Andrew Eungi Kim

Protestant Pioneers In Korea:

Protestant Pioneers in Korea Everett Nichols Hunt,1980 **Protestant Pioneers in Korea** Everett Nichols Hunt (Jr.),1980 Protestantism and Politics in Korea Chung-shin Park,2011-07-01 Following its introduction to Korea in the late nineteenth century Protestantism grew rapidly both in numbers of followers and in influence and remained a dominating social and political force throughout the twentieth century In Protestantism and Politics in Korea Chung shin Park charts this stunning growth and examines the shifting political associations of Korean Protestantism Elsewhere in Asia evangelical Protestant missionaries failed to have much social and political impact being perceived as little more than agents of Western imperialism But in Korea the church became a locus of national resistance to Japanese colonization in the fifty years preceding 1945 Missionaries and local adherents steadily gained popular support as they became identified with progressive political reforms After World War II and the division of the Korean peninsula however most Protestant institutions in South Korea were conscripted into the fight against communism In addition they became involved in the postwar push for rapid economic development These alliances led to increasing political conservatism so that mainstream Korean Protestantism eventually became a stalwart defender of the authoritarian status quo A small liberal minority remained politically active supporting social and human rights causes throughout the 1960s and 1970s laying the foundation for mass protests and gradual democratic liberalization in the 1980s Park documents the theological evolution of Korean Protestantism from early fundamentalism to more liberal doctrines and shows how this evolution was reflected in the political landscape

Protestant Pioneers in Korea Everett Nichols Hunt,1976 The Rise of Protestantism in Modern Korea Andrew Eungi Kim,2022-11-09 Combining sociological historical and comparative approaches this book examines one of the most striking aspects of South Korea specifically the emergence of Protestant Christianity as the largest contemporary religion in the country What is extraordinary about the religion s success is that its growth has been achieved in 130 years since 1884 and that it took place in a country with a rich oriental tradition replete with shamanism Taoism Buddhism and Confucianism The text critically demonstrates the socio anthropological perceptive of the Korean Peninsula making it a great resource for scholars and students of sociology contemporary culture history religion colonialism and geopolitics Biographical Dictionary of Christian Missions Gerald H. Anderson,1999 The book also features cross references throughout a bibliography accompanying each entry an elaborate appendix listing biographies according to particular categories of interest and a comprehensive index BOOK JACKET *A History of Protestantism in Korea* Dae Young Ryu,2022-03-01 This book provides a comprehensive overview of Protestant Christianity in Korea It outlines the development of Christianity in Korea before Protestantism considers the introduction of Protestantism in the late nineteenth century and its widening and profound impact and goes on to discuss the situation up to the present Throughout the book emphasises the importance of Protestantism for Korean national life highlights the key role Protestantism has played in Korea s social political and cultural

development including in North Korea whose first leader Kim Il Sung was the son of devout Protestant parents and demonstrates how Protestantism continues to be a vital force for Korean society overall

American Missionaries, Korean Protestants, and the Changing Shape of World Christianity, 1884-1965 William Yoo, 2016-10-04 This book examines the partnerships and power struggles between American missionaries and Korean Protestant leaders in both nations from the late 19th century to the aftermath of the Korean War Yoo analyzes American and Korean sources including a plethora of unpublished archival materials to uncover the complicated histories of cooperation and contestation behind the evolving relationships between Americans and Koreans at the same time the majority of the world Christian population shifted from the Global North to the Global South American and Korean Protestants cultivated deep bonds with one another but they also clashed over essential matters of ecclesial authority cultural difference geopolitics and women's leadership This multifaceted approach incorporating the perspectives of missionaries migrants ministers diplomats and interracial couples casts new light on American and Korean Christianities and captures American and Korean Protestants mutually engaged in a global movement that helped give birth to new Christian traditions in Korea created new transnational religious and humanitarian partnerships such as the World Vision organization and transformed global Christian traditions ranging from Pentecostalism to Presbyterianism

Millennialism in the Korean Protestant Church Ŭng-gyu Pak, Ung Kyu Pak, 2005 This book explains the origin and development of premillennial eschatology in the evangelical Korean church from 1884 to 1945 It examines the eschatological implications of Korean religious thought the eschatology of American missionaries the horrific experience of Japanese occupation 1910 1945 and the enforcement of Shinto shrine worship in light of Korean Christians' tenacious hold on dispensational premillennialism This book explains the place of premillennialism in the Christian life and it deals with the cultural underpinnings of Christianity in Korean history by bringing to bear the complex social political and religious elements of Korean culture

Historical Dictionary of the Republic of Korea James E. Hoare, 2020-10-13 South Korea Republic of Korea is the more successful of the two Koreas in both economic and political terms Even the Asian economic crisis of 1997 1998 which hit badly was weathered successfully and when the next crisis came along in 2007 South Korea coped better than many other countries This economic strength taken with the steady progress of democratization since 1987 indicates that when the peninsula is eventually reunified as one day it probably will be a new unified Korea will follow the South Korea model rather than that of North Korea This fourth edition of Historical Dictionary of the Republic of Korea contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities as well as aspects of the country's politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about the Republic of Korea

Thank you definitely much for downloading **Protestant Pioneers In Korea**. Maybe you have knowledge that, people have look numerous period for their favorite books later this Protestant Pioneers In Korea, but end stirring in harmful downloads.

Rather than enjoying a good PDF with a cup of coffee in the afternoon, then again they juggled when some harmful virus inside their computer. **Protestant Pioneers In Korea** is friendly in our digital library an online access to it is set as public suitably you can download it instantly.
