Religion And Legitimation Of Power In Sri Lanka Religion And Legitimation Of Power:

Religion and the Legitimation of Power in South Asia Smith,2022-04-25 **Religion and Legitimation of Power in Thailand, Laos, and Burma** Bardwell L. Smith,1978 **Religion and Legitimation of Power in Sri Lanka** Bardwell L. Smith,1978 Divided into two volumes The Teachings of Modern Christianity on Law Politics and Human Nature offers a landmark collection of writings from twenty Christian thinkers of the nineteenth and twentieth centuries and analyses of their work by leading contemporary religious scholars With selections from the works of Jacques Maritain Gustavo Guti rrez Dorothy Day Pope John Paul II Susan B Anthony Karl Barth Dietrich Bonhoeffer Reinhold Niebuhr Martin Luther King Jr Nikolai Berdyaev Vladimir Lossky and others Volume 2 illustrates the different venues vectors and sometimes conflicting visions of what a Christian understanding of law politics and society entails The collection includes works by popes pastors nuns activists and theologians writing from within the Catholic Protestant and Orthodox Christian traditions Addressing racism totalitarianism sexism and other issues many of the figures in this volume were the victims of church censure exile imprisonment assassination and death in Nazi concentration camps These writings amplify the long and diverse tradition of modern Christian social thought and its continuing relevance to contemporary pluralistic societies The volume speaks to questions regarding the nature and purpose of law and authority the limits of rule and obedience the care and nurture of the needy and innocent the rights and wrongs of war and violence and the separation of church and state The historical focus and ecumenical breadth of this collection fills an important scholarly gap and revives the role of Christian social thought in legal and political theory The first volume of The Teachings of Modern Christianity on Law Politics and Human Nature includes essays by leading contemporary religious scholars exploring the ideas influences and intellectual and cultural contexts of the figures from this volume **The Encyclopedia of Politics and Religion** Robert Wuthnow,2013-12-04 Containing over 200 articles from prominent scholars The Encyclopedia of Politics and Religion examines ways in which politics and religion have combined to affect social attitudes spark collective action and influence policy over the last two hundred years With a focus that covers broad themes like millenarian movements and pluralism and a scope that takes in religious and political systems throughout the world the Encyclopedia is essential for its contemporary as well as historical coverage Special Features Encompasses religions individuals geographical regions institutions and events Describes the history of relations between religion and politics Longer articles contain brief bibliographies Attractively designed and produced The Encyclopedia of Politics and Religion will be invaluable for any library public and academic which serves those interested in politics sociology religious studies international affairs and history Contents include Abortion Algeria Anabaptists China Christian Democracy Ethnic Cleansing Gandhi Israel Italy Jesuits Jihad Just War Missionaries Moral Majority Muslim Brethren Temperance Movements Unification Church War Zionism Nation, Constitutionalism and Buddhism in Sri Lanka Roshan de Silva Wijeyeratne,2013-08-15 Nation Constitutionalism and Buddhism in Sri Lanka offers a

new perspective on contemporary debates about Sinhalese Buddhist nationalism in Sri Lanka In this book de Silva Wijeyeratne argues forcefully that Sinhalese Buddhism in the period prior to its engagement with the British colonial State signified a relatively unbounded although at times boundary forming set of practices that facilitated both the inclusion and exclusion of non Buddhist concepts and people within a particular cosmological frame Juxtaposing the premodern against the backdrop of colonial modernity de Silva Wijeyeratne tells us that in contrast modern Sinhalese Buddhist nationalism is a much more reified and bounded concept one imagined through a 19th century epistemology whose purpose was not so much inclusion but a much more radical exclusion of non Buddhist ideas and people In this insightful analysis modern Sinhalese Buddhist nationalism then emerges through the conjunction of discourse power and knowledge at a distinct moment in the trajectory of the colonial State An intrinsic feature of this modernist moment is that premodern categories such as the cosmic order were subject to a bureaucratic re valuation that generated profound consequences for State society relations and the wider constitutional legal imaginary This book goes onto explore how key constitutional and nation building moments were framed within the cultural milieu of modern Sinhalese Buddhist nationalism a nationalism that reveals the power of a re valued Buddhist cosmic order to still inform the present Given the intensification of the Sinhalese Buddhist nationalist project following the defeat of the Tamil Tigers in 2009 this book is of interest to scholars of nationalism South Asian studies the anthropology of ritual and comparative legal history

