insatiable quest to acquire more prime farmland Still no one is more surprised than he when his hand is forced and his future reshaped by increasing drama and secrets He wonders why he is persistently entangled in compromising family relationships and then tragedy until he begins to doubt his faith When Mother Nature in which he has always found peace and solace too becomes his enemy sending drought grasshoppers hail and fierce winds that lift the rich topsoil off his land he starts to despair Steadily though his sorrow and despondency give way to a deepening awareness of his inner strengths and a heightening of his resolve to push onward for all those who count on him **The Times Literary Supplement Index** ,1978
