The Senate You Never Knew

Edited by Serge Joyal

# Protecting Canadian Democracy The Senate You Never Knew

**James T. McHugh**

## **Protecting Canadian Democracy The Senate You Never Knew:**

**Protecting Canadian Democracy** Serge Joyal, 2003-05-27 In recent years Canada's Senate Parliament's chamber of sober second thought has often been the subject of controversy and calls for reform Protecting Canadian Democracy examines the history role and evolution of the Senate places it in the context of other federal systems and contrasts its role with that of provincial governments Contributors analyse the Senate's use of its legislative powers comparing it with the House of Commons and assess the Senate's contribution to public policy development and review showing how the upper chamber functions as a forum within Parliament for the representation of Canada's diverse regional linguistic cultural and socio-economic interests *A People's Senate for Canada* Helen Forsey, 2015-04-01T00:00:00Z This little book is written for Canadians who care about our democracy and the future of our planet The Senate surprisingly could make major contributions to both *A People's Senate for Canada* explains how we can make that happen What if we had a Senate that was independent of party politics truly committed to sober second thought and dedicated to the common good What if Senate appointments focused on experience integrity and creativity and flowed from a non-partisan participatory process based on merit and reflective of our country's diversity What if senators were able to fully devote themselves to their proper legislative and investigative work cooperating wherever possible free of party control and electoral worries and financially accountable to the Auditor General As Helen Forsey demonstrates such a People's Senate would not require risky and questionable constitutional amendments the needed changes could be made within the present framework In fact some hopeful initiatives are already under way *A People's Senate for Canada* combines grassroots experience thorough research and critical commentary to create a people's resource for positive change This book offers a rationale an analysis and a feasible proposal for an upper house that would restore citizen participation and help check government power It is an antidote to cynicism and a prescription for a truly honourable Senate one that would make us proud **The Senate and the People of Canada** James T. McHugh, 2017-09-20 The Senate of Canada is the upper house of its parliamentary system It is an appointed legislative chamber that has been frequently derided for its apparent lack of effective activity its failure to represent Canada's federal system and the perceived lack of accountability among its members Reform of the Senate persists as one of the most contentious issues in the country Typical reform proposals begin with the assumption that it must become an elected body that primarily represents Canada's provinces and can serve as an effective check on the federal government and the House of Commons This book challenges those assumptions through a thorough analysis that places the Senate within the context of other parliamentary upper houses It presents a hypothetical constitutional amendment and a proposal for non-constitutional reform that are based upon alternative models derived from that broader context The book ultimately recommends a Senate that remains unelected but with a more expansive appointment process that more appropriately reflects the optimal role of a parliamentary upper house as well as the diversity regional aspirations and political principles

of Canadian democracy      Constitutional Pariah Emmett Macfarlane, 2021-04-01 The Canadian Senate has long been considered an institutional pariah viewed as an undemocratic outmoded warehouse for patronage appointments and mired in spending and workload scandals In 2014 the federal government was compelled to refer constitutional questions to the Supreme Court relating to its attempts to enact senatorial elections and term limits Constitutional Pariah explores the aftermath of Reference re Senate Reform which barred major unilateral alteration of the Senate by Parliament Ironically the decision resulted in one of the most sweeping parliamentary reforms in Canadian history creating a pathway to informal changes in the appointments process that have curbed patronage and partisanship Despite reinvigorating the Senate Reference re Senate Reform has far reaching implications for constitutional reform in other contexts Macfarlane s sharp critique suggests that the Court s nebulous approach to the amending formula raises the spectre of a frozen constitution unable to evolve with the country      The Canadian Senate in Bicameral Perspective David E. Smith, 2017-06-22 The Canadian Senate in Bicameral Perspective is the first scholarly study of the Senate in over a quarter century and the first analysis of the upper house as one chamber of a bicameral legislature David E Smith s aim in this work is to demonstrate the interrelationship of the two chambers and the constraints this relationship poses for Senate reform He analyses past literature on the Senate and current proposals for reform such as a Triple E Senate and compares Canada s upper chamber with those of Australia the United States Germany and the United Kingdom noting a revival of interest in Canada and abroad in upper chambers and bicameralism Drawing on parliamentary debates and committee reports as well as a range of broad secondary sources The Canadian Senate in Bicameral Perspective examine the Canadian Senate within the international context shedding light on its role as a political institution and arguing for a renewed investigation into its future

