### The Secret Life of Anna Blanc Jennifer

Kincheloe, 2015-11-03 It's 1907 Los Angeles Mischievous socialite Anna Blanc is the kind of young woman who devours purloined crime novels but must disguise them behind covers of more domestically appropriate reading She could match wits with Sherlock Holmes but in her world women are not allowed to hunt criminals Determined to break free of the era's rigid social roles Anna buys off the chaperone assigned by her domineering father and using an alias takes a job as a police matron with the Los Angeles Police Department There she discovers a string of brothel murders which the cops are unwilling to investigate Seizing her one chance to solve a crime she takes on the investigation herself If the police find out she'll get fired

if her father finds out he'll disown her and if her fiancé finds out he'll cancel the wedding and stop pouring money into her father's collapsing bank. Midway into her investigation the police chief's son Joe Singer learns her true identity. And shortly thereafter she learns about blackmail. Anna must choose either hunt the villain and risk losing her father, fiancé, and wealth or abandon her dream and leave the killer on the loose. From the Trade Paperback edition *The Secret Life of Kids* James W. Peterson, 2000-10-29. It all began when James Peterson was a camp counselor and two children watching him meditate described the colors they saw around his form: we saw colors coming out of his stomach. And the outside was purple then it was blue then it was yellow then reddish and light yellow in the middle. Studies indicate that almost seven percent of young children have such psychic experiences. For the most part they don't tell anybody about them for fear of being ridiculed. But the author believes it would be psychologically healthy for them to relate such occurrences to adults if they feel the need. In this book Peterson has put together a charming collection of case histories about such psychic episodes. He believes they should be accepted as factual that frequently they emanate from the wisdom of innocence present in youngsters. The question of the secret life of kids is examined by Peterson from the point of view of philosophy, occultism, and child psychology. He suggests why and how such experiences manifest and their potential value to the child's growth pattern. *Your Hidden Riches* Janet Bray Attwood, Chris Attwood, Sylva Dvorak, Ph.D., 2014-10-21. From the New York Times bestselling authors of *The Passion Test* comes a book that will teach readers to harness the power of ritual to unlock their unique gifts and create a life of love, wealth, and happiness. Rituals are the common feature of every ancient culture on Earth. Yet modern society has lost touch with the power and value of ritual to create a rhythm for daily life, balance, and a connection with others. In the process many of us have lost touch with ourselves. *Your Hidden Riches* is a call to reignite the power of personal and community rituals to sustain us in the midst of an ever-increasing onslaught of information and expectations and to sustain our world by reawakening the awareness of our interconnection with all life. In the book you will learn to engage with o Rituals for Magical Relationships o Rituals for Diet, Health, and Beauty o Creating Wealth Through Ritual o Rituals for the Seasons of Life o Rituals for a Closer Family Circle. Embracing ritual will allow you to finally live the life of health, wisdom, and love that you deserve. Reincarnation Lynn Kear, 1996-07-22. Over 500 books are described. Each entry includes full bibliographic information, a description of the contents, and additionally in most cases an excerpt is included that gives the flavor of the book. Pro and anti reincarnation sources are featured for this highly controversial subject. An appendix lists organizations that are concerned with reincarnation. This will be of interest to religious scholars and students and anyone interested in this fascinating topic. **The Secret Life of Algernon Pendleton** Russell H. Greenan, 2019-06-12.
