Polette, Tita French Baumlín, 2015-05-11 Arguing that American culture appeals to and is populated by children and adolescents who merely appear to be adult men and women the essays in *Perpetual Adolescence* examine the Jungian archetype of the eternal youth the puer aeternus as it is manifested in the arrested development of American culture From the infantilization of the American psyche and the lionization of teenaged celebrities and bodies to fanatical conformity and puerile entertainment the contributors probe the various ways that American television music film print Internet education and social movements work to nourish and sustain this child archetype Offering analytic psychology as an instrument of social analysis and critique they point to the need for dialogue over the causes and effects of our puer fixations which have become in large part both a creation and a creator of the American zeitgeist **Sex in Antiquity** Mark Masterson, Nancy

Sorkin Rabinowitz, James Robson, 2018-02-05 Looking at sex and sexuality from a variety of historical sociological and theoretical perspectives as represented in a variety of media *Sex in Antiquity* represents a vibrant picture of the discipline of

Aphrodite's Tears Hannah Fielding, 2018-01-25 In ancient Greece one of the twelve labours of Heracles was to bring back a golden apple from the Garden of Hesperides To archaeologist Oriel Anderson joining a team of Greek divers on the island of Helios seems like the golden apple of her dreams Yet the dream becomes a nightmare when she meets the devilish owner of the island Damian

Lekkas In shocked recognition she is flooded with the memory of a romantic night in a stranger's arms six summers ago A very different man stands before her now and Oriel senses that the sardonic Greek autocrat is hell bent on playing a cat and mouse game with her As they cross swords and passions mount Oriel is aware that malevolent eyes watch her from the shadows Dark rumours are whispered about the Lekkas family What dangers lie in Helios a bewitching land where ancient rituals are still enacted to appease the gods young men risk their lives in the treacherous depths of the Ionian Sea and the volatile earth can erupt at any moment Will Oriel find the hidden treasures she seeks Or will Damian's tragic past catch up with them threatening to engulf them both *Broken and Reset* Vincent Barrett Price, 2007 These poems reveal Price's healing from the crippling traps of childhood and the rejection of the conformity required by modern American life

Aphrodite's Lyfe Golden Bleu, 2010-07-27 Aphrodite's Lyfe Volume one is an exotic literary conversation between Aphrodite and Lyfe a woman and a man who live on opposite sides of the globe but possess a love so strong that it defies all time and distance but it comes at a price Aphrodite details how their love came to be and chronicles how loving another woman's husband can feel both wrong and right Lyfe discusses how traveling to see his love goddess is an addictive necessity and how in the end we all must make critical choices about where we call home **Aphrodite's Tears** Andrew Vaillencourt, 2018-02-13 Roland Tankowicz hates Venus The last time he went there he died So no one could really blame him if he never went back Nevertheless when a squad of Venusian assassins ruins date night everybody's least favorite Army surplus cyborg decides to take a trip to Earth's sister planet and have a sit down with an infamous group of terrorists Perhaps it's because he really likes date night Maybe he just wants to keep the promise he once made to a troubled young man It is even conceivable that he might still have a heap of unresolved issues with the separatists who blew his body apart years ago For whatever reason the big man and his motley crew of misfits strap on their guns and hurl themselves into murky world of interplanetary terrorism To his dismay Roland discovers that Venus has changed since his last visit The black and white politics of the fanatics and governments he remembers have now merged into complicated shades of gray Cyborg killers walk the halls without fear and the soldiers stationed there seem no better than the thugs they fight The sweltering underworld of Venus holds terrors and trials that will test the old soldier in ways he is not prepared for while a crafty assassin stalks them all from shadows both real and imagined The team must to walk a narrow path between terrorists soldiers and their own dark pasts if they expect to get out of this one alive Is The Fixer strong enough to pull an entire population from the ashes of civil war If he isn't they may all drown in a flood of APHRODITE'S TEARS **Bacchus** Andrew Dalby, 2004 This is the life story of the wine god Bacchus seducer magician and merrymaker as never told before Tales of his bizarre birth from a womb fashioned in his father Zeus's thigh led to even stranger stories passed down through generations of dramatists poets storytellers and historians Bacchus is best remembered however for his gift of wine to humanity With it he brought not only pleasure but also savagery and death Pentheus for example was torn apart at the hands of his own

mother and her fellow Maenads in the midst of a Bacchic frenzy In this highly enjoyable biography Andrew Dalby weaves together these and other intriguing episodes from Bacchus s life from his youth spent on Mount Nysa among nymphs and satyrs to his relentless pursuit by the goddess Hera to Bacchus s many amorous exploits bringing the wild and powerful wine god to life
