

REINVENTING JUSTICE

The American
Drug Court
Movement

James L. NOLAN, Jr.

Reinventing Justice

Michael Tonry

Reinventing Justice:

Reinventing Justice James L. Nolan Jr., James L. Nolan, 2003-01-26 The findings reported in this book are based upon ethnographic observations of drug courts throughout the United States and provide a glimpse into the unique character of the American drug court model considering the qualities and consequences of this form of criminal adjudication Juvenile Justice Preston Elrod, R. Scott Ryder, 1999 Criminal Justice Law Enforcement Achieving Open Justice through Citizen Participation and Transparency Jiménez-Gómez, Carlos E., Gascó-Hernández, Mila, 2016-08-12 Open government initiatives have become a defining goal for public administrators around the world However progress is still necessary outside of the executive and legislative sectors Achieving Open Justice through Citizen Participation and Transparency is a pivotal reference source for the latest scholarly research on the implementation of open government within the judiciary field emphasizing the effectiveness and accountability achieved through these actions Highlighting the application of open government concepts in a global context this book is ideally designed for public officials researchers professionals and practitioners interested in the improvement of governance and democracy **The Machinery of Criminal Justice** Stephanos Bibas, 2012-04-26 Two centuries ago the criminal justice system was primarily run by laymen In court victims and defendants interacted face to face while lay jurors from the community sat in judgment Jury trials passed moral judgment on crimes vindicated victims and innocent defendants denounced guilty defendants and reconciled and healed wounded relationships But over the last two centuries lawyers have taken over the process silencing victims and defendants and in many cases substituting a plea bargaining system for voice of the jury This lawyerized machinery has purchased efficient speedy processing of many cases at the price of sacrificing softer values such as reforming defendants and healing wounded victims and relationships In other words the U S legal system has bought quantity at the price of quality without recognizing either the trade off or the great gulf separating lawyers and laymen s incentives interests values and powers The Machinery of Criminal Justice explores these trends and considers how criminal justice could better accommodate lay participation values and relationships Emotions, Crime and Justice Susanne Karstedt, Ian Loader, Heather Strang, 2011-04-01 The return of emotions to debates about crime and criminal justice has been a striking development of recent decades across many jurisdictions This has been registered in the return of shame to justice procedures a heightened focus on victims and their emotional needs fear of crime as a major preoccupation of citizens and politicians and highly emotionalised public discourses on crime and justice But how can we best make sense of these developments Do we need to create emotionally intelligent justice systems or are we messing recklessly with the rational foundations of liberal criminal justice This volume brings together leading criminologists and sociologists from across the world in a much needed conversation about how to recalibrate reason and emotion in crime and justice today The contributions range from the micro analysis of emotions in violent encounters to the paradoxes and tensions that arise from the emotionalisation of criminal justice in the public sphere

