Marriage and Family Curtis Phillips,Marc Barnes,2024-04-02 It is from the Bible that society obtains its most enduring and successful patterns for the tapestries formed by our social fabric The institution of marriage is no exception Given to us by God at the very beginning of His creation marriage was to be the bedrock of all societies and over the millennia since God first gave Adam and Eve life in the garden of Eden this bedrock remains essential to His will for mankind While this book will neither exhaust the topic of biblical marriage nor address every verse of Scripture or nuance in the union of two unique individuals it will present practical revelation that we pray you find useful in building your marriage and thereby empowering your family Beginning with the biblical foundation of marriage a foundation unaltered since God ordained it this book will take you on a journey that will reveal the genius of God s blueprint for marriage and ultimately His manifestation of the gospel in the institution itself As with all great institutions marriage and family are God s idea not mankind s He is the Creator and Sustainer and the purposes for which He creates and sustains a marriage are not mysterious He desires godly offspring In perpetuating the gospel of Jesus Christ through all generations

and around the world God reveals time and again in His Word that the primary vehicle for the perpetuation of that Gospel good news is family Just as no person is perfect no family is perfect Here too in the ashes of divorce abuse and failed families God wishes to show Himself not only capable but eager to restore and heal We pray you will enjoy and profit greatly from the revelation God has given us on this important subject

Basic Training for the Fight of Your Life, the Final Stand Robert Mayhew, 2013-02 The purpose of the book is to revive the spirit of real Christianity in the United States stand against our Adversary and turn from our collective moral drift Done as an analogy by telling my experiences in Basic Training in the Army and how those experiences relate to Christianity The book is divided into three parts The first part is Individual Training skill sets For example my volunteering in the Army and the transition from civilian to soldier Likewise the transition from not being a Christian to voluntarily wanting to be one and the transition that takes place Another is my experience on a compass course where I started out doing well but got lost and finally found my way to the finish I compare the compass to the Bible and relate it to life Other examples as well The second part is Opposing Forces Training where I learned how the enemy operates and received training focused around defeating him I apply that to learning the ways of Satan because just like a victorious army you must know your spiritual enemy to be successful against him And the third and last phase is the reclamation which is brought about only by the application of the first two phases That is reinforced by quotes from prominent people from the past

The Truth War John F. MacArthur, 2008-12-28 Right now truth is under attack and much is at stake Perhaps no one in America is more passionate than John MacArthur about exposing those who are mounting this attack especially those bringing the assault right into the church There is no middle ground no safe zone for the uncommitted in this war The battle for truth is raging and this book reveals The pitfalls of postmodern thinking Why the Emerging Church Movement is inherently flawed Past skirmishes in the Truth War and their effect on the Church The importance of truth and

certainty in a postmodern society How to identify and address the errors and false teachings smuggled into churches The postmodern age is the age of no truth an age that has reached a point of deadly fatigue when it comes to facing the truth a generation that no longer believes truth can be known Dr John MacArthur knows better and he is armed with the courage to confront this age with a bold defense of truth His argument is compelling his defense of truth is brilliant and his concern for the church is evident on every page The evangelical church desperately needs this book and it arrives just in time R Albert Mohler Jr President The Southern Baptist Theological Seminary
