Proud to Be a Daughter of God Bonnie Christler Cox, 2010-08-10 A simple ride to borrow a pickup from my family changed all the lives of our family in one short second We were hit by a drunk driver and taken to the hospital I had such extensive injuries that it was determined I should be flown by emergency helicopter to a hospital where a team of orthopedic surgeons would be waiting for me Before I left I was given a blessing and promised the Lord wanted to heal me quickly Those words gave me strength Once arriving at the hospital I wanted to block it all out because it was too much for me to handle I would talk to my loved ones coherently but I didn't want to talk to anyone else I closed my eyes and wanted to wake up after it was all over A nurse finally got through to me that I'd

die if I didnt cooperate with them and I joined the fight It took all my effort to simply stay alive I found strength in Bible stories my faith and blessings After many surgeries I went from intense pain to discomfort Then I had to face a depression that went from gentle tears and sobs to deep moans and groans I could feel my babys arms around my neck and heard him call for me and I couldnt move I saw my children and my husband and tears flowed nonstop Finally I was able to move again and the depression faded almost instantly I started moving my arms and I progressed to be able to ring the nurses buzzer In the next few days I sat up for the first time stood up and started taking steps with support It wasnt an easy process My muscles had completely atrophied My head swirled like being on a tilt a whirl With the help of a physical therapist I was walking with minimal support quickly However next I needed to put weight on my arms to get out of bed Muscles were attached to scar tissue and Id get terrible cramps It was like starting all over again but with blessings and my physical therapist and orthopedic surgeon who was never happy until he made me whole I survived I was told Id be in the hospital six months to a year I left short of two and a half months I was very weak but I was going home