Constituting Communities John Clifford Holt, Jacob N. Kinnard, Jonathan S. Walters, 2012-02-01 Constituting Communities explores how community functions within Theravada Buddhist culture Although the dominant focus of Buddhist studies for the past century has been on doctrinal and philosophical issues this volume concentrates on discourses that produced them and why and how these discourses and practices shaped Theravada communities in South and Southeast Asia From a variety of perspectives including historical literary doctrinal and philosophical and social and anthropological the contributors explore the issues that have proven important and definitive for identifying what it has meant individually and socially to be Buddhist in this particular region The book focuses on textual discourse how communities are formed and maintained within pluralistic contexts and the formation of community both within and between the monastic and lay settings

The City as Text James S. Duncan, 2004 Argues that landscapes are not only culturally produced but they also influence governing ideas of political and religious life

The Intra-Group Dimensions of Ethnic Conflict in Sri Lanka Kenneth Bush, 2003-12-09 Through an examination of the critical junctures in post colonial Sri Lanka Kenneth D Bush refines and advances our understanding of the dynamics underpinning violent and non violent ethnic conflict The book enables us to understand how the ebb and flow of relations within ethnic groups affects relations between groups for good or for ill

Buddhism, Modernity, and the State in Asia P. Kitiarsa, J. Whalen-Bridge, 2013-07-31 Leading scholars working on Buddhism and politics in South and Southeast Asia add to current discussions regarding Engaged Buddhism and the recent work on protests The writers have mostly established

themselves in their fields offering a diverse approach and country by country coverage **Innovative Buddhist Women**

Karma Lekshe Tsomo, 2013-09-05 Combines the voices of scholars and practitioners in analysing Buddhist women's history 26 articles document the lives of women who have set in motion changes within Buddhist societies with analyses of issues such as gender ethnicity authority and class that affect the lives of women in traditional Buddhist cultures and increasingly the west *Buddhist History in the Vernacular* Stephen C. Berkwitz, 2004 This book on vernacular Buddhist histories written in late medieval Sri Lanka demonstrates that narrative representations of the past were designed to effectively constructing new moral communities in translocal spaces **Reading the Mahāvamsa** Kristin Scheible, 2016-11-08 Vamsa is a dynamic genre of Buddhist history filled with otherworldly characters and the exploits of real life heroes These narratives collapse the temporal distance between Buddha and the reader building an emotionally resonant connection with an outsized religious figure and a longed for past The fifth century Pali text Mahavamsa is a particularly effective example using metaphor and other rhetorical devices to ethically transform readers to stimulate and then to calm them Reading the Mahavamsa advocates a new literary approach to this text by revealing its embedded reading advice to experience samvega and pasada and affective work of metaphors the Buddha's dharma as light and salient characters nagas Kristin Scheible argues that the Mahavamsa requires a particular kind of reading In the text's proem special instructions draw readers to the metaphor of light and the nagas or salient snake beings of the first chapter Nagas are both model worshippers and unworthy hoarders of Buddha's relics As nonhuman agents they challenge political and historicist readings of the text Scheible sees these slippery characters and the narrative's potent and playful metaphors as techniques for refocusing the reader's attention on the text's emotional aims Her work explains the Mahavamsa's central motivational role in contemporary Sri Lankan Buddhist and nationalist circles It also speaks broadly to strategies of reading religious texts and to the internal and external cues that give such works lives beyond the page *The Buddhist World of Southeast Asia* Donald K. Swearer, 2012-02-01 An unparalleled portrait Donald K Swearer's Buddhist World of Southeast Asia has been a key source for all those interested in the Theravada homelands since the work's publication in 1995 Expanded and updated the second edition offers this wide ranging account for readers at the beginning of the twenty first century Swearer shows Theravada Buddhism in Southeast Asia to be a dynamic complex system of thought and practice embedded in the cultures societies and histories of Thailand Myanmar Burma Laos Cambodia and Sri Lanka The work focuses on three distinct yet interrelated aspects of this milieu The first is the popular tradition of life models personified in myths and legends rites of passage festival celebrations and ritual occasions The second deals with Buddhism and the state illustrating how King Asoka serves as the paradigmatic Buddhist monarch discussing the relationship of cosmology and kingship and detailing the rise of charismatic Buddhist political leaders in the postcolonial period The third is the modern transformation of Buddhism the changing roles of monks and laity modern reform movements the role of women and Buddhism in the West **Buddhist Spirituality (Vol.**

