Newman Baldwin PhD, 2020-12-11 Every life experience you have ever faced no matter how traumatic was necessary for your growth physically spiritually and mentally Every encounter you have had and every decision you have made up to this moment has already been accounted for in the script of your life Where you are at this exact moment in time is where you are supposed to be What you are doing or have done leading to this moment in time is exactly what you were supposed to do Predestined in My Purpose explores the idea that every encounter we have leads us one step closer to our greater cause or purpose When faced with the negative energy floating around in the universe how do we replace the negative with the good How do we cope with our traumatic life experiences How do we as a society begin the healing process Asking forgiveness of others forgiving others and forgiving ourselves can change our perspective It can lead to healing not only in ourselves but also in the world as a whole Adversity builds our character strengthens us and brings us to our expected endings the ones written from before our birth No matter what issues we face in life we are all predestined to WIN Uplifting and encouraging this guide demonstrates the way in which all our experiences contribute to helping us grow and bringing us to our destined purpose *Great! thoughts experiences and ideas every day until I was employed again One day turned into a week a week turned into a month and a month would eventually turn into a year It would be that year that would change my life forever I was forced to face the reality of who I had become I was able to manage to become a somewhat successful person in life without becoming a complete person Without truly knowing myself My hope is that this book lands in your hands when you need it most I think our priorities are all wrong We are chasing wealth and material things thinking those are what will give us a fulfilling existence We are wrong and it is time for each of us to find our life Lloyd Hopkins *Follow the Dreams* Yi Ke,2019-09-30 Nan Xu s footsteps were filled with helplessness and hesitation They were filled with hope and dreams as well as the endless love affairs A man who fought for his dream a man who chased after women and was chased by women *Predestined To Bless* Ronald J.