They explore the emotional labour of workers in police and penal institutions the justice experiences of victims and offenders and the role of vengeance forgiveness and regret in the aftermath of violence and conflict resolution The result is a set of original essays which offer a fresh and timely perspective on problems of crime and justice in contemporary liberal democracies Reconstructing Restorative Justice Philosophy Theo Gavrielides,Vasso Artinopoulou,2016-04-08 This book takes bold steps in forming much needed philosophical foundations for restorative justice through deconstructing and reconstructing various models of thinking It challenges current debates through the consideration and integration of various disciplines such as law criminology philosophy and human rights into restorative justice theory resulting in the development of new and stimulating arguments Topics covered include the close relationship and convergence of restorative justice and human rights some of the challenges of engagement with human rights the need for the recognition of the teachings of restorative justice at both the theoretical and the applied level the Aristotelian theory on restorative justice the role of restorative justice in schools and in police practice and a discussion of the humanistic African philosophy of Ubuntu With international contributions from various disciplines and through the use of value based research methods the book deconstructs existing concepts and suggests a new conceptual model for restorative justice This unique book will be of interest to academics researchers policy makers and practitioners **Justice Outsourced** Michael L. Perlin,Kelly Frailing,2022-09-23 Examines the hidden use of non judicial officers in the criminal justice system **The Psychology of Justice and Legitimacy** D. Ramona Bobocel,Aaron C. Kay,Mark P. Zanna,James M. Olson,2011-02-25 In response to the international turmoil violence and increasing ideological polarization social psychological interest in the topics of legitimacy and social justice has blossomed considerably Social psychologists have explored the psychological underpinnings of people s reactions to injustice and illegitimacy including the behavioral and psychological consequences of the motivation to view individual outcomes and governmental systems as just and legitimate Although injustice and illegitimacy are clearly related at conceptual and theoretical levels these two rich literatures are rarely integrated Social justice researchers have focused on how people make sense of particular instances of injustice whereas legitimacy researchers have tended to focus primarily on people s reactions to unfair systems of intergroup relations This 11th volume of the Ontario Symposium series brings together the work of leading researchers in fields of social justice and legitimacy to facilitate the cross pollination and integration of these fields The contributions address broad theoretical issues and cutting edge empirical advances while illustrating the diversity and richness of research in the two fields By uniting these two domains this volume will stimulate new directions in theory and research that seek to explain how and why people make sense of injustice at all levels of analysis *The Oxford Handbook of Juvenile Crime and Juvenile Justice* Barry C. Feld,Donna M. Bishop,2012-01-12 State of the art critical reviews of recent scholarship on the causes of juvenile delinquency juvenile justice system responses and public policies to prevent and reduce youth crime are brought together in a single volume authored by leading scholars and

researchers in neuropsychology developmental and social psychology sociology history criminology criminal justice and law

Dispensing Justice Locally Richard Curtis, Brian Ostrom, David Rottman, Michele Sviridoff, 2014-01-02 This book shows the significant impact and success that can be accomplished when courts are designed to meet the needs of the community regardless of traditional proceedings The presentation of this unique approach marks the way for courts and ancillary justice agencies of all sizes to work together to build community confidence and assure not only quality of life but quality of justice

Battleground: Criminal Justice Gregg Barak, 2007-10-30 There are many controversial aspects of our criminal justice system and this encyclopedia examines the most significant controversies throughout American history with emphasis on current debates trends and issues Arranged alphabetically approximately 100 entries cover background explanations notable cases and events various sides of an issue and what to expect in the future Entries are objective and factual allowing readers to formulate their own conclusions Sidebars and case examples help to illustrate each entry and sources for further reading point readers to other important materials Given the prevalence of controversial criminal justice topics in the news this timely reference is an important resource for anyone interested in crime and justice Entries include Boot Camps Corporal Punishment DNA Evidence Domestic Violence Expert Testimony Eye Witness Identifications Gun Control Homeland Security International Criminal Court Legalization of Marijuana Mental Health and Insanity Police Brutality Prison Violence Racial Profiling School Violence Sex Offender Laws Stalking Laws Supermax Prisons Three Strikes Treating Juveniles as Adults War on Drugs and more

Criminal Justice Theory, Volume 26 Cecilia Chouhy, Joshua C. Cochran, Cheryl Lero Jonson, 2020-02-14 Criminal Justice Theory Explanations and Effects undertakes a systematic study of theories of the criminal justice system which historically have received very little attention from scholars This is a glaring omission given the risk of mass imprisonment the increasing presence of police in inner city communities and the emergence of new policy initiatives aimed at improving the quality and effectiveness of the administration of justice Fortunately however a number of disparate theoretical works have appeared that seek to provide insight into the nature and impact of criminal justice Based on 13 original essays by influential scholars this volume pulls together the most significant of these perspectives thus creating a state of the art assessment of contemporary criminal justice theory Criminal justice theory can be divided into two main categories The first includes works that seek to explain the operation of the criminal justice system Most of these contributions have grappled with the core reality of American criminal justice its rising embrace of punitiveness and the growth of mass imprisonment The second category focuses on works that identify theories that have often guided efforts to reduce crime The issue here focuses mainly on the effects of certain theoretically guided criminal justice interventions The current volume is thus organized into these two categories explanations and effects The result is an innovative and comprehensive book that not only serves researchers by advancing scholarship but also is appropriate for advanced undergraduate or graduate classroom use

