crassly lampooned by John Wilmot 2nd Earl of Rochester and subjected to verbal and written assaults she was physically abused by a later violent spouse Barbara lived through some of the most turbulent times in British history civil war the Great Plague of London which saw the deaths of around 100 000 people the Great Fire of London which destroyed much of the medieval city and foreign conflicts such as the Anglo Dutch Wars the Williamite wars and the War of the Spanish Succession An impoverished aristocrat who rose to become a wealthy countess and then a duchess taking her lovers from all walks of life Barbara laughed at the morals of her time and used her natural talents and her ruthless determination to the material benefit of herself and her numerous offspring In great stately homes and castles such as Hampton Court Palace her portraits are widely seen and appreciated even today She had an insatiable appetite for life love riches amusement and power She was simply ravenous *Parasites, Pussycats and Psychosis* E. Fuller Torrey, 2021-11-29 This open access book analyzes the evidence linking *Toxoplasma gondii* to the increasing incidence of schizophrenia and bipolar disorder in the United States Initially establishing that infectious agents are regularly transmitted from animals to humans lead to human disease and that infectious agents can cause psychosis it then examines the protozoan parasite *Toxoplasma gondii* in detail Infecting 40 million Americans *Toxoplasma gondii* is known to cause congenital infections eye disease and encephalitis for individuals who are immunosuppressed It has also been shown to change the behavior of nonhuman mammals as well as to alter some personality traits in humans After discussing the clinical evidence linking *Toxoplasma gondii* to human psychosis the book elucidates the epidemiological evidence further supporting this linkage including the proportional increase in incidence of human psychosis as cats transitioned to domestication over 800 years Finally the book assesses the magnitude of the problem and suggests solutions *Parasites Pussycats and Psychosis* The Unknown Dangers of Human Toxoplasmosis provides a comprehensive review of the evidence linking human psychosis in the United States to infections of *Toxoplasma gondii* It will be of interest to infectious disease specialists general practitioners scientists historians and cat lovers *Animals and Courts* Mark Hengerer, Nadir Weber, 2019-12-16 Early modern princely courts were not only inhabited by humans but also by a large number of animals This coexistence of non

human living beings had crucial impacts on the spatial organization the social composition and cultural life at these courts The contributions enrich our knowledge on another aspect of court life and invite to reconsider our basic understandings of court courtiers and court society

Medieval Pets Kathleen Walker-Meikle, 2012 Animals in the middle ages have often been discussed but usually only as a source of food as beasts of burden or as aids for hunters This book takes a completely different angle showing that they were also beloved domestic companions to their human owners It offers a full survey of pets and pet keeping how they were acquired kept fed exercised and displayed it looks at the problems pets could cause and finally how they were mourned It also examines the representation of pets and their owners in art and literature the many charming illustrations offer further evidence for the bonds between humans and their pets then as now Dr Kathleen Walker Meikle is a Wellcome Trust Fellow at the University of York working on animals and medieval medicine

Pets by Royal Appointment Brian Hoey, 2013-09-17 The royal family say they can do without many things but not their animals For countless monarchs and their consorts dogs cats horses and even the occasional parrot have acted as constant faithful companions unquestioning allies and surrogate children With intimate anecdotes and fascinating detail royal expert Brian Hoey describes the mini palaces provided for the Queen's pampered corgis Princess Anne's badly behaved bull terriers the wild animals including crocodiles hippopotami and an elephant presented to princes and princesses a regal passion for all things equine and the pigeon awarded a military medal for its efforts in the Second World War From the corgi dynasty to the Jack Russells rescued from Battersea Dogs and Cats Home *Pets by Royal Appointment* presents a very British family besotted with all creatures great and small

A Million Years in a Day Greg Jenner, 2016-06-21 Who invented beds When did we start cleaning our teeth How old are wine and beer Which came first the toilet seat or toilet paper What was the first clock Every day from the moment our alarm clock wakes us in the morning until our head hits our pillow at night we all take part in rituals that are millennia old Structured around one ordinary day *A Million Years in a Day* reveals the astonishing origins and development of the daily practices we take for granted In this gloriously entertaining romp through human history Greg Jenner explores the gradual and often unexpected evolution of our daily routines This is not a story of wars politics or great events Instead Jenner has scoured Roman rubbish bins Egyptian tombs and Victorian sewers to bring us the most intriguing surprising and sometimes downright silly historical nuggets from our past Drawn from across the world spanning a million years of humanity this book is a smorgasbord of historical delights It is a history of all those things you always wondered about and many you have never considered It is the story of your life one million years in the making

