Child's Heart Gladys Hunt, 2010-06-01 A modern classic with over 250 000 copies sold *Honey for a Child's Heart* is a compelling essential guide for parents who want to find the best books for their children ages 0-12. A good book is a gateway into a wider world of wonder, beauty, delight, and adventure. But children don't stumble onto the best books by themselves. They need a parent's help. Author Gladys Hunt discusses everything from how to choose good books for your children to encouraging them to be avid readers. Completely revised and updated to keep pace with the ever-changing world of children's literature, this fourth edition of *Honey for a Child's Heart* reflects Hunt's broad tastes in books. Rooted in experience, her suggestions will enrich the cultural and spiritual life of your home. She shows you how to understand the importance of being a read-aloud family, enjoying books together by reading aloud. Give your children a large view of the world of truth and of goodness. Encourage each child's imagination and good use of language. Find the best books for your children. Illustrated with drawings from dozens of children's favorites, *Honey for a Child's Heart* includes book lists geared to your child's age and filled with nearly 1 000 long-time favorites, classics, and wonderful new books that will enrich your child's life. Thousands of parents have used it to furnish their children's inner spirit with the wonder and delight of good reading. **My First**

**Phonics Book** Diane McGuinness, 1999 *My First Phonics Book* is a fun way to introduce phonics to young readers, helping them first to understand that all words are made up of sounds and then to recognize the symbols that represent these sounds. Created in conjunction with phonics expert Diane McGuinness, this book is ideal for developing early reading skills. Organized in a simple, easy-to-locate alphabetical order of sounds, one page is devoted to each of 42 separate sounds making up the English language. Introducing Radio Jo, the animated radio who delivers a lively and humorous selection of songs, adverts, weather reports, news flashes, and spot questions, all devised to support sound recognition and to encourage reader interaction. A Field in Flux Robert B. McKersie, 2019-05-15

*A Field in Flux* chronicles the extraordinary journey of industrial and labor relations expert Robert McKersie. One of the most important industrial relations scholars and leaders of our time, McKersie pioneered the study of labor negotiations, helping to formulate the concepts of distributive and integrative bargaining that have served as analytical tools for understanding the bargaining process more generally. The book provides a window into McKersie's life and work and its impact on the evolution of labor and industrial relations. Spanning six decades, the reader learns about the intersection of labor and the Civil Rights movement, the watershed moment of the Air Traffic Controller's Strike, his relationship with George Schultz, the shift from labor relations to human resource management, and McKersie's role in the seminal cases *Motorola*, *GM*, and *Toyota* of the labor movement. *A Field in Flux* serves two important functions: it demonstrates how people have influenced past employment policies and practices when called to action in critical situations, and it seeks to instill confidence in those who will be called on to address the big challenges facing the future of work today and in the years to come. During a time when the basic values of industrial relations are being challenged and violated, McKersie argues that the profession must adapt to the changing world of work and not forget about

the value placed on efficiency equity and inclusive employment policies and practices

**On the Devil's Tail** Paul Martelli, Vittorino dal Cengio, 2015-01-19 A collaborationist who fought for Germany during WWII and later for the French in Vietnam tells his eventful life story in this military memoir This is the riveting true story of Paul Martelli who fought on the Eastern Front in 1945 as a fifteen year old member of the 33rd Waffen Grenadier Division of the SS Charlemagne and later as a soldier with French forces in the Tonkin area of Vietnam Paul recounts his time at the Sennheim military training base his experience of the German invasion of France when he was still a boy in Lorraine and his motivations for enlisting with the Waffen SS a few years later He reveals his escapades at Greifenberg his first love with a German girl helping refugees and his experiences of combat After the German defeat Martelli ends up delivering a group of female camp prisoners to a Russian officer then living in disguise among enemy soldiers until he escapes and surrenders to the Americans After a prison sentence and military service in Morocco Paul is sent to fight in defense of French bases north of Hanoi Vietnam Though he survives three years of fierce combat he compares his service in the Waffen SS with the inefficiency of the French Expeditionary Force and comes out deeply frustrated At almost twenty six Martelli has fought and lost in two wars both against the communists Unemployed and with the ideals of a Nouvelle Europe in pieces he briefly joins the French Foreign Legion before choosing another path
