

The background is a painting of a forest scene. A path leads through a dense forest of tall, thin trees. The ground is covered in fallen leaves and branches. The sky is a mix of blue and white, suggesting a bright day. The overall style is impressionistic, with visible brushstrokes and a vibrant color palette.

If you overly protect your children they will fear failure and avoid pain. But failure and pain are twin teachers of important lessons. Unless your children fully experience both how will they know they have nothing to fear?