New Directions in Social and Cultural History Sasha Handley, Rohan McWilliam, Lucy Noakes, 2018-02-22 What does it mean to be a social and cultural historian today In the wake of the cultural turn and in an age of digital and public history what challenges and opportunities await historians in the early 21st century In this exciting new text leading historians reflect on key developments in their fields and argue for a range of new directions in social and cultural history Focusing on emerging

areas of historical research such as the history of the emotions and environmental history *New Directions in Social and Cultural History* is an invaluable guide to the current and future state of the field The book is divided into three clear sections each with an editorial introduction and covering key thematic areas histories of the human the material world and challenges and provocations Each chapter in the collection provides an introduction to the key and recent developments in its specialist field with their authors then moving on to argue for what they see as particularly important shifts and interventions in the theory and methodology and suggest future developments *New Directions in Social and Cultural History* provides a comprehensive and insightful overview of this burgeoning field which will be important reading for all students and scholars of social and cultural history and historiography

The Great Cat & Dog Massacre Hilda Kean, 2017-03-14 The tragedies of World War II are well known But at least one has been forgotten in September 1939 four hundred thousand cats and dogs were massacred in Britain The government vets and animal charities all advised against this killing So why would thousands of British citizens line up to voluntarily euthanize household pets In *The Great Cat and Dog Massacre* Hilda Kean unearths the history piecing together the compelling story of the life and death of Britain's wartime animal companions She explains that fear of imminent Nazi bombing and the desire to do something to prepare for war led Britons to sew blackout curtains dig up flower beds for vegetable patches send their children away to the countryside and kill the family pet in theory sparing them the suffering of a bombing raid Kean's narrative is gripping unfolding through stories of shared experiences of bombing food restrictions sheltering and mutual support Soon pets became key to the war effort providing emotional assistance and helping people to survive a contribution for which the animals gained government recognition Drawing extensively on new research from animal charities state archives diaries and family stories Kean does more than tell a virtually forgotten story She complicates our understanding of World War II as a good war fought by a nation of good people Accessibly written and generously illustrated Kean's account of this forgotten aspect of British history moves animals to center stage forcing us to rethink our assumptions about ourselves and the animals with whom we share our homes

From Stray Dog to World War I Hero Grant Hayter-Menzies, 2015-11-01 On the streets of Paris one day in July 1918 an American doughboy Sgt Jimmy Donovan befriended a stray dog that he named Rags No longer an unwanted street mutt Rags became the mascot to the entire First Division of the American Expeditionary Force and a friend to the American troops who had crossed the Atlantic to fight Rags was more than a scruffy face and a wagging tail however The little terrier mix was with the division at the crucial battle of Soissons at the Saint Mihiel offensive and finally in the blood and mud bath of the Meuse Argonne during which he and his guardian were wounded Despite being surrounded by distraction and danger Rags learned to carry messages through gunfire locate broken communications wire for the Signal Corps to repair and alert soldiers to incoming shells saving the lives of hundreds of American soldiers Through it all he brought inspiration to men with little to hope for especially in the bitter last days of the war *From Stray Dog to World War I Hero* covers Rags's entire life story from the bomb filled years of

war through his secret journey to the United States that began his second life one just as filled with drama and heartache In years of peace Rags served as a reminder to human survivors of what held men together when pushed past their limits by the horrors of battle Watch a book trailer *Animal History in the Modern City* Clemens Wischermann,Aline Steinbrecher,Philip Howell,2018-09-06 This book is open access and available on www.bloomsburycollections.com It is funded by Knowledge Unlatched Animals are increasingly recognized as fit and proper subjects for historians yet their place in conventional historical narratives remains contested This volume argues for a history of animals based on the centrality of liminality the state of being on the threshold not quite one thing yet not quite another Since animals stand between nature and culture wildness and domestication the countryside and the city and tradition and modernity the concept of liminality has a special resonance for historical animal studies Assembling an impressive cast of contributors this volume employs liminality as a lens through which to study the social and cultural history of animals in the modern city It includes a variety of case studies such as the horse human relationship in the towns of New Spain hunting practices in 17th century France the birth of the zoo in Germany and the role of the stray dog in the Victorian city demonstrating the interrelated nature of animal and human histories *Animal History in the Modern City* is a vital resource for scholars and students interested in animal studies urban history and historical geography

