Recipe for a Happy Life George Chichester, 2010-02 In this world we grow up and become a certain kind of person based on family influence and peer pressure as well as the choices we make God sent Jesus Christ to teach the world how to live His desire is for us to follow His rules His way will get all of us into heaven when our time comes through Him Jesus Christ He gave us the freedom to make choices and shows us how we should follow Him I feel the need to tell all who read my story how very simple life can be when we follow these rules I was the 11th born in a family of 12 children This story gives most of the details in regard to the way I grew up and the choices I made I also tell about the influence of my brothers and sisters For the most part my family thought I turned out to be a rather unusual individual I believe very strongly that I was led by God in the choices that I made I do not profess to be perfect by any means but I did have a beautiful and happy life To this very day I still feel the same way All I can say is read my story and give it a try I think you will be very happy with your choice However it s not like trying on clothes to see how they fit You need the Bible to give you all the rules and regulations My story is only the map George Chichester Author **The Supremes Sing The Happy Heartache Blues** Edward Kelsey
