Marriage and Life After Death Anthony Onyekwe,2015-01-29 In Africa the emphasis on family marriage and offspring suggest that there is a kind of an unwritten ancestral law that imposes on every male the duty of begetting a son The reason is because the core of African soteriology is centered on offspring The predicament of the childless couples therefore stems from the desire for immortality and salvation that culminates in the admission of the dead into the ancestral world This quest for salvation and immortality constitute social emotional psychological and spiritual problems for Christian as well as non Christian childless couples

Reincarnation & Immortality Swarne Parmananda,1961

The Future of God in the Global Village Thomas R. Mcfaul,2011-10 In the long trek of human history the adage that there will never be peace among the nations until there is peace among the religions has never been truer The growing trend toward spiritually inspired violence throughout the emerging global village of the twenty first century has taken a terrible toll on the lives of thousands of innocent victims The primary purpose of this book is to address this issue head on by examining the role that the earth s diverse faith communities can play in stopping the needless hatreds and hostilities that all too often arise from the search for spiritual fulfillment At this stage of human evolution nothing is more urgent

The Paranormal - is Normal! Alastair Bruce Scott-Hill,2016

Reincarnation and the Law of Karma William

Walker Atkinson, 1908 By Reincarnation we mean the repeated incarnation or embodiment in flesh of the soul or immaterial part of man's nature The term Metempsychosis is frequently employed in the same sense the definition of the latter term being The passage of the soul as an immortal essence at the death of the body into another living body The term Transmigration of Souls is sometimes employed the term being used in the sense of passing from one body into another But the term Transmigration is often used in connection with the belief of certain undeveloped races who held that the soul of men sometimes passed into the bodies of the lower animals as a punishment for their sins committed during the human life But this belief is held in disrepute by the adherents of Reincarnation or Metempsychosis and has no connection with their philosophy or beliefs the ideas having sprung from an entirely different source and having nothing in common There are many forms of belief many degrees of doctrine regarding Reincarnation as we shall see as we proceed but there is a fundamental and basic principle underlying all of the various shades of opinion and divisions of the schools This fundamental belief may be expressed as the doctrine that there is in man an immaterial Something called the soul spirit inner self or many other names which does not perish at the death or disintegration of the body but which persists as an entity and after a shorter or longer interval of rest reincarnates or is re born into a new body that of an unborn infant from whence it proceeds to live a new life in the body more or less unconscious of its past existences but containing within itself the essence or results of its past lives which experiences go to make up its new character or personality It is usually held that the rebirth is governed by the law of attraction under one name or another and which law operates in accordance with strict justice in the direction of attracting the reincarnating soul to a body and conditions in accordance with the tendencies of the past life the parents also attracting to them a soul bound to them by some ties in the past the law being universal uniform and equitable to all concerned in the matter This is a general statement of the doctrine as it is generally held by the most intelligent of its adherents The Builder and the Plan Ursula Newell Gestefeld, 1901 **The Unending Chord** Pasquale De

Marco, 2025-07-12 Embark on a profound exploration of time and eternity two concepts that have captivated and perplexed humanity for millennia Delve into the nature of time's flow the enigma of eternity and their profound implications for human existence In this thought provoking book we venture beyond the boundaries of conventional understanding to unravel the mysteries that surround time and eternity We examine the scientific philosophical and spiritual perspectives on these fundamental aspects of reality exploring the diverse ways in which different cultures and traditions have grappled with these concepts We investigate the interplay between the temporal and the eternal in various disciplines including art literature science philosophy religion and spirituality We explore how artists and writers have captured the essence of time and eternity in their works using their unique mediums to convey the inexpressible We examine the scientific understanding of time delving into the theories of physicists and cosmologists who seek to unravel the mysteries of the universe Furthermore we delve into the philosophical and religious perspectives on time and eternity exploring the diverse ways in which different

cultures and traditions have grappled with these concepts We consider the role of time and eternity in ethics and morality examining how our understanding of these concepts influences our decisions and actions We also explore the psychological and developmental aspects of time investigating how our perception of time changes as we age and how it impacts our memory cognition and emotions Throughout this journey we seek to illuminate the profound implications of time and eternity for human existence We examine how these concepts shape our sense of identity our relationships with others and our place in the universe We explore the existential questions that arise from our contemplation of time and eternity such as the meaning of life the nature of death and the possibility of an afterlife This book is an invitation to ponder the temporal and the eternal to question our assumptions and to seek a deeper understanding of these fundamental aspects of reality May this exploration enrich your perspective broaden your horizons and inspire you to contemplate the mysteries that lie beyond our immediate grasp If you like this book write a review

Salvation and Suicide David Chidester, 1991-08-22 An ambitious and courageous examination of the Jonestown cult viewed through the lens of theology Journal of the American Academy of Religion Re issued in recognition of the 25th anniversary of the mass suicides at Jonestown this revised edition of David Chidester s groundbreaking book features a new prologue that considers the meaning of the tragedy for a post Waco post 9 11 world For Chidester the murder suicide of some 900 members of the Peoples Temple in Guyana recalls the American religious commitment to redemptive sacrifice which for Jim Jones meant saving his followers from the evils of capitalist society Jonestown is ancient history writes Chidester but it does provide us with an opportunity to reflect upon the strangeness of familiar promises of redemption through sacrifice His original conclusion that the Peoples Temple was a meaningful religious movement seems all the more prescient and astute today when fundamentalism has raised the troubling spectre of violence and suicide all over the world