1) Indian, Southeast Asian, Tibetan, Early Chinese Takeuchi Yoshinori, 1994-12-31 The present volume is part of a series entitled World Spirituality An Encyclopedic History of the Religious Quest which seeks to present the spiritual wisdom of the human race in its historical unfolding The volume presents the richness of the spiritual heritage of the human race and designed to reflect the autonomy of the traditional in its historical development *Buddhism and the Political Process*

Hiroko Kawanami, 2016-04-29 This study examines the impact of Buddhism on the political process of Asian countries in recent times The intersection between Buddhism and politics religious authority and political power is explored through the engagement of Buddhist monks and lay activists in the process of nation building development and implementation of democracy **Precarious Balance** Bardwell L. Smith, 2022-08-18 Since the third century BCE when the king of Sri Lanka converted to Buddhism the island nation off the southern coast of India has represented a central interest of Buddhist scholarship The association between its politics and religious life has not always remained harmonious however and has contributed to the contemporary turmoil that threatens to tear it apart In this valuable book renowned religious scholar Bardwell Smith elucidates the history of Buddhism in Sri Lanka from the time of one of its earliest rulers through to its present day strife The essays collected here for the first time explore various themes of Sri Lanka s long history in novel and constructive ways Topics include Sinhala Buddhists sense of manifest destiny arising from Sri Lanka s oldest historical chronicles the Mahavamsa and the Dipavamsa the nationalist implications of the chronicles depiction of the third century Mahavihara monastery as the site of original Buddhism and concepts of order and legitimation of power in ancient Ceylon With a new introduction and final chapter Smith sheds fresh light on today s Sri Lanka connecting historical studies with contemporary issues *The Halo of Golden Light* Asuka Sango, 2015-03-31 In this pioneering study of the shifting status of the emperor within court society and the relationship between the state and the Buddhist community during the Heian period 794-1185 Asuka Sango details the complex ways in which the emperor and other elite ruling groups employed Buddhist ritual to legitimate their authority Although considered a descendant of the sun goddess Amaterasu the emperor used Buddhist idiom particularly the ideal king as depicted in the Golden Light Sutra to express his right to rule Sango s book is the first to focus on the ideals presented in the Sutra to demonstrate how the ritual enactment of imperial authority was essential to justifying political power These ideals became the basis of a number of court sponsored rituals the most important of which was the emperor s Misai e Assembly Sango deftly traces the changes in the assembly s format and status throughout the era and the significant shifts in the Japanese polity that mirrored them In illuminating the details of these changes she challenges dominant scholarly models that presume the gradual decline of the political and liturgical influence of the emperor over the course of the era She also compels a reconsideration of Buddhism during the Heian as state Buddhism by showing that monks intervened in creating the state s policy toward the religion to their own advantage Her analysis further challenges the common view that Buddhism of the time was characterized by the growth of private esoteric rites at the expense of

exoteric doctrinal learning The Halo of Golden Light draws on a wide range of primary sources from official annals and diaries written by courtiers and monks to ecclesiastical records and Buddhist texts many of them translated or analyzed for the first time in English In so doing the work brings to the surface surprising facets in the negotiations between religious ideas and practices and the Buddhist community and the state

Companion Encyclopedia of Asian Philosophy Dr Brian Carr, Brian Carr, Indira Mahalingam, 2002-09-11 The Companion Encyclopedia of Asian Philosophy is a unique one volume reference work which makes a broad range of richly varied philosophical ethical and theological traditions accessible to a wide audience The Companion is divided into six sections covering the main traditions within Asian thought Persian Indian Buddhist Chinese Japanese and Islamic philosophy Each section contains a collection of chapters which provide comprehensive coverage of the origins of the tradition its approaches to for example logic and languages and to questions of morals and society The chapters also contain useful histories of the lives of the key influential thinkers as well as a thorough analysis of the current trends

Religion and the Global Politics of Human Rights Thomas F. Banchoff, Robert Wuthnow, 2011 Are human rights universal or the product of specific cultures Is democracy a necessary condition for the achievement of human rights in practice This book surveys the religious politics of human rights across the world's major regions political systems and faith traditions

The City as a Sacred Center Smith, Philip L. Reynolds, 2021-11-01

Religion And Legitimation Of Power In Sri Lanka Religion And Legitimation Of Power Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Religion And Legitimation Of Power In Sri Lanka Religion And Legitimation Of Power PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their

background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Religion And Legitimation Of Power In Sri Lanka Religion And Legitimation Of Power PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Religion And Legitimation Of Power In Sri Lanka Religion And Legitimation Of Power free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
