

A photograph of a brown bear and its cubs in a forest. The adult bear is standing on its hind legs, leaning against a tree trunk, and looking towards the camera. Three cubs are also visible: one is climbing a tree trunk above the adult, another is climbing a tree trunk below the adult, and a third is standing on the ground to the right. The forest floor is covered in green grass and white wildflowers. The background is a dense forest of tall, thin trees.
