Feminist Interpretations of Søren Kierkegaard Céline Léon, Sylvia Walsh, 2010-11-01 Even though Kierkegaard insisted on the fundamental equality of the sexes before God his entire production is highly problematic for feminism To a great degree this is due to his tendency to write under a pseudonym In this collection of 14 articles contributors take varying stands on the question of whether Kierkegaard's work was indicative of misogyny or misogamy Topics of discussion include Kierkegaard's notion of the double nature of woman and of the silent woman his idea of masculine indifference and his use of irony in his critique of the feminine Paper edition unseen 17 95 Annotation copyrighted by Book News Inc Portland OR

A God-Shaped World Steve Langford, 2017-09-29 The kingdom of God was the central theme of Jesus's preaching Yet in spite of the centrality of the kingdom in Jesus's ministry the kingdom of God is far from a dominant theme in most mainline Protestant pulpits and churches Preaching and teaching about the kingdom have been supplanted by such great themes as personal salvation heaven and hell faith sin the church missions and evangelism justice issues stewardship and moral living So where is the kingdom In *A God Shaped World* author and pastor Steve Langford shows how the kingdom of God grows out of and is an expression of the character of God The kingdom of God is the realm in which the divine character shapes the way we live so that we do the will of God in every dimension of our lives *A God Shaped World* identifies the four central characteristics of the kingdom of God how out of step the ways of the kingdom are to the fear based self serving ways inherent to the human condition and the implications of the kingdom for followers of Jesus today The Lord's Prayer teaches us that the kingdom of God is inseparably tied to God's character and will The kingdom of God is where life is patterned after the merciful gracious character of God where the ways of God are lived and where the will of God is done here on the earth
