Proverbs In A Haystack Finding That Hidden Truth In Gods Word:

Proverbs in a Haystack Dudley C. Rutherford, 2005 Over 3000 topics Now for the first time all the treasures of the book of Proverbs are yours to find easily and quickly This powerful study aid lets you search for any prover by just looking up a single word or the special feature of looking for a theme Open up the treasures of God s Word in a new and exciting way The Truths in Proverbs Leslie V. Smith, 2023-11-22 Everything written came from the mind of Christ God is speaking directly to his people This is not written in commentary or written by man s education or his intellect God is speaking to his people through his mind spirit and Word making direct statements God himself said we have the mind of Christ therefore God wants you to hear and understand his perspectives Oftentimes men write about their understanding of the Word or a scripture or their conclusion on different matters concerning the Word Psalm 19 14 God is speaking from the standpoint of the first birth which was by flesh but the second birth by the will of God by the spirit Even how marriage is viewed through the eyes and mind of God between male and female How the church should conduct itself by the Word and spirit of God Those who seek God he shows them what s in his mind and his ways to follow him and in so doing exposes the enemy This book was written with God overseeing every word punctuation mark every letter from cover to cover Written for his people and all who will give their life to Christ God didn t just want to visit his people but to inhabit with his people so they will grow and mature in him to experience personally his power and authority and know how to use it God speaks through his mind to you because now you see and hear more from man and less of God Man will someday bow their knees before God of his will and his authority This book was written by the mind of God to show and teach all men the uncompromising power of the Word of Christ through the Holy Spirit so men will know the truths of God as men apply them in their life through salvation
