Numbers And Shapes Discovery Cards:

Baby Einstein: Numbers and Shapes Discovery Cards Julie Aigner-Clark, 2004-04-02 Photographs and pictures with tips for counting and identifying shapes

Numbers and Shapes Discovery Cards, 2004-07-16 You've never seen flash cards as good as Baby Einstein's before and with these cards you can introduce your child to numbers and shapes in a baby toddler friendly way You may not realise it but babies already have a firm grasp on simple mathematical principles they know when their plate is full and when it is empty and they certainly know when a play mate has more toys than they do Babies also have a developing appreciation of shapes and patterns Numbers and Shapes flash cards were created with these two things in mind and will support your child's ability to develop the building blocks of maths and geometry

Teaching Science in Secondary Schools Sandra Amos, Richard Boohan, 2013-10-11 A companion to Aspects of Teaching Secondary Science the first section of this reader provides an overview of the key issues discussing the nature of science and its role in the school curriculum The second section goes on to examine critically the ways in which science is reflected in the school curriculum while the third section discusses recent curriculum initiatives and developments Turning the focus from what is taught on to who is taught section four shows that students are very much active learners in the classroom making sense of their experiences and constructing their own meanings The final section covers the role of research in science education giving examples of research papers and considering how productive collaboration between teachers and researchers can impact upon the effectiveness of classroom practice