Canadian Conservative Political Thought Lee Trepanier, Richard Avramenko, 2023-03-24 This book corrects an imbalance in Canadian political literature through offering a conservative account of Canadian political thought Across 15 chronologically organized chapters and with a mixture of established and rising scholars the book offers an investigation of the defining features and characteristics of Canadian conservative political thought asking what have Canadian conservative political thinkers and practitioners learned from other traditions and in turn what have they contributed to our understanding of conservative political thought today Rather than its culmination Canadian Conservative Political Thought will be the beginning of conservative political thought s recovery and will spark debates and future research The book will be a great resource for courses on Canadian politics history political philosophy and conservatism Canadian Studies and political theory      **The Impact of Legislatures** Philip Norton, 2020-09-10 The Impact of Legislatures brings together key articles and path breaking scholarship published in The Journal of Legislative Studies during its first 25 years of publication enabling the reader to make sense of the impact of legislatures in the modern world Encompassing theory comparative analysis and county based empirical studies the volume examines the impact of legislatures as the key representative

institutions of nations addressing their relationships both to government and to the people Legislatures are ubiquitous They provide legitimacy to measures of public policy and to government As such they are key to how a nation is governed But they do much more than confer legitimacy They are generally multi functional and functionally adaptable bodies and are an essential link between citizen and government However scholarship on them has not been extensive and has often been descriptive and country specific limiting the capacity to make sense of them as a particular species of institution The chapters in this volume reflect scholarship that helps the reader appreciate the significance of the place and consequences of legislatures examining not only the relationship between the legislature and the executive but also the oft neglected relationship between legislatures and the people Reflecting the growing body of research in the field of legislative studies carried by The Journal of Legislative Studies since its inception in 1995 The Impact of Legislatures is essential reading for anyone wishing to understand the impact of legislatures in the world today **Constant Struggle** Julien Mauduit, Jennifer Tunnicliffe, 2021-10-06 Most Canadians assume they live under some form of democracy Yet confusion about the meaning of the word and the limits of the people s power obscures a deeper understanding Constant Struggle looks for the democratic impulse in Canada s past to deconstruct how the country became a democracy if in fact it ever did This volume asks what limits and contradictions have framed the nation s democratization process examining how democracy has been understood by those who have advocated for or resisted it and exploring key historical realities that have shaped it Scholars from a range of disciplines tackle this elusive concept suggesting that instead of looking for a simple narrative we must be alert to the slower untidier and incomplete processes of democratization in Canada Constant Struggle offers a renewed sometimes unsettling depiction stretching from studies of early Indigenous societies through colonial North America and Confederation into the twentieth century Contributors reassess democracy in light of settler colonialism and white supremacy investigate connections between capitalism and democracy consider alternative conceptions of democracy from Canada s past and highlight the various ways in which the democratic ideal has been mobilized to advance particular visions of Canadian society Demonstrating that Canada s democratization process has not always been one that empowered the people Constant Struggle questions traditional views of the relationship between democracy and liberalism in Canada and around the world

**Policy Analysis in Canada** Michael Howlett, Laurent Dobuzinskis, 2018-05-23 Policy analysis in Canada brings together original contributions from many of the field s leading scholars Contributors chronicle the evolution of policy analysis in Canada over the past 50 years and reflect on its application in both governmental and non governmental settings As part of the International Library of Policy Analysis series the book enables cross national comparison of public policy analysis concepts and practice within national and sub national governments media NGOs and other institutional settings Informed by the latest scholarship on policy analysis the volume is a valuable resource for academics and students of policy studies public management political science and comparative policy studies **Essential Readings in Canadian Constitutional**

**Politics** Peter H. Russell, Christian Leuprecht, 2011-01-01 Essential Readings in Canadian Constitutional Politics introduces students scholars and practitioners to classic authors and writings on the principles of the Canadian Constitution as well as to select contemporary material To complement rather than duplicate the state of the field it deals with the Canadian Charter of Rights and Freedoms and with Canadian mega constitutional politics in passing only focusing instead on institutions federalism intergovernmental relations bilingualism and binationalism the judiciary minority rights and constitutional renewal Many of the selections reverberate well beyond Canada s borders making this volume an unrivalled resource for anyone interested in constitutional governance and democratic politics in diverse societies

### **Protecting Canadian Democracy The Senate You Never Knew Introduction**

In today's digital age, the availability of Protecting Canadian Democracy The Senate You Never Knew books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Protecting Canadian Democracy The Senate You Never Knew books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Protecting Canadian Democracy The Senate You Never Knew books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Protecting Canadian Democracy The Senate You Never Knew versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Protecting Canadian Democracy The Senate You Never Knew books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Protecting Canadian Democracy The Senate You Never Knew books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Protecting Canadian Democracy The Senate You Never Knew books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions

have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Protecting Canadian Democracy The Senate You Never Knew books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Protecting Canadian Democracy The Senate You Never Knew books and manuals for download and embark on your journey of knowledge?

### **FAQs About Protecting Canadian Democracy The Senate You Never Knew Books**

1. Where can I buy Protecting Canadian Democracy The Senate You Never Knew books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
