The Soul of Hip Hop Daniel White Hodge, 2010-08-21

What is Hip Hop Hip hop speaks in a voice that is sometimes gruff sometimes enraged sometimes despairing sometimes hopeful Hip hop is the voice of forgotten streets laying claim to the high life of rims and timbs and threads and bling Hip hop speaks in the muddled language of would be prophets mocking the architects of the status quo and stumbling in the dark toward a blurred vision of a world made right What is hip hop It's a cultural movement with a traceable theological center Daniel White Hodge follows the tracks of hip hop theology and offers a path from its center to the cross where Jesus speaks truth

The Preacher King Richard Lischer, 2020 The Preacher King investigates Martin Luther King Jr's religious development from a precocious preacher's kid in segregated Atlanta to the most influential American preacher and orator of the twentieth century To give the most accurate and intimate portrait possible Richard Lischer draws almost exclusively on King's unpublished sermons and speeches as well as tape recordings personal interviews and even police surveillance reports By returning to the raw sources Lischer recaptures King's truest preaching voice and consequently something of the real King himself He shows how as the son grandson and great grandson of preachers King early on absorbed the poetic cadences traditions and power of the pulpit more profoundly influenced by his fellow African American preachers than by Gandhi and the classical philosophers Lischer also reveals a later phase of King's development that few of his biographers or critics have addressed the prophetic rage with which he condemned American religious and political hypocrisy During the last three years of his life Lischer shows King accused his country of genocide warned of long hot summers in the ghettos and called for a radical redistribution of wealth 25 years after its initial publication The Preacher King remains a critical study that captures the crucial aspect of Martin Luther King Jr's identity Human complex and passionate King was the consummate American preacher who never quit trying to reshape the moral and political character of the nation