The Feline Mystique Clea Simon,2013-08-06 What is it with women and cats The *Feline Mystique* is the first serious examination of the intense relationship between woman and their cats and of the repercussions that bond can have on others Richly researched and searchingly personal The *Feline Mystique* uses history science art and literature as touchpoints to explain and explore contemporary women s lives with their cats From a glamorous tiger trainer to a feral cat rescuer from a show breeder to Simon and her own relationship with the gray longhair Cyrus this book will introduce you to women both ferocious and nurturing and animals both whimsical and noble It s a fresh fascinating exploration of the timeless bond between women and cats and will deepen your understanding of your relationship with your own feline be he or she tiger or tabby A cat person s answer to *Pack of Two* and *The Secret Life of Dogs* The *Feline Mystique* is an eye opening and soul soothing book for all cat lovers

Animal Breeding, Welfare and Society Jacky Turner,2010 The determination of when how often and with whom an animal breeds is moving rapidly away from evolutionary pressures and towards human purposes these include the breeding of around 50 billion mammals and birds for food production annually the breeding of pedigree dogs and cats racing dogs and horses specialised laboratory animal strains and the use of reproductive science to conserve endangered species or breeds and to limit unwanted populations of pests and non native species But the ethics and sustainability of this takeover of animals reproductive lives have been insufficiently examined by either professionals or the public This book discusses the methods the motivations and the consequences of human intervention in animal breeding in terms of animal health behaviour and well being It explores where we are now and the choices ahead and looks to a future where we have more respect for animals as sentient beings

and where we could loosen the reins of reproductive control

Medieval Clothing and Textiles 12 Robin Netherton, Gale R. Owen-Crocker, 2016 The best new research on medieval clothing and textiles drawing from a range of disciplines The studies collected here range through art artifacts documentary text and poetry addressing both real and symbolic functions of dress and textiles John Block Friedman breaks new ground with his article on clothing for pets and other animals while Grzegorz Pac compares depictions of sacred and royal female dress and evaluates attempts to link them together Jonathan C Cooper describes the clothing of scholars in Scotland's three pre Reformation universities and the effects of the Reformation upon it Camilla Luise Dahl examines references to women's garments in probates and what they reveal about early modern fashions Megan Cavell focuses on the treatment of textiles associated with the Holy of Holies in Old English biblical poetry Frances Pritchard examines the iconography heraldry and inscriptions on a worn and repaired set of embroidered fifteenth century orphreys to determine their origin Finally Thomas M Izbicki summarizes evidence for the choice of white linen for the altar and the responsibilities of priests for keeping it clean and in good repair

The Dog Book Kathleen Walker-Meikle, 2014-08-10 The perfect gift for any dog lover this is the story of man's best friend from the canine gods of Ancient Egypt to the heroic mascots of the Second World War Over the millennia dogs have been hailed as gods demons saints military heroes even reigning kings and all the while have been the keen hunters loyal guards and beloved pets we know today They feature in Egyptian myth classical astronomy medieval romances and early modern portraiture they took part in the court life of Imperial China in early Hollywood film studios and in intrepid expeditions to the North Pole Featuring the pampered pets of Queen Victoria and Pablo Picasso popular medieval dog names regimental mascots of the Napoleonic Wars and tales of canine loyalty through the ages this beautifully illustrated volume shows how dogs have for millennia been the beloved companions of peasants and princes alike

Interspecies Interactions Sarah Cockram, Andrew Wells, 2017-09-14 Interspecies Interactions surveys the rapidly developing field of human animal relations from the late medieval and early modern eras through to the mid Victorian period By viewing animals as authentic and autonomous historical agents who had a real impact on the world around them this book concentrates on an under examined but crucial aspect of the human animal relationship interaction Each chapter provides scholarly debate on the methods and challenges of the study of interspecies interactions and together they offer an insight into the part that humans and animals have played in shaping each other's lives as well as encouraging reflection on the directions that human animal relations may yet take Beginning with an exploration of Samuel Pepys' often emotional relationships with the many animals that he knew the chapters cover a wide range of domestic working and wild animals and include case studies on carnival animals cattle dogs horses apes snakes sharks and invertebrates These case studies of human animal interactions are further brought to life through visual representation by the inclusion of over 20 images within the book From sleeve cats to lion fights Interspecies Interactions encompasses a broad spectrum of relationships between humans and animals Covering topics such as use emotion cognition

empire status and performance across several centuries and continents it is essential reading for all students and scholars of historical animal studies