U.S. Criminal Justice Policy Karim Ismaili, 2015-10-16 Revised edition of U S

criminal justice policy 2011 *The Oxford Handbook of Crime and Criminal Justice* Michael Tonry, 2011-09-29 A comprehensive and accessible overview of the operation of the American criminal justice system This handbook's extensive coverage of the criminal justice system in the U S makes it an important reference for students and scholars in criminal justice law and public policy

Street Justice Bruce A. Jacobs, Richard Wright, 2006-05-22 This study examines the structure process and forms of retaliation in contemporary urban America where street criminals employ it instead of recourse to the criminal justice system It explores retaliation from a first hand perspective based on interviews with currently active street criminals rather than prisoners

American Criminal Justice Policy Daniel P. Mears, 2010-04-12 American Criminal Justice Policy examines many of the most prominent criminal justice policies on the American landscape and finds that they fall well short of achieving the accountability and effectiveness that policymakers have advocated and that the public expects The policies include mass incarceration sex offender laws supermax prisons faith based prisoner reentry programs transfer of juveniles to adult court domestic violence mandatory arrest laws drug courts gun laws community policing private prisons and others Optimistically Daniel P Mears argues that this situation can be changed through systematic incorporation of evaluation research into policy development monitoring and assessment To this end the book provides a clear and accessible discussion of five types of evaluation needs theory implementation or process outcome and impact and cost efficiency It identifies how these can be used both to hold the criminal justice system accountable and to increase the effectiveness of crime control and crime prevention efforts

Correctional Ethics John Kleinig, 2017-07-05 Correctional Ethics gathers the most prominent contributions to this burgeoning field ranging from the philosophy of punishment through to ethical appraisals of incarceration the professional responsibilities of prison personnel and formative work in restorative justice In addition it provides an annotated research agenda to help shape the development of a comprehensive correctional ethic For those working in correctional ethics this collection provides an essential resource

Therapeutic Justice Karen A. Snedker, 2018-06-14 This book examines Mental Health Courts MHC within a socio legal framework Placing these courts within broader trends in criminal justice especially problem solving courts the author draws from two case studies with a mixed methods design While court observational and interview data highlight the role of rituals and procedural justice in the practices of the court quantitative data demonstrates the impact of incentives mental health treatment compliance and graduating patterns from MHC in altering patterns of criminal recidivism In utilising these methods this book provides a new understanding of the social processes by which MHCs operate while narrative stories from MHC participants illustrate both the potential and limitations of these courts Concluding by charting potential improvements for the functioning and effectiveness of MHCs the author suggests potential reforms and best practices for the future in tandem with rigorous analysis This book will be of value and interest to students and scholars of criminology law and social work as well as practitioners

Drug Interventions In Criminal Justice Hucklesby, Anthea, Wincup, Emma, 2010-06-01 During the past

decade the UK government has increasingly sought to reduce levels of crime and anti social behaviour through tackling problem drug use among offenders Despite debates about the precise nature of the relationship between drug use and offending a multiplicity of interventions have been introduced in an attempt to break the apparent link between problem drug use and crime particularly acquisitive crime These interventions have proliferated over time but have now been combined under the umbrella of the Drug Interventions Programme which aims to channel and many would argue coerce drug using offenders into treatment **National Institute of Justice Journal** ,1992

This Engaging World of Kindle Books: A Thorough Guide Revealing the Benefits of E-book Books: A Realm of Ease and Versatility Kindle books, with their inherent mobility and simplicity of access, have freed readers from the limitations of hardcopy books. Reinventing Justice Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to

historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Reinventing Justice free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Reinventing Justice free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Reinventing Justice free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Reinventing Justice. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Reinventing Justice any PDF files. With these platforms, the world of PDF downloads is just a click away.
