Release Of The Spirit:

The Release of the Spirit Watchman Nee, 1999-11-01 Surely this is the hour when the battleground is in the soul While the Lord is seeking to work through the quickened spirit Satan is seeking to work through the natural soulish life which has not been brought under control of the spirit The Breaking of the Outer Man and the Release of the Spirit Watchman Nee, 1997-06 Every Christian who has believed into Christ and received Him has a desire to grow in Him The greatest hindrances to the experience of the growth in life are not outward circumstances and environmental hardships rather they are a mind in need of renewing a will in need of submission to God and an emotion in need of stability In the Breaking of the Outer Man and the Release of the Spirit Watchman Nee provides a clear picture of the need for the breaking of the outer man so that the life of Christ in our spirit can flow out as rivers of living water to refresh and build up the people of God In a new and revised translation of this spiritual classic Watchman Nee provides crucial insight into the Biblical revelation of the necessity of the dividing of our soul from our spirit Back cover *Release of the Spirit* Watchman Nee, 1965 The famous author shows how to break the outer man so as to release the spirit within The Exercise of Our Spirit for the Release of the Spirit Witness Lee, 2004-02 **The Release of the Spirit** Lyle Goddard, 2021-01-01 That I may know Him and the power of His resurrection and the fellowship of his sufferings being made conformable unto His death Phil 3 10 We live our lives and we never really are in touch with the one who lives in us We turn to God with a sincere heart and yet there is never a relationship built In order to build a relationship with someone we have to acknowledge that person and be interested in everything that the person is involved in This is what the Father is trying to do in the body of Christ and that is to build a loving relationship and we can only do this by Knowing Him To know Him is to love Him and to love Him is to spend time to know Him In this book that I have written by the Holy Spirit s inspiration you will find the knowledge of the one that lives in us You can begin to reach inside yourself and past our soulish body and connect with the Spirit of God that lives in us Through this book I pray that you will begin to understand and connect with the Father and start a real meaningful relationship This will give you a full description of where He lives in us and how we must be before Him by the understanding the Holy Spirit **The Ministry of God's Word** Watchman Nee, 1994-09-01 The most important work of God on earth is the speaking out of His word through man In the Old Testament God s word was released through the ministry of the prophets and in the New Testament it was released through the ministry of the Lord Jesus and later through the apostles Even though God is pleased to allow us to speak His word the greatest measure of our usefulness as a minister of the Word is not the amount of our Bible knowledge or even the ability to eloquently present the truth rather it is the degree to which our inward parts have been molded and shaped by the Holy Spirit The Ministry of God s Word contains a series of messages given by Watchman Nee in 1948 and 1949 after nearly thirty years of ministry These messages are deep profound subjective and full of light revealing both the depth of his experience and extent of our need to open to the Holy Spirit s inward operation **To**

Christianity with Power Charles H. Kraft, 2005-07-25 Power Politicians crave it Money buys it And some people will do anything to get it In a world where New Agers rely on crystals and channeling to tap into spiritual power the Christian is reminded that Jesus used supernatural power to heal the sick cast out demons and raise the dead Two thousand years later the world still desperately needs a Savior who works in power However many modern Christians are embarrassed and reluctant to preach a gospel accompanied by supernatural power Our Western worldview conditions us to fit God into a neat predictable mold But Kraft is convinced that the power of the gospel will not be confined to our categories Step by step he offers a biblical understanding of signs and wonders and shows how Christians can become God's instruments to heal the sick to work miracles and to oppose the counterfeit powers of this age There is something that makes Christianity with Power quite possibly great maybe even a major publishing event to be noted some day when the history of the modern church is written Kraft helps us as no one else has in understanding our Western worldview in relation to the way the Holy Spirit is working today from the Foreword
